## GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge of A.F. & A.M. of Canada, in the Province of Ontario.

My Brethren:

### WELCOME

As we come to the end of my first year as Grand Master, I welcome each of you to the **159<sup>th</sup>** Annual Communication of your Grand Lodge. It has been a year of great pleasure for me to travel throughout the Province, have the opportunity to meet, renew friendship and to make many new friends. As we gather together it is time to reflect on what we have done during the past Masonic year. We look forward with commitment and enthusiasm to the coming year.

It is an honour and a privilege to welcome the leaders, distinguished guest and friends from other Grand Jurisdictions along with the brethren from the Family of Freemasonry. Welcome one and all. Brethren, leaders are ordinary people, with all the struggles, all the strengths, and all the weaknesses of people like us. It's not what you are that's important, the issue is what you are willing to become.

We have been fortunate, to work with some of the greatest and proven leaders in Freemasonry. They have been a source of inspiration. They were self-confident with the ability to identify sound ideas. Their loyalty has inspired others and instilled enthusiasm. I am convinced the world today needs Freemasonry, its philosophy and its fundamental principle of brother love, relief and truth. Those common denominators we each share: Fraternity; Fellowship; Family; and Charity. The world, today, would be a better place if everyone practised our philosophy.

### NECROLOGY

Although, last year (2012), we take time to celebrate the initiation of 1,366 new members into our Craft, we are still in a state of decline with respect to our overall membership numbers. One mitigating factor that is completely out of the control of our lodges is when these brethren have taken their final journey. Brethren like:

**R.W. Bro. Kenneth "K.C." Emerson** District Deputy Grand Master - 1953

K. C. Emerson, founding member and president of Emerson Tobacco Company, began farming in 1943. During his farming career, he raised cattle, Yorkshire pigs for the war effort, and general field crops. He also served as Reeve of Vienna from 1960-1993 and Warden of Elgin County (1963). A 75 year member of Vienna Masonic Lodge No. 237, Worshipful Master (1943) Oriental Lodge No. 181, Port Burwell and 60 years a Past District Deputy Grand Master, Wilson District.

**R.W. Bro. Lesley James Pengelly** Grand Senior Warden 1998.

Les Pengelly a 94 year old energetic Mason, was a veteran of World War II and served in the Royal Canadian Navy from 1941 to 1948. After his discharge, he joined St. Thomas Police Force as a Police constable from 1938 to 1955. He was appointed as the Chief of Police in the town of Ingersoll from 1955 to 1964 and

become Chief of Police in King Township from 1964 to 1971. With the amalgamation of several Police Services, Les Pengelly served as an Inspector with the York Regional Police Service from 1971 and retired from the Service in 1980. Les was the dean of the Police Service Masonic Degree Team and served as their Senior Warden. His radiant smile and enthusiasm from the Craft have become his long-standing trademark. R. W. Bro. Pengelly was initiated into Athole Lodge No. 15, Halifax Nova Scotia, August 1946, Worshipful Master of Union Lodge No. 118 Schomberg in 1990, and a member of several lodges in Ontario.

**R.W. Bro. Robert Stillwell** Grand Senior Warden 2012

A Past Master from High Park Melita Lodge No. 531, Bob began his Masonic career on September 26, 1985 after being initiated by the Metropolitan Toronto Police Force Degree team and became an active member of that degree team. He was Master of his lodge in 1997 and 2003. He was very active Past Master and enjoyed tutoring the younger officers. He was elected Grand Senior Warden in July 2012. Bob was a dedicated family man and was happily married to Donna for 34 years and were loving parents to Kimberly and Adam and proud grandfather of Kinely. Robert passed to the GLA on September 19, 2013, at the age of 64 years. He served his lodge faithfully and with merit for 28 years.

**V.W. Bro. Richard William (Bill) Bower** Grand Steward 2013.

With great sadness we reported the passing of our Grand Steward, V.W. Bro. Bill Bower. He was an important force in Masonry. From the time he was initiated into Richardson Lodge No. 136 in 1982 until his recent passing, he was always friendly and involved. He served as Worshipful Master in 1991 and was chosen to lead the Lodge during its 150<sup>th</sup> anniversary in 2010. He was highly valued as a key member of the Police Service Degree Team for more than twenty years. In that capacity, he took major parts in the ritual and travelled throughout the Province and beyond. His conveyance of Masonic instruction and principals provided such a high standard that every candidate felt well instructed and valued. He will be sadly missed by all who knew him.

**V.W. Bro. John Alexander Clayton** Grand Steward 1972.

Alex Clayton initiated into Scarboro Lodge No. 653 in September 1953 and was installed as the Worshipful Master on December 12, 1966. He served as the District Secretary in 1971 and was Appointed Grand Steward in 1972. Alex served as the Master of a degree team, comprising of Past and Present Grand Lodge Officers for 20 years, travelling to nearly all Masonic Districts in Ontario. A First Degree was always exemplified. Alex was a quiet, unassuming, committed Mason who seldom missed a meeting in his own lodge. He received his 50 year Master Mason pin from Grand Lodge in September of 2013. V.W. Bro. Alex Clayton was truly portrayed as the ideal of a Freemason. Alex attended all three of my degrees and took part in my installation as Worshipful Master of Scarboro Lodge.

**V.W. Bro. David Todd** Grand Piper 2002

On April 24, 2014, V.W. Bro. David Todd passed to the Grand Lodge Above. He was born in Scotland on April 1, 1933. Initiated into Masonry on January 20, 1966, passed on March 10, 1966 and raised on April 21, 1966. Worshipful Master of

Paterson Grey Lodge No. 265, Thornhill in 1975 and appointed as Grand Piper July 2002. David will always be known for his tremendous dedication, his friendly smile and his warm handshake. He will be sadly missed by all that knew him and we will always remember his great sense of humour.

To all the brethren who passed to the Grand Lodge above, we will cherish your memory in our hearts. Outstanding Masons who will be long remembered.

## **PAST RANK**

Many brethren from our Grand Lodge received honorary rank from the other fraternal bodies in the Family of Freemasonry even though they didn't serve in a leadership role within the organization. Many were given this honour for the work they have done to advance Craft Masonry and by doing so, were given the recognition either in Scottish rite Freemasonry or Royal Arch Masons. I was honoured and grateful to receive the honorary rank of Past First Principal of Royal Arch Masons of Canada in the Province of Ontario and Coroneted and Honorary Inspector General (33 degrees) of the Ancient and Accepted Scottish Rite Freemasonry of Canada.

W. Bro. Brian Van Sickle is an Installed Master, Bytown Lodge No 721, Ottawa, Ontario. His term as Worshipful Master was not completed; however he did continue to serve the Family of Freemasonry in a leadership role in Royal Arch Masonry.

Pursuant to Section 73 of the Book of Constitution, I recommend the rank of Past Master be conferred upon the following brethren who were unable to serve 12 months as Worshipful Master:

- W. Bro. Brian D. Van Sickle, formally from Bytown Lodge No. 721, now a member of Golden Beaver Lodge No. 528, Timmins.
- W. Bro. Rodney Rego, Alpha-Tuscan Lodge No. 384, Toronto

## **HONORARY RANK**

Further, pursuant of Section 73, I recommend that the rank and title of Past Grand Senior Warden (Honorary) be conferred upon V.W. Bro. Robert Lindsay in recognition of the dedicated service he has given to the membership as the Team Leader of the Friend to Friend Program. He has worked diligently to help retain, renew and revitalize our membership V.W. Bro. Lindsay has asked to step down as the Team Leader of the Friend to Friend program. Thank you, V.W. Bro. Lindsay for your support and service. I further recommend that the rank and title of Past Grand Senior Warden (Honorary) be conferred upon V.W. Bro. S. Michael Jenkyns. In 2009, Section 120 (c) of the Book of Constitution was amended to define the duties of the Grand Historian and V.W. Bro. Jenkyns was appointed as the Grand Historian. Since that date, V.W. Bro. Jenkyns has compiled and preserved a permanent record of the matters connected with the history of our Grand Lodge. I encourage everyone to read his most recent paper, titled *Canadian Freemasonry during the First World War - 1914-1918*. I commend him for the countless hours he has spent in the service of our Grand Lodge as our Grand Historian.

## WILLIAM MERCER WILSON MEDAL

The William Mercer Wilson Medal is awarded only to a Brother who will not become a Worshipful Master or Past Master, but who has rendered service far beyond the call of duty. Each brother has had to demonstrate outstanding loyalty and dedication to the Craft and his community and have received the endorsement of his peers. They have given their time and energy to Freemasonry, to their communities and church that have earned them in the respect of their brethren that prompted them and the Grand Lodge Awards Committee to recognize their achievements.

It was my pleasure to personally present four William Mercer Wilson Medals, however, due to weather conditions and road closures we were unable to attend Brother Adams presentation.

- Brother James William Sullivan, St. Clair Lodge No. 425, Sombra (Sarnia District). October 15, 2013.
- Brother George Ralph Harrison (Harry) Tutin, Norfolk Lodge No. 10, Simcoe (Wilson South District). October 29, 2013.
- Brother William Calvert Fisher, Sunnylea Lodge No. 664, Toronto (Toronto Humber Valley District). November 14, 2013.
- Brother Robert H. Gray, Keewatin Lodge No. 417, Kenora (Western District). November 23, 2013.
- Brother Charles Gary Adams, Leamington Lodge No. 290 (Erie District). January 25, 2014.

Regrettably, Brother Cal Fisher, while at home, suddenly passed away last February 9, 2014.

## GRAND MASTER'S MERITORIOUS SERVICE AWARD

The Meritorious Award is to recognize exceptional Service rendered by members of the Grand Lodge. Originally established by M.W. Bro. William R. Pellow (1987-1988) as a personal award of the Grand Master. I am pleased to announce three recipients who have each contributed in their own way to the betterment of their community, lodge, district, and to Grand Lodge.

**R.W. Bro. George Burt.** P.D.D.G.M., Union Lodge, No. 118, Schomberg (York District). A strong supporter and works tirelessly towards the activities occurring within York District. R.W. Bro. Burt is well known for his wood carving talents. Over the years he has made and sold many original wood carvings, donating the funds collected to Masonic charities, lodge and district events. He is even known for coming to the aid of grieving brethren and through his talents, handcrafted customized memory urns for the grieving families. Words cannot describe his compassion and the true meaning of his Brotherly Love.

**R.W. Bro. Robert A. Johnston.** P.D.D.G.M., West Hill Lodge No. 670, Toronto (Toronto East District). The best way to describe R.W. Bro. Johnston, is a quote from M.W. Bro. Raymond Daniels: "There is no retirement age in Masonry!" In October 1978, I was initiated into Scarboro Lodge No. 653 (Toronto 4 District). It

was on the night of the Official Visit of the D.D.G.M., who happened to be R.W. Bro. Robert Johnston. He was the first Grand Lodge Officer I met and made me, a candidate, not only feel welcomed to Freemasonry but told me it was a life time commitment to living a better life. Through his personal actions and demeanour, I wanted to belong to this organization they called Freemasonry and I made a personal commitment to him and the brethren, I would be an active member. R.W. Bro. Johnston is still an active member in his lodge and his district. A couple months ago, while I was attending a Lodge Installation, a large delegation of Masons from West Hill Lodge also attended, being led by their Worshipful Master, R. W. Bro. Johnston. He is a clear example of the hardwood of Freemasonry we need today, active Past Masters.

**R.W. Bro. David G. Martin**, P.D.D.G.M., King Edward VII Lodge, No. 471, Niagara Falls (Niagara B. District). It has been said that the consciousness of duty done is a great reward. R.W. Bro. Martin has carried out the duties as a Mason and a mentor faithfully and well. His fraternal manner towards all the brethren, without distinction of rank or position, his courtesy and tact, his unfailing attention to detail, and ready devotion of time and energy, have been actuated solely by his desire to advance the best interests of the Freemasonry in every way possible. These qualities have earned him the admiration and respect, indeed, it is no exaggeration to say, the esteem and affection of all his brethren. R.W. Bro. Martin has advanced Masonry in the Niagara Districts.

## **APPOINTMENTS**

In accordance with Section 131 (e) of the Book of Constitution, I am pleased to announce the re-appointment and appointing the following brethren as Honorary Members of the Board of General Purposes for a three year term (2014 to 2017):

## **UNVEILING'S AND DEDICATIONS**

### **Unveiling of Provincial Plaque**

Without M.W. Bro. William Mercer Wilson tireless efforts, the Institution of Freemasonry as we know it today would not exist. He travelled the length and breadth of our jurisdiction, set an example to others that encourage men to join our fraternity and to assist lodges in finding their place in their communities.

On August 18, 2013, with the financial assistance of The Heritage Lodge No. 730, and our Grand Lodge, the Ontario Heritage Trust and the Grand Lodge of Canada in the Province of Ontario unveiled a provincial plaque at St. John's Anglican Church in Simcoe, Ontario, to commemorate M.W. Bro. William Mercer Wilson 1813-1875.

William Mercer Wilson was born in Scotland and immigrated to Upper Canada at the age of 19. He moved to Simcoe where he worked as a court clerk, lawyer, Crown attorney and finally judge for Norfolk County. In 1840, Wilson became a Freemason in Simcoe. His leadership and vision were instrumental in the creation of the Grand Lodge of Canada, independent of the authority of the Grand Lodge of England. The legacy of Ontario Freemasons can be traced to his unifying efforts. Most Worshipful Brother Wilson was elected the Grand Lodge's first Grand Master in 1855, a position that he held twice more before his death. Thank you W. Bro. Rob Foote for your assistance in this project.

## **DEDICATIONS**

The Ceremony of Dedication of New Lodge Premises were conducted in:

- Porcupine Lodge No. 506                      Timmins, ON,    October 5, 2013
- St. Thomas Masonic Centre              St. Thomas, ON, December 14, 2013
- Unity Lodge No. 376                        Huntsville, ON,    June 6, 2014

## **AMALGAMATIONS AND SURRENDER OF WARRANTS**

It is not a sign of weakness or failure when members decide to amalgamate or surrender their Warrant after many years of service. It is a fact with the dwindling numbers, it is having an impact on the number of lodges we have in Ontario. While every attempt has been made to avoid a lodge going into darkness or amalgamating, we must accept the decision of the membership and assist in every way possible to retain our membership rather than worry about the number of lodges we have in this jurisdiction.

The Ceremony of Amalgamation was approved and presided over:

- Minden Lodge No. 253 and Rideau Lodge No. 460 became Rideau Minden Lodge No. 253, Frontenac District on March 6, 2014.

Statistically, I have been informed when a lodge surrender's its Warrant, we retain a larger percentage of the membership than those lodges who amalgamate. The following lodge surrendered its Warrant:

- Silver Lodge No. 486, Haileybury, ON, June 7, 2014 Nipissing East District

To the members of Grand Lodge who chaired the joint committees for the amalgamations and surrender of Warrants, on behalf of your Grand Lodge, please accept our thanks and appreciations.

## **RE-DISTRIBUTION OF DISTRICTS**

Brethren, it has become necessary to address the re-distributing of lodges to ensure an adequate presence of membership in Northern Ontario. In order to facilitate this endeavour, effective at the 159<sup>th</sup> Annual Communication of Grand Lodge, our jurisdiction will consist of 43 Districts with the migration of affected lodges as follows:

- Granite Lodge No. 352, Parry Sound, contemplated to return to Georgian North District
- Temiskaming and Elk Lake Lodges are returning to Temiskaming District
- All North Bay Lodges and Sturgeon Falls Lodge, to unite with the existing Muskoka-Parry Sound District to form a new district named Nipissing Muskoka District

I am grateful to the District Deputy Grand Masters from Nipissing East, Temiskaming, and Muskoka-Parry Sound Districts who championed the initiative in compiling and presenting a mutually acceptable proposal to achieve the objective of strengthening the presence of Freemasonry in Northern Ontario. I personally want to thank R.W. Bro. Gordon McKay, Robert Romberg and Lenard Williams who demonstrated true leadership in accomplishing this initiative.

## **MASONIC FAMILY EVENTS**

### **MASONIC LEADERS**

Every attempt is made for the leaders of the Family of Freemasonry to meet, one or two times a year to discuss matters of mutual concerns and exchange information. This year, on September 19, 2013, the Masonic Leaders met in Mitchell, Ontario. These meetings are necessary and we recommend the continuation and active participation of the leaders of our respective organizations.

### **INTERNATIONAL PLOWING MATCH**

On September 19, 2013, the Grand Secretary, Deputy Grand Master and I attended the International Plowing Match which was hosted by the brethren of South Huron District. I congratulate the committee's enthusiasm in hosting the 2013 Masonic Display Marquee and the Meet and Greet reception. It was a good day for all in South Huron District.

### **SUPREME COUNCIL, A. & A.S.R.**

It was an honour and privilege, as your Grand Master and as a candidate to attend

the 139<sup>th</sup> Annual Session of the Supreme Council of Canada held in Blue Mountain Ontario. We congratulate the Scottish Rite Brethren in the Valley for Barrie for including our late brother, V. W. Bro. Donald N. Campbell as the Honorary Chairman of the 139<sup>th</sup> Annual Session in his memory. Our Sovereign Grand Commander, III. Bro. Richard A. H. Brown reminded us about our obligations, continual performance of duties and the expectation that the laboring in the lodge is a prerequisite to wearing the jewel of a 33<sup>rd</sup> Degree Scottish Rite Mason.

### **ROYAL ARCH MASONS GRAND CHAPTER**

On Thursday, April 10 through Saturday, April 12, 2014, in Woodstock, it was my privilege to attend the 156<sup>th</sup> Annual Convocation of Royal Arch Masons of Canada in the Province of Ontario with Past Grand Masters Garry Dowling, Alan Petrisor and Gary Atkinson. Thank you M.E. Comp. Brian Van Sickle and lady, Carol, for your hospitality and kind invitation.

### **IMPERIAL SHRINE SESSION**

It was a pleasure and privilege to attend the 140<sup>th</sup> Imperial Session of Shriners International, Minneapolis, Minnesota, July 6-10, 2014, with many of the Nobles from our three Shrine Temples located in Ontario. The exhilarating Shriners parade was enjoyed by all, especially the community of Minneapolis. It was important to attend this Session and participate in meaningful discussions with the Imperial Divan, Nobles and the many other Grand Masters in attendance. My personal thanks are extended to our host, III. Potentate Terrence Fulton and the Nobles of Rameses Shriners.

### **HANDS-ACROSS THE BORDER**

In September 1992, our Grand Master, M.W. Bro. Norman E. Byrne and the Grand Master of the Grand Lodge of Quebec, M.W. Bro. Lorne Phillips had an idea to bring Masons from Ontario and Quebec together as a demonstration of unity. On March 22, 2014, with over 15 centimeters of freshly fallen snow, on top of the already high snow banks on the side of our roadways, didn't stop the strong support of Grand Lodge Officers traveling from Quebec, led by their Grand Master, M.W. Bro. Jean Read to attend our annual "Hands-Across the Border" fraternal visit held this year in Ingleside, Ontario, hosted by Hawkesbury Lodge. As your Grand Master it was an honour and pleasure to welcome the many Grand Lodge Officers from Quebec and Ontario.

### **CONFERENCES**

*Conference of Grand Masters of North America:* The Deputy Grand Master and I attended the Conference of Grand Masters of North America, held in Baltimore, Maryland, February 16-19, 2014. The theme of the conference was "Reclaiming our Heritage for a Better Tomorrow." this conference gave us an opportunity to meet other Grand and Deputy Grand Masters from North America and beyond. The conference discussed best practices within our Craft and getting a variety of

viewpoints to improve our own ideas and processes.

The 2015 Conference of Grand Masters of North America will be held in Vancouver, British Columbia. I was honoured to be elected as Vice Chairman of the Conference and Chairman of the Nominating Committee. I look forward to serving the brethren and a return of the conference to Canada.

***All Canada Conference of Canadian and District Grand Lodges of Canada:*** The Grand Secretary, Deputy Grand Master and I also attended the All Canada Conference of Canadian and District Grand Lodges of Canada. Masonic leaders agree we don't need members; we need to revitalize our current membership.

I presented a paper entitled; *Masonic Conduct*. As Masons each member accepts the responsibility for maintaining a mode of life and conduct that is not only above reproach but is an example of good behaviour within the community. Our actions, attitude and first impressions will influence a man who is considering joining our fraternal organization. The way we portray ourselves in our community, being a good citizen in our everyday life, demonstrating our kindness, being honest, being courteous towards others. We, with that one on one contact, can be a better advertisement than all the brochures, open houses, mall display booths or other programs currently in use.

Congratulations to M.W. Bro. Terence Shand on his election as the Chairman of the 2015 All Canada Conference of Canadian and District Grand Lodge of Canada.

***World Conference:*** On May 14<sup>th</sup> to 17<sup>th</sup>, 2014, the Grand Secretary and I attended the 13<sup>th</sup> World Conference of Regular Masonic Grand Lodges held in Bucharest, Romania. The purpose of the conference was to share information and to discuss issues that promote the stability, progress and universality of Craft Masonry. Dealing with society was the main and general theme of this conference.

On the Wednesday and Thursday, six workshops were held, discussing 9 pre-submitted papers, including one paper by our own M.W. Bro. Raymond S.J. Daniels, entitled: The Role and Importance of the World Conference to the Universal Bond of Brotherhood.

The six workshops discussed the following topics:

- Freemasonry as a social commitment. How the values of the Craft change a Mason's life and how a Mason can change the society;
- The Brotherhood of Freemasons - the place where loyalty and morality acquire new values. The Masonic experience and the guiding role of the lodge;
- Equality and tolerance. The Masonic values that may fundamentally define the 21<sup>st</sup> century, a century of dramatic changes;
- Freemasonry and the challenges of the media. The manner in which we communicate. When we communicate. Adapting to the new reality of electronic media.
- Masonic altruism. Specific ways to get involved in the life of the community; and

- How the ancient principles and experience of Freemasonry can contribute to the making of a better world.

R.W. Bro. Thomas W. Jackson retired as the Executive Secretary of the World Conference of Regular Masonic Grand Lodges. M.W. Bro. Radu Balanescu, Grand Master of the National Grand Lodge of Romania was elected as the new Executive Secretary, who, immediately after his election, established a Board of Executive Secretary's Office with representatives across the world. The Boards' members are scheduled to meet together with the Executive Secretary at least twice every 18 months. Congratulations to M.W. Bro. Terence Shand, on his election to this new Board.

## **COMMUNICATIONS OF OTHER GRAND LODGES**

I was fortunate to be able to attend the following Annual Communications outside of Ontario.

- Grand Lodge of Newfoundland and Labrador, October 2013
- Grand Lodge of National Francaise, Paris, France – celebrating their 100<sup>th</sup> Anniversary, December 2013
- Grand Lodge of Massachusetts, December 2013
- Grand Lodge of New Jersey, April 2014
- Grand Lodge of New York, May 2014
- Grand Lodge of Alberta, June 2014

And the Deputy Grand Master attended the Grand Lodge of West Virginia, October 2013.

## **GRAND MASTER'S BANQUET**

One of the highlights of our Grand Lodge Communication is the Grand Master's Banquet. The speaker this year is M.W. Bro. Robert Conley, Past Grand Master and newly elected Grand Secretary of the Grand Lodge of Michigan. M.W. Bro. Conley is a most interesting speaker and has an excellent Masonic background. At the Conference of Grand Masters of North America, M.W. Bro. Conley conducted one of the breakout sessions, discussing membership retention and some of the initiatives the Grand Lodge of Michigan has put in place to retain members and the important roles Mentors play in this area. We welcome him and look forward to his address.

## **CONDITION OF MASONRY**

Membership: Several years ago, our Constitution was amended. It now directs our 44 District Deputy Grand Masters to submit their "Official Visit" report to the Chairman of Condition of Masonry within 14 Days. Prior to that, their report was due, annually on the first of June. By the time the reports were read and analyzed, Grand Masters were making decisions on important information that was 18 to 24 months old. Now we are making decisions on factual up-to-date data.

Here is what the Committee on the Condition of Masonry is telling us through

their analysis, which is interesting and important to our membership. We know from the information supplied to us that many of our new members leave Masonry, because they were ignored in lodge. Those who remained stayed because they were with their friends.

This data has told us, we don't need members; we need to revitalize our current membership. If someone did ask to join, ask him why? Get to know him before you accept his application! Maybe this will help reduce the number of members not going beyond their 1<sup>st</sup> Degree and /or remaining an active member.

Although, last year, we took time to celebrate the arrival of 1,366 new members to our Craft, we must also be vigilant in our effort to gain a clearer understanding of the membership trends over the past couple of decades.

So, you ask, why are we still in a state of decline? Have we lost our "Mystic"? Again, the Condition of Masonry reports the reasons are three-fold; one mitigating factor is completely out of the control of our lodges, while the other two are very much controlled by each lodge, not by your Grand Lodge. We must make our resources available to all our members and improve our customer service delivery. We have the material to educate members about one the most important aspects of Freemasonry, that is, education and a learning institution.

First, we are a Fraternity that has a high percentage of veteran members and as a result, many of these brethren are taking their final journey.

The second factor that lodges do have control of is Degree Progression. When we review how well new members are being progressed through their degrees, the results suggest that one new members are initiated, a significant number are not progressing. The third factor, again that lodges control, is Demits and Suspensions. In and of themselves, they are the largest contributing factor of our membership decline and many would suggest that the seeds for demits and suspensions are sown during the candidates, degree journey. These are the brethren whom we have welcomed into the Craft, but have now become disinterested.

It is generally accepted these brethren continue to pay their yearly dues for a time, but eventually they become a Non-Payment of Dues issue for the lodge, which results in demits or suspensions.

We have tracked the total dollar value of arrears across Ontario for three years. Jurisdiction arrears totaled some \$345,000 to \$405,000 per year, some lodges having \$15,000 or more on their books.

**Past Masters:** Past Masters, it's critical that you step up and lead, mentor and educate our newest members and certainly our Lodge officers. Junior members should not be training new members. The district Deputy Grand Master's Course has been changed and is now called the Past Master' Course. The Past Master's Course is not just for candidates seeking the office of the Distict Deput Grand Master or Grand Registrar. It is open to all Past Masters. I encourage all Past Masters to consider taking this course offered by our College of Freemasonry. As an initiative this year, with the assistance of the Education Committee, a personal letter from the Grand Master was sent to the newly invested Immediate Past Master (IPM), thanking him for their service as Worshipful Master. Further we pointed out the courses available to him as a Past Master. We also encouraged him to continue working in a leadership role within in his Lodge, District and Grand Lodge. Over 400 letters had been sent to our IPMs and we have received many positive feedback

from them. Special thanks to R.W. Bro. John Forster for championing this initiative. I am recommending we continue with this initiative for another year.

**Lodge Buildings:** Look at the information of any new lodge in your jurisdiction. Be it five years ago, or 200 years ago. The Charter Members had two goals: Receiving dispensation from Grand Lodge to start a new lodge, and build a home. President Abraham Lincoln once said: “I like to see a man proud of the place in which he lives. I like to see a man live so that his place will be proud of him!”

I have asked, have we lost focus on maintaining our lodge buildings? Is the District more concerned in giving money away to other outside organizations than repairing our own lodge buildings? Is your lodge or district charitable project the highlight of the Masonic or District meeting? If so, have we lost our purpose?

The 2013 Annual Report of the Masonic Foundation of Ontario (MFO), Districts Projects that were registered with the MFO, raised and donated, \$348,742 for District charities (April 2012 to March 2013). The year before, the amount was \$373,769 - which totals \$722,511. In my view \$700,000 would put a lot of new roofs on our buildings or improve access for our brethren. I believe in charity, however, there is the well-known saying, Charity begins at home.

For many, many years, we wrestled with the increasingly poor conditions of our lodge meeting places. Financial, safety and liability concerns among others have been causing increased headaches not only within our Lodges, but also within Grand Lodge.

Lodge reporting forms were modified to include questions such as: premises ownership, whether there is a building or temple corporation, the degree to which the building is maintained, the degree to which building upgrades are required, does a building reserve fund exist? Is the building accessible to all? And other such areas as fire and liability insurance. Notable facts from this building data suggest:

- The percentage of lodges that own their building is almost equal in number to those renting space;
- The percentage of buildings that require major upgrades is relatively small;
- Accessibility is an issue in 60% of our buildings;
- Between 5% and 11% of our lodges do not carry fire and/or liability insurance; and
- Importantly Temple Corporations have not filed their annual corporate returns. This is too serious to be overlooked since failure to file the return within the prescribed time frame can expose the Masonic Hall Corporation to penalties and interest and even forfeiture of the corporate charter to the Crown.

So, what did we do with all this information? I already told you the reason why our members are not coming back, because they are ignored. Quite simply, I have asked the 552 Worshipful Masters, in this province to follow three simple objectives:

- Create a welcoming, friendly and supportive environment to all our members, but especially to our newest members, to create a positive atmosphere for learning,
- Utilized the skills of your membership, and

- Give them the opportunity to lead

We have the material to educate members about one of the most important aspects of Freemasonry, that is, education and a learning institution. We're great at gathering material but we have to improve disseminating it.

## DISCIPLINE

I am happy to report there were no Reviewing Committees or Trials conducted this Masonic Year. But I was surprised at the number of private piques and quarrels that exist within our jurisdiction. It is not the role of Grand Lodge to settle private disagreements. Grand Lodge should not be a mediator. Lodges must be places where members feel free to discuss their concerns openly, honestly and achieve a compromise. Surely charity, toleration, a little common sense and a big helping of brotherly love would produce a much better result for an aggrieved brother. As M.W. Bro. Norman Byrne said, the test may well be, "has this brother clearly and unequivocally offended Freemasonry generally? - Or is it just me!" A serious question that deserves a serious answer. In other words, leave your ego at home, or check it at the door before entering a lodge or better yet, practice outside the lodge those excellent precepts that are ever inculcated within it. I encourage every member to read the 15 Ancient Charge located on page 63 of the Book of Constitution (2013).

I should also like to mention here that the internet is not the place to discuss personal disputes. We all pledged to support our brethren's good names in their absence as we would do in their presence. As probably best said by Benjamin Franklin, "Remember to not only say the right thing in the right place but far more difficult still, to leave unsaid the wrong thing at the tempting moment". Forwarding an inappropriate message is just as concerning as to the author who originally sent the message. Brethren, delete those messages and don't be part of the problem.

### *Granite Lodge No. 352 Warrant Arrested by the Grand Master*

All brethren are bound by the Constitution of our jurisdiction. It is not Grand Lodge's Constitution. Obviously, Grand Lodge did not initiate or cause the dissension that exists at Granite Lodge, a number of its members themselves did. Numerous attempts by Past Grand Masters and their resources, have attempted, by means of due process, to assist Granite Lodge without resolution. The processes outline in Part Four of our Constitution have been exhausted. That being said, as Masons, we obligate ourselves by our *Book of The Work* to adhere to the lessons and principals of good conduct and good living.

The conduct within Granite Lodge has deteriorated over the years to a point we continue to have brother against brother resulting in further discourse amongst some of its members. This discourse has also radiated into the Community of Parry Sound. Grand Lodge is now receiving telephone calls from non-Masons regrading the members of Granite Lodge. Each brother involved in this long dispute has tarnished the reputation of Freemasonry, both internally and externally, and it is the innocent brother who is now the victim.

On Friday, June 6, 2014, I attended Granite Lodge and held a private meeting

with the Worshipful Master, Wardens and Secretary. As Grand Master, I am satisfied there is clear and convincing evidence to arrest the Warrant of Granite Lodge and suspend the operations thereof until this Grand Lodge Communication. I therefore recommend, if no written acceptable solution(s) is brought before the Grand Master, Deputy Grand Master and Grand Secretary on or before December 31, 2014, the Warrant shall be permanently revoked and the Lodge shall cease to exist. The Grand Secretary shall then forward a Certificate of Standing to each member of Granite Lodge.

## **APPRECIATIONS**

### ***Past Grand Masters***

As in lodge, the Worshipful Master turns to his Past Masters for assistance, guidance and advice. Likewise, I turn to the Past Grand Masters for their wisdom and suggestions. The Past Grand Masters continue to be a most valuable resource for our Grand Lodge. M.W. Past Grand Masters, I thank each of you for the wise counsel you have freely given to me over the past year and I look forward for you continued support.

One of our Past Grand Masters celebrated a milestone. In July 1983 M.W. Bro. Ronald E. Groshaw was installed as our Grand Master. Last March, the Brethren of York District held a gala event to honour M.W. Bro. Groshaw and his wife Barbara and brethren from far and near paid tribute to him, a man who so richly deserves, and is continuing the advancement of Freemasonry at the grass roots level, that is, at the lodge level. He can be seen nightly attending lodges in the Greater Toronto Area, participating in degrees, installations, fraternal and special visits. He is shining example of what Past Masters can be doing to ensure our lodges are active and healthy. He leads by example. Congratulations M.W. Bro. Groshaw.

### ***Custodian of the Work***

Being a member of Freemasonry means striving for improvement in all aspects of one's life, including the Mechanics of the Work and our Ritual. The performance of our Ritual and proficiency in the Mechanics of the Work makes our institution unique. I believe a lodge that is know for its good ritual, will attract and retain new members. Some may believe the Lodge of Instruction are just for "new Lodge Officers". That is not the case. I encourage all Master Masons, including Lodge Officers, Past Masters and even Past Grand Lodge Officers to seek out and attend one of the sessions offered by the Lodges of Instruction team under the direction of the Custodian of the Work, M.W. Bro. D. Garry Dowling, who strives to make sure no additions or alterations to our ritual occur except that authorized by the Ritual Committee. Take advantage of what the Lodges of Instruction has to offer you. You won't be disappointed and you will learn something new. Thank you M.W. Bro. Dowling for taking on this very import role, and congratulations on your first year as Custodian.

### ***Deputy Grand Master***

I am grateful for the advice I have received from R.W. Bro. John C. Green. We have maintained a close association with him as he served this Grand Lodge with

honour and distinction while travelling the province as our Deputy Grand Master. As the President of the Board and Chairman of the Management Committee he has championed the various Masonic programs to advance Freemasonry.

Under his chairmanship, the concept of the Management Committee has proven to be a big plus to the Grand Master. Grand Lodge programs were guided and administered by the combined efforts of wise and experienced brethren, rather than a solitary decision by a Grand Master, or a long delayed decision by a very large Board, who normally meet for meaningful discussions once a year.

Recommendations made by the Management Committee, or any committee in general, has to be approved by the Board. It's the Board who votes on all committee reports, recommendations and amendments to the Constitution and financial matters before they are presented to Grand Lodge who has the final authority. That hasn't changed, nor should it.

Our Deputy Grand Master has a unique ability to get work done through others while maintaining a smile on his face, followed by his thunderous laughter. I look forward to another exciting year.

### ***Members of the Board***

My sincere thanks are offered to the Members of the Board of General Purposes for their dedication and commitment in serving the brethren of Ontario. I am proud of your accomplishments as we move forward, as a team, working together.

Several members of the Board of General Purposes have decided to retire. R.W. Bro. Colin Heap had made a significant contribution for many years, writing executive summaries of other Grand Lodge Annual Communications as listed in the back of our Proceedings.

R.W. Bro. Norman G. McCarthy was known for his efficient skills as secretary on the Audit and Finance Committee. A senior Member of the Board who worked on several committees, and as a Director of the Masonic Holdings and the Masonic Foundation of Ontario.

R.W. Bro. Roland Morrow, chairman, Leadership Development Committee. R.W. Bro. Morrow and his committee over the past two years increased the awareness of leadership and what it means to be a leader in the 21<sup>st</sup> century.

R.W. Bro. A. Douglas Nichols has served as president of the Masonic Foundation of Ontario. His leadership skill has moved the Foundation forward and many organizations benefited from his tireless endeavours for the cause of good.

Our good wishes and grateful thanks are offered to R.W. Bro. Heap, McCarthy, Morrow and Nichols for their years of devoted service.

### ***District Deputy Grand Masters***

I would also like to thank the 44 District Deputy Grand Masters (DDGM) as the Grand Masters, representative in your respective Districts. Your service, with the assistance of the District Secretaries was very much appreciated, especially answering those time sensitive reports that had to be completed and keeping the lines of communication open between yourself and the Grand Lodge office.

The DDGMs throughout our jurisdiction are elected by their respective District members. Some districts hold an open election at the Annual Communication, while the other districts elect their DDGM on a lodge rotation system. Both systems work well and normally address the needs of the District. Too often a lodge waits until

the last minute to announce their selection as DDGM. I would suggest and recommend those districts on a lodge rotation system have a long term plan in place to ensure qualified candidates are known for the next 4 to 6 years in advance.

#### ***Elected Grand Lodge Officers***

I thank the Grand Senior Warden, R.W. Bro. Dale A. Graham, the Grand Junior Warden, R.W. Bro. Walter J. Drane and the Grand Registrar, R.W. Bro. Jacques C. Lacourse for taking on the duties and responsibilities of your office to a higher level. These brethren weren't just Grand Lodge Officers, they were mentors and teachers to the brethren who watched them perform their respective duties. We learn by watching others.

#### ***Grand Chaplain***

R.W. Bro. Bevan J. M. Carrique, my thanks for your dedication to the office of Chaplain and of your active participation throughout the year. You have delivered your pastoral duties with energy and enthusiasm attending many of the dedication ceremonies and District Divine Services and even had time to officiate over four "Masonic" marriages, one being the District Deputy Grand Master from Toronto East, R.W. Bro. David J. Heave. Reverend Sir, I personally thank you for practising your duties in that spirit of universal tolerance and your contribution to the Craft.

#### ***Grand Director of Ceremonies an Assistant Grand Director of Ceremonies***

The Assistant Grand Director of Ceremonies, V.W. Bro. Todd Owens with the support of his wife, Maureen, has attended to the many responsibilities of his office with great enthusiasm and profound attention whenever called upon. I will always cherish our friendship.

So quickly does time fly, that it does not seem very long ago that the Grand Director of Ceremonies and I started working together. I have been fortunate and honored to have R.W. Bro. Howard F. Adams as the Grand Director of Ceremonies. He was meticulous in every aspect of his duties to ensure the dignity of the office of Grand Master was always maintained. Throughout the year, normally when R.W. Bro. Adams spoke, the brethren listened. A gentleman, true friend and an outstanding "Aide de Camp!" Thank you R.W. Sir and to your lovely wife Mona for all your support and dedicated service.

#### ***Grand Secretary***

One thing I have learned this year working with our Grand Secretary, M.W. Bro. Terence Shand, the importance of Section 91 and the reason it was placed in the Constitution. The sheer volume of correspondence, emails and telephone calls, requests for dispensations and Constitutional questions and interpretations that comes to Grand Lodge is unbelievable. I have benefited from his experience, wise counsel and knowledgeable advise. Please give my personal thanks to your daughter, Kim, for helping me plan those events that needed a ladies touch. Grand Secretary, I look forward to another year working with you and the office staff.

#### ***Family***

I am envious to the Past Grand Masters, who were fortunate to have a team of six travelling with them throughout Ontario and beyond. Unfortunately that number,

for my tenure as Grand Master has been reduced to four. I can't tell when the last time a Grand Master was a widower but to add to this, the Grand Secretary is as well. You soon realize how important your spouse was as part of your team of support and encouragement. I thank those ladies who assisted me throughout my first year, and hopefully the Ladies Program will meet the high standards set in the past.

## CONCLUSION

Brethren, I would also ask you to consider your life balance. I know what it's like losing someone you truly love. Ask yourself, "How is my life?" Because if it is not balanced, you cannot give Freemasonry your best.

If you're not a good father, husband, brother, son, friend or neighbour, chances are you won't be a good Mason. Remember family and work obligations come first, but work hard for your lodge.

I have asked all our grand lodge officers not be out every night. I worry that many great leaders won't take on the challenge to be DDGM or a Member of the Board, or ultimately, Grand Master, because they think they must be our every night. Brethren, live life wide and stay in balance.

I conclude by slightly altering a quote made by Geraldine Feraro: *If you take advantage of everything Freemasonry has to offer, there's nothing you can't accomplish.*

Brethren, as we move on, let's be the Mason you want Grand Lodge to represent.

Donald A. Campbell  
Grand Master

## Independent Auditor's Report

To the Most Worshipful Grand Master, Officers and Members of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc.

Most Worshipful Sir and Brethren:

We have audited the accompanying financial statements of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc., which comprise the statement of financial position as at April 30, 2014, and statement of operations and change in fund balance, statement of operations and changes in fund balances for the General and Segregated Funds, statement of expenses – General Fund, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. as at April 30, 2014 and the results of its operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## Notes to the financial statements

### 1. Description of the Organization

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. (the "Organization") is a not-for-profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The Organization is exempt from income tax under section 149 of the Income Tax Act.

### 2. Significant accounting policies

#### *Fund accounting*

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. follows the restricted fund method of accounting for contributions.

The General Fund reports the Organization's administrative activities.

Revenues and expenses related to the 175th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are combined and reported in the Segregated Fund.

#### *Cash and cash equivalents*

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition.

#### *Capital assets*

Capital assets are recorded at cost less accumulated amortization. Only expenditures in excess of \$5,000 are capitalized. Amortization is provided using the straight-line method over the useful life of the assets as follows:

Computer equipment and workstations	3 years
-------------------------------------	---------

#### *Revenue recognition*

Restricted contributions related to general operations are deferred or recognized as revenue of the General fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

#### *Financial instruments*

The Organization's financial instruments are comprised of cash and cash equivalents, funds held for committees, accrued dues, receivables, investments, notes receivable and accounts payable and accruals.

Cash and cash equivalents, funds held for committees and investments are initially recognized at fair value when the Organization becomes a party to the contractual provisions of the financial instrument. Subsequently, they are carried at fair value with changes in fair value recorded in the statement of operations. All other financial instruments are measured at amortized cost.

# Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc.

## Notes to the financial statements

### 2. Significant accounting policies (continued)

#### *Financial instruments (continued)*

Transaction costs related to financial instruments measured subsequent to initial recognition at fair value are expensed as incurred. Transaction costs related to other financial instruments are added to the carrying value of the asset or netted against the carrying of the liability and are then recognized over the expected life of the instrument using the effective interest method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the effective interest method and recognized in operations as interest income or expense.

With respect to financial assets measured at cost or amortized cost, the Organization recognizes in operations an impairment loss, if any, when there are indicators of impairment and it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to operations in the period the reversal occurs.

#### *Use of estimates*

In preparing the Organization's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates. Significant areas requiring management estimates include amortization of capital assets, determination of useful lives of assets and calculation of accrued liabilities.

## REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

*This Report was presented by R.W. Bro. J. C. Sutherland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. J. C. Sutherland, it was adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to report that the good news reported by this committee last year has continued. In 2011 this committee and the Grand Treasurer promised to not raise the Grand Lodge Assessment for five years. Last year I reported we were on track to keep that promise. Barring a significant future event, the financial projections for your Grand Lodge indicate that we may be able to push out the date of the next assessment increase beyond 2016. There are several reasons for this: Your Grand Lodge Committees and the Grand Lodge Office continue to be prudent in the expenditure of the funds assigned to them; The Grand Lodge Committees and the Grand Lodge Office are to be commended for holding expenses under the budgeted amounts; Strong stock market gains of the past year have lead to an increase in the assets of Grand Lodge.

The following tasks were completed by your Audit & Finance Committee during the past Masonic Year.

1. Financial Statements of all Grand Lodge Funds were reviewed on a monthly basis.
2. The annual reports of the Grand Secretary and the Grand Treasurer were reviewed and your committee recommends the adoption of these reports.
3. The Investment Policy Statement was reviewed and updated.
4. Financial Statements for the College of Freemasonry and the Newsletter Reflections were monitored quarterly. As of April 30, 2014 Grand Lodge held in trust for the College of Freemasonry \$31,003 and for the Newsletter Reflections \$12,916.
5. Grand Lodge insurance policies, The Grand Lodge Insurance Program and the Grand Lodge Pension Plan were reviewed. The number of participants in the Grand Lodge Insurance Program continues to grow. There are 2 Districts and 216 Lodges and Concordant Bodies participating in the program. Premium rates have remained unchanged for the past 5 years. This may change in the future due to several large losses that occurred during the past year. This program is now also being used by the Grand Lodge of Alberta.
6. Grand Lodge Staff salaries were reviewed.
7. A rolling 5 year Budget for Grand Lodge was updated.
8. A balanced budget was established for Grand Lodge for the 2014-2015 Masonic Year.

No new projects were undertaken during the past year. Due to continuing low interest rates, the income generated by the Memorial Fund for benevolence remains under pressure;. In an effort to increase the funds available for benevolence Grand Lodge will absorb the administration fee charged to this fund.

### COMMITTEE RECOMMENDATIONS:

1. Due to the changing members assigned to Grand Lodge Committees. Especially to those committees handling money, it is recommended that the collection and tracking of funds for the College of Freemasonry and the Newsletter Reflections be taken over by the Grand Lodge Office once PayPal capability has been instituted. The members of these two committees should not have to worry about accounting matters. They should focus all their attention on the mandates of these two committees.

2. This committee continues to recommend the need to look to the future and plan for a restructuring of the Grand Lodge Office to prepare for succession planning and changing circumstances.

### **INVESTMENT PORTFOLIO:**

Your committee met with 1832 Asset Management L.P. (previous name Scotia Asset Management L.P.) three times during the year to review our investments and the income generated by those investments. As of April 30, 2014 the General Fund of Grand Lodge stood at \$2,432,199 as compared to \$2,007,837 on April 30, 2013. The other Funds under purview of this committee totaled an additional \$3,015,898 as detailed in the notes of the audited financial statements. The overall Investment Portfolio of Grand Lodge as of April 30, 2014 stood at \$5,448,097 compared to \$4,759,507 on April 30, 2013. All investments have been marked to market value. We recommend, along with the Grand Treasurer, that 1832 Asset Management L.P. continue to be engaged as the Grand Lodge portfolio manager.

### **FINANCIAL STATEMENTS:**

The audited financial statements of Grand Lodge for the year ended April 30, 2014 were reviewed and discussed in detail with our auditors, Deloitte L.L.P. at a June 4, 2014 meeting of the Audit & Finance Committee. These audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2014, the General Fund of Grand Lodge experienced before the application of unrealized capital gains or losses on investments an excess of revenue over expenses of \$240,399 for fiscal 2013 to 2014. This compares with an excess of revenue over expenses of \$316,426 for fiscal 2012 to 2013. The consolidated financial statement for all our funds shows an excess of revenue over expenses of \$277,813 before the application of unrealized capital gains or losses on investments.

The committee recommends that the audited financial statements for the year ended April 30, 2014, be adopted as submitted. We also recommend the continued engagement of Deloitte L.L.P. as our auditors. We thank our auditor David Tonin CA and his team for conducting the audit to meet the time lines required by Grand Lodge.

### **BUDGET 2014-2015:**

The requirements of all Grand Lodge Committees were used in the preparation of the annual budget for Grand Lodge for the year ending April 30, 2015. The requirements of the Grand Lodge Committees for the coming Masonic year total \$114,808.

The budget for the General Fund for the coming year is set out in the appendix of this report which reflects anticipated revenue of \$942,967 and expenses of \$943,208 before the application of unrealized gains or losses on investments. This is a balanced budget.

Your committee submits for consideration and approval the estimate of revenue and expenses as they relate to the General Fund for the period ending April 30, 2015. The committee believes that the budget set out in this report is realistic and provides for items that can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the coming year.

### **CHARITABLE DONATIONS:**

Your committee reviewed the donations made by the Grand Master on behalf of our Grand Lodge. The donations totaled \$1,000 to the Philippines.

I would like to thank those members of my committee, R.W. Bros. T. Hogeboom. P. McGrenere, B. Koivu, M. Stoiko, V. W. Bros. P. Skazin, and A. Stoddart for all their hard work and dedication during the past Masonic Year. To the Grand Secretary and the staff of Grand Lodge your assistance during the past year is greatly appreciated. To the Ex-Officio members M. W. Bro., Donald A. Campbell. R. W. Bros. John C. Green and David Armstrong your attendance, interest and input is greatly valued by this committee.

Respectfully and fraternally submitted on behalf of the committee.

JAMES C. SUTHERLAND, Chairman

## REPORT OF THE GRAND TREASURER

*This Report was presented by R.W. Bro. T. W. Hogeboom, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. T. W. Hogeboom, it was adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again this year, at the 159<sup>th</sup> session of our Annual Communication, I have the honour and pleasure to submit the Grand Treasurer's Report for the Masonic year 2013 – 2014. Once again this year I can assure you that as the 'Financial Conscience of our Grand Lodge,' the finances of our Grand Lodge are in a sound and satisfactory state and that the bottom line indicates further growth in our financial assets. It also gives me a great deal of pleasure to be able to repeat my comment from last year that those responsible for the administration of the affairs of your Grand Lodge are worthy of much credit for the excellent financial statements and unmodified audit that is printed in these Proceedings.

The foundation of our sound financial position is due in no small part to the professional management of the Grand Lodge investment portfolio under the direction of our Portfolio Manager, Marcia Wisniewski, of Scotia Private Client Group 1832 Asset Management L.P. Again, we have been most pleased with the wisdom and care exhibited in the management of these funds and recommend the approval of our continuing this relationship on the existing terms.

As for the Grand Lodge investment strategy, our asset allocation ranges in our investment Policy Statement have been changed to allow for a heavier weight of equities. As of October 2013, the minimum and maximum allocation for bond investments was changed from a 25 to 75% range to a 15 to 65%. Consequently, the equity exposure was changed at the same time from a 25 to 55% range to a 30 to 70% range. This change of investment strategy has resulted in a real time swing of over 32% of our investments from the bond market to the equity market from the end of the last fiscal year to that just recently closed on April 30, 2014. Even with this advice and the current trending marketplace, you can rest assured that your Grand Lodge will continue to invest prudently and conservatively enough to never risk the advantages made in this area by our predecessors.

At our last investment portfolio review for the year ending April 30, 2014, Scotia noted an increase in our portfolio percentage yield at year end of 3.05%. Our combined portfolio asset base in the last fiscal year increased by \$595,336 to a closing market value of \$5,513,627. For the 2014-2015 portfolio year, Scotia is projecting a modest rate of return of 4.85% or a cash return of \$267,411 less the management fees of 65 basis points.

We wish to express our sincere appreciation to the Grand Secretary, M.W. Bro. Terence Shand, and his staff again this year for having a 'clean/unmodified' audit by Deloitte. It is very comforting to your Grand Treasurer to hear David Tonin report from our audit firm that the significant accounting practices, selected and applied by management are, in all material respects, acceptable under Canadian accounting standards for Not-For-Profit Organizations and are appropriate to the particular circumstances of Grand Lodge.

The Audit and Finance Committee of our Grand Lodge, under the chairmanship of R.W. Bro. James Sutherland, continues to review monthly, report to the Management Committee and the Board of General Purposes of our Grand Lodge when called upon and reports annually to the membership as a whole on all sources of income and items of expenditure. This job of managing every financial aspect of what is a very successful business with a budget in excess of \$943,000 per year is a daunting task and we must recognize all those volunteers involved, the Grand Lodge Committee Chairman and the Grand Lodge staff who monitor and manage within these boundaries. We commend each of those involved for their stewardship and commitment to the financial stability of our Grand Lodge. I continue to pledge my support and thanks to each and every Grand Lodge Committee Chairman and the Grand Secretary who spend so much time detailing accurate and accountable annual budgets and then living within them as approved by the Management Committee and the Grand Master.

Sincerely and fraternally submitted,

THOMAS W. HOGEBROOM, Grand Treasurer

## REPORT OF THE MANAGEMENT COMMITTEE

*This Report was presented by R.W. Bro. J. C. Green, Chairman, and on motion of R.W. Bro. D. M. Sheen seconded by R.W. Bro. J. C. Green it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As president of the Board of General Purposes and Chairman of the Management Committee I wish to thank the members of the Board who spend a significant amount of time, as well as their abilities, to serve our Grand Lodge in various capacities such as Committee Chairmen, Team leaders and other duties as assigned. On behalf of the Management Committee we appreciate all you have done for our Grand Lodge. I also want to express thanks to our Grand Master for your guidance and support. I would be remiss if I didn't thank the Past Grand Masters for their guidance and wise counsel during this past year.

The Management committee held 5 meetings addressing a great number of important issues to our Grand Jurisdiction now and well into the future. The Management Committee operates according to the Book of Constitution Section 136(1). The appointed members of the committee are R.W. Bros. Ed Standish and David Cameron. The Elected members are R.W. Bros. John Hay and David Sheen. R.W. Bro. Paul Todd acts as the fifth member - liaison member to complete the three year term caused by my election as Deputy Grand Master. To fill the void on that committee, The Grand Master appointed R.W. Bro. Todd after the 2013 Grand Lodge Communication. I want to say thank you to these dedicated masons who serve as an advisory to the Grand Master and our Grand Lodge. The entire Management committee played vital roles for Freemasonry in Ontario.

The Management Committee acted as Liaisons reporting on various activities of the Grand Lodge committees through the committee chairmen who were designated into these five pillars.

### **CRAFT STEWARDSHIP LIAISON; R.W. BRO. PAUL TODD**

Craft Stewardship includes the following: Long Range Planning, Condition of Masonry, fraternal Correspondence, D.D.G.M. Orientation and Seminars and Workshops

### **MEMBERSHIP LIAISON; R.W. BRO. DAVID CAMERON**

These committees are Leadership Development, Protocol & Etiquette who also works with the Custodian of the Work, Lodge Resources which includes (Brother to Brother, Friend to Friend, Mentors, Officer Progression and Cornerstone). Education involves Library, Museum and Archives, Masonic Education, College of Freemasonry, Reflections Newsletter and Book sales.

### **COMMUNICATION LIAISON; R.W. BRO. JOHN HAY**

Communications, Internal Communications, Website, Publishing Review and the Ontario Mason are the vehicles we use to provide information to our lodges and members with a great variety of Masonic activities of interest.

### **OPERATIONS LIAISON; R.W. BRO. ED STANDISH**

Operations has two distinct references - Financial and Operations. Finance includes Audit & Finance and Lodge Finances. The Operations portion pertains to Constitution & Jurisprudence, Discipline, Benevolence, Building Infrastructure and Fraternal Relations.

### **COMMUNITY OUTREACH; LIAISON R.W. BRO. DAVID SHEEN**

This pillar pertains mostly to committees that have the greatest exposure to the public such as Blood Donors, Brock University Partnership, Youth Initiatives and Public Awareness.

### **2013-2014 TACTICAL PLAN**

The annual Tactical plan has set out a number of goals that will hopefully direct our fraternity towards a positive direction, improving various aspects of Masonry well into the future. Thank you to the large number of member participants involved for their generous contribution of time and talent to resolve these initiatives.

### **CRAFT STEWARDSHIP:**

1. Introduce Leadership Training Course for Members of the Board of General Purposes.

2. Develop Training/Instruction to improve quality of Ritual through Lodges of Instruction.

#### **MEMBERSHIP:**

1. Investigate why new members are leaving the Craft prior to receiving their second degree.

2. Develop a guiding document for use by Sponsors and Committees of Inquiry.

#### **COMMUNICATIONS:**

1. Develop an Event Triggering notification system through the Members area of the website.

2. Introduce Online Ontario Masonic Magazine.

#### **COMMUNITY OUTREACH:**

1. Examine options and provide recommendations for the necessary fundraising for the Brock University Partnership.

2. Develop an External Communications Strategy and provide recommendations for engagement within our communities.

At the writing of this report six of eight projects are complete and I anticipate a seventh will reach fruition by June 1<sup>st</sup>. The remaining plan talks of an improved ritual that is an ongoing project with continued emphasis on ritual to be presented with pride, dignity and decorum.

Accomplishments that the Management Committee is recommending to the Board for approval are as follows:

Continued information provided to our Grand Jurisdiction by way of an electronic version of the Ontario Mason Magazine on the Grand Lodge website four times per year. This is somewhat new to our Grand Lodge but looking into the future acquiring masonic information via such a venue will become quite common to the majority of our membership. We also recommend making these available in an archive for future reference.

We suggest that a Leadership Development Seminar for members of the Board of General Purposes. A similar the program was presented in early March of this year as a pilot program to be continued in a manner and needs at the time. The seminar included a keynote speaker Dr. David Naylor whose enlightening speech introduced the qualities and indicators of Leadership. This was a truly enlightening event for all who attended. As times change, the committee will determine the formats required.

Management wants to recognize the Communications Strategy that was developed offering a variety of situations that Freemasonry can do to project its principles that will enhance our image internally and to some extent externally. This Strategy should be reviewed annually to look at any possible improvements.

Many of you expressed an interest in being a part of an International Conference of Freemasonry. This event was supposed to take place at Brock University in 2015. However due to conflicts which were out of our control we were prevented from doing so. An effort will be made to have this event in 2016. We have been offered very strong support from Brock University and many of their staff. Management supports the Brock partnership Committee to pursue the possibilities.

#### **PAST MASTER'S COURSE:**

In my capacity as Deputy Grand Master I directed an Adhoc Committee, on behalf of the Management Committee, to review and revisit the Past Master's Course. The committee is comprised of Board members who are quite familiar with the criteria. R.W. Bro. Brian Koivu [Chairman] as well as R.W. Bros. David Cameron, Charles Woods, Tom Siemiernik and Paul Todd. These brethren have been working on this matter for quite some time and the results will be announced at Grand Lodge in July.

As mentioned in the report I appointed an ad hoc committee to review the criteria for Past Masters course and I once again want thank them for the effective manner in which approached the challenge presented to them. I am pleased to announce today that course has been revisited with the approval of this report that Past Masters Course will have six modules instead of eleven.

On completion of Modules 7,12,13,14, 15, and 18 a certificate of completion will be issued to that member.

The brethren currently enrolled in the P.M. course prior to July 16, 2014 will only have to complete the aforementioned 6 modules providing they complete the revised module 18 with a version date of July 18, 2014 (version 3.0 higher). The newer/revised module will be disseminated to those brethren after that date.

Any Brother who has completed additional modules (E.G. module No. 1 Benevolence) in the past under the old P.M. course curriculum, will be credited with its completion when he pursues the completion of other courses of the College of Freemasonry.

#### **SEMINAR & WORKSHOP:**

There are a possible TEN projects that are presented for the 2014-2015 Tactical Plan in this report. We will be presenting EIGHT preferred projects Tuesday after lunch and TWO optional. I want thank those who took the time to submit their thoughts for consideration. All other submissions will be considered for a future time in our Tactical Plan process. I want to thank R.W. Bro. Steven Warren and the committee for their effort putting this plan together for consideration.

On behalf of the Grand Master and myself I am announcing today that Grand Lodge is putting seminars and workshops back on the road again after a number of years under the leadership of the Seminars and Workshop Committee. There are two reasons for this action. First we want to show the membership at large our willingness to bring the programs of Grand Lodge out to the various geographic areas of the province and as a result we hope more Masons will take advantage of the opportunity to gain more Masonic knowledge closer to home that will if successful will result in a better educated and informed membership. We are willing to proceed with this venture but the continuance in future years will depend on the manner in which the membership responds by attending.

It is hope that providing information such as Masonic Education, Finance Advisory, Long range Planning and Lodge Resources closer to home will stimulate the general membership.

One item I wish to address is **BUILDING COMPLIANCE**. I am sure you are all quite familiar with this initiative that was started a couple of years ago. I am disappointed to report that there are a number of districts that have not indicated that their lodge buildings have reached compliance. Brethren, this issue is not going to go away. To ensure that our buildings and members are protected from fire is a most honourable and important action. I must say there are examples of some wonderful improvements that some lodges have completed and the brethren have derived comfort and pride in their much improved Masonic center.

The Management Committee has also accepted and approved the Reference Guide for members of the Board of General Purpose a result of Leadership Development Committee time and effort. This document will be of great value to our Grand Lodge in the future and amending it when necessary will be quite easy.

I also want to inform you that Candidate bios will be posted on the Grand Lodge website by the first week in June if the respective candidate chooses to participate. This is a popular use of the website and would like it to continue.

On Tuesday July 15<sup>th</sup> there will be an opportunity to meet the candidates running for Grand Lodge Offices. This will take place at the Royal York Hotel, Salon A located on the convention floor between the hours of 7:00 PM –8:30 PM.

These two venues provide an opportunity for the delegates to meet and better understand those running for a Grand Lodger office.

#### **TACTICAL PLAN 2014-2015**

R.W. Bro. Steven Warren and his Long Range Planning Committee have put together a number of items to be considered for our next Tactical Plan. These plans are a genuine effort to study and propose strategies that might possibly enhance our craft or establish new directives where deemed necessary. The following are recommended for consideration to the Board of General Purposes then to Grand Lodge for approval.

#### **INVESTIGATE AND DEVELOP PLAN TO DEAL WITH ISSUES AROUND OFFICER PROGRESSION**

Emphasize the program that enhance officer progress as part of an ongoing attempt to prepare lodge officers for their future responsibilities.

### **LEADERSHIP DEVELOPMENT FOR NEW D.D.G.M.'S**

Investigate and develop a workshop on leadership competencies. It could be a revised version of the seminar that was developed for Board Members.

### **EFFECTIVELY INTEGRATE NEW BOARD MEMBERS INTO THE GRAND LODGE ORGANIZATIONAL EXPERIENCE AS OUTLINED IN THE REFERENCE GUIDE.**

Create a venue by Grand Lodge that would further introduce the services and operation of Grand Lodge office by the Grand Secretary as per the Reference Guide recently approved by the Management Committee.

### **BEST PRACTICES FOR DEVELOPING NEW MASONS**

Grand Lodge to engage in a review of best practices for preparing Masons for progression from Entered apprentice to Master Mason and that this information be published and posted on the members area section of my Grand Lodge when approved by Grand Lodge.

### **REVIEW AND AMEND THE LODGE SECRETARY'S RESOURCE MANUAL**

Study the manual and recommend any changes. When review is completed have the manual reprinted by possibly posting it on the new website. This is recommended as there seems to be a large turnover of Lodge Secretaries. Many of these new secretaries do not know such a manual exists.

### **LONG RANGE PLANNING INTO DISTRICTS AND LODGES**

The purpose is to introduce Long Range Planning into Districts and Lodges. The LRP toolbox is on the website. A Tactical Plan project would off the web and into the districts.

### **EXPAND SEMINARS AND WORKSHOPS BACK INTO THE DISTRICTS DURING THE YEAR.**

To provide valuable information to the smaller regions and districts have Workshops and Seminars to help bring Grand Lodge out to the membership.

### **SYSTEMATIC AND PLANNED DISTRIBUTION OF INFORMATION TO TARGET AUDIENCES**

There is large amount information that is distributed and sometimes there might appear to be an overload. This project would recognize there are two target audiences

1. Past and Present GLOs, D.D.G.M.s, and BoGP, GL Chairmen and Team Leaders.
2. General Membership.

Directing information to a target group will streamline our correspondence to its proper destination.

### **PRE-SCREENING PROTOCOL FOR NEW MEMBERS/APPLICANTS**

Quite often because we are anxious to get new members to serve on the committee of inquiry, interviews are not conducted as thoroughly as should be ie inform applicants of costs and expectations. Through an "Official Pre-Screening Program", there would be specific guidelines to insure the neutrality of this process.

### **RE-VISIT APPLICATION FORMS**

The reason would be to request pertinent information that would serve as permission for the transmission of names, addresses, ages, email and occupation while in keeping with the PRIVACY LEGISLATION understanding many don't wish their postal address and email made public.

There may be a couple of other submissions by Grand Lodge based around standard fees and possible consideration to amend some criteria for the College of Freemasonry.

As Chairman of the Management Committee I want express my appreciation and thanks to those dedicated members of the Management Committee for their cooperation and support. My experience of working with you as an advisory group has been an enlightening experience.

All of which is respectfully submitted on behalf of: M.W. Bro. Donald A Campbell-Grand Master, M.W. Bro Terence Shand-Grand Secretary, R.W. Bros. Thomas W. Hogeboom-Grand Treasurer, R.W. Bro. James C. Sutherland-Chairman of Audit and Finance and Committee members David M. Sheen, John L. Hay, H. Edward Standish, David J. Cameron and Paul E. Todd.

Respectfully submitted

JOHN C. GREEN, Chairman

Several presentations and group discussions included; “Membership Development and Retention”, “Social Media”, “Traditional Observance Lodges”, “Use of a Masonic Directory”, “Freemasons University” and “Open Air Mic - What’s on your minds G.S.”.

In April 2014, I accompanied our Grand Master and Deputy Grand Master to the “All Canada Conference” held at Winnipeg. The theme, “Where Once We Stood”. ## SEMI-ANNUAL RETURNS

As of this writing, one Semi-Annual Return, due January 8, 2014, has not been received at the Grand Lodge office. Subsequently, the July 8<sup>th</sup> return form has not been mailed, negating the three principal officers an opportunity to vote at this Communication. A reminder . . . Section 300, Book of Constitution states, “Each lodge shall mail or otherwise deliver to the Grand Secretary, its returns and payments to Grand Lodge, semi-annually, on or before the 8<sup>th</sup> day of January and the 8<sup>th</sup> day of July each year.” Please consider this responsibility an important one, particularly when considered in relation to Section 152 (p) Constitution of Grand Lodge, adopted July 2009. It is essential that the replacement of the Lodge Secretary receive adequate information and training prior to assuming his arduous duties and not just left with several boxes of secretary data at his feet. Secretary Seminars are available to lodges, upon request of the District Deputy Grand Master.

## CLOSING REMARKS

The Grand Lodge staff consisting of; Mrs Gail Nickerson, Mrs Stacey Birks, Mrs Rosalyn Siegel and Mrs Kathy White, are dedicated team players who take great pride in the service they provide while contributing to the *esprit de corps* enjoyed in daily office activities.

We thank the great majority of lodge secretaries for the stellar service provided to their respective lodge. We commend those of you who conscientiously submit the required data and information in a timely manner. To all those having dealings at the office, our thanks for your cooperation as we endeavor to provide the essential services necessary.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

## **REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS**

Forty-four reports of the District Deputy Grand Masters were presented to the Deputy Grand Master and, on motion of Grand Secretary, seconded by R.W. Bro. R. E. Groshaw they were referred to the Board of General Purposes.

### **REPORT OF THE DISCIPLINE COMMITTEE**

*This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. D. E. Jacklin, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year there were no Masonic trials or appeals from verdicts of Masonic trials. There was one request for a Certificate of Severance which was granted.

Private piques and quarrels continue to be a plague. Much valuable time and resources of Grand Lodge is spent dealing with these. We should all keep in mind the Apron Charge in the First Degree and our obligations.

The Committee also considered certain actions taken by the Grand Master and fully support his decisions.

The Committee also had its attention drawn to instances of irregular balloting procedures being practiced in a number of Lodges. These could lead to serious consequences for the Lodges involved. The Constitution is clear on the proper procedure and we would also commend to you the discussion of this topic in the Protocol and Etiquette Newsletter which sets out the correct procedure to be followed.

Your committee commends both the Grand Master and Grand Secretary for dealing with discipline matters in a fair and expeditious manner.

As Committee Chairman, I extend my thanks for the wise counsel of the members.

Respectfully submitted on behalf of the committee.

DAVID E. JACKLIN, Chairman

### **REPORT OF THE GRAND CHAPLAIN**

*This Report was presented by R.W. Bro. Beven J. M. Carrique, Grand Chaplain*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

My very heartfelt thank you to our Grand Master Donald A. Campbell for the great honour of having been appointed the Grand Chaplain for 2013-2014.

I have had the privilege of serving the Members of our Craft in participating in 4 Divine Services, performing 4 marriages and sadly too many funeral services.

Marilyn and I have traveled the province in attending Grand Master's Receptions, Anniversaries, Amalgamations, special presentations, and other auspicious occasions. We have met so many great brethren and their wives and have always felt so welcome. These wonderful memories will always remain in our hearts.

It is truly an honour to belong to such a great body of men and have the opportunity to work for the good of our Craft. I thank the good Lord for allowing me to serve as Grand Chaplain and may he continue to bless our order in making good men better through our Masonic teachings.

Respectfully and fraternally submitted.

REV. BEVAN J.M. CARRIQUE, Grand Chaplain

## REPORT ON THE MASONIC FOUNDATION OF ONTARIO

*This Report was presented by R.W. Bro. A. Douglas Nichols, President*

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Report does not appear in the Preliminary Reports and Fraternal Reviews of Grand Lodge.

On behalf of the Board of Directors, I am pleased to present this report on The Masonic Foundation of Ontario to the one hundred and fifty-ninth Annual Communication of Grand Lodge. M. W. The Grand Master, I take great pleasure in officially presenting to you a copy of the 2014 Annual Report of The Masonic Foundation of Ontario as well as our new book *A History of the First Fifty Years of the Masonic Foundation of Ontario*.

### Year in Review

The highlight of the year was the celebration of the Foundation's fiftieth anniversary at a banquet here on Monday evening with over 150 members and guests in attendance. Our celebration was highlighted by the release of our book *A History of the First Fifty Years of The Masonic Foundation of Ontario*, written by one of our Past Presidents, R.W. Bro. Ronald Campbell. This book incorporates the history of the first twenty-five years, *For the Cause of Good*, written by R.W. Bro. Wallace McLeod, and, on behalf of the members of the Foundation, I thank them for their work in documenting our history. The new book is available at no charge from the Foundation.

Also, at the celebratory dinner on Monday night, the Grand Master and Deputy Grand Master pledged their full support behind funding medical research into prostate cancer. The fundraising goal for this **prostate cancer research program** is \$1,000,000 to be raised over the next ten years. We raised over \$1,000,000 before and with your help, we will do it again. I urge each of you to pick up some brochures and share them with your family and friends. Learn more about prostate cancer and support the search for a cure. Gentlemen, it is time to remove the darkness of denial and deal with this cancer. With your support, we can achieve our goal. We need your help.

On Tuesday morning, it was my privilege to preside over the fifty-first annual general meeting of The Masonic Foundation of Ontario and present the **2014 Annual Report** to the assembled members and guests. The annual report highlights the regular, ongoing activities of the Foundation, as described by the Directors and Committee chairmen, and I highly recommend it to your perusal and for you to share it with your friends and family. The report was widely circulated at the Foundation's information booth, and extra copies are available from the Foundation's office. All lodges in Ontario will be furnished with a copy and the report has been posted on the Foundation's website ([masonicfoundation.on.ca](http://masonicfoundation.on.ca)). There is also a link to the website through the Grand Lodge website. As you read through the report, you will appreciate the wide spectrum of social needs addressed by the Foundation. As mentioned, the focus of the fundraising will be for **prostate cancer research**, however, the present funding for established programs will not be affected.

This year has been another year of accomplishments and advances for the Foundation. I have already drawn your attention to the prostate cancer research program, which is in its third year. The college bursary program has been very well received and promoted by the colleges that have received funding. Mel Duke deserves much of the credit for its success since he worked with the colleges in crafting the arrangements for the grants.

For many years the Foundation has supported the work of youth programs and this year was no exception. Scouts Canada, The Girl Guides of Canada, 4H, De Molay, and Rainbow for Girls were recipients of grants this year to assist them in developing the potential of our youth. In addition to these programs, the annual report highlights the continuing programs supported by the Foundation. As you read through these reports you will appreciate the

great work of the various recipients of your funding. Your Directors vigilantly oversee the programs to ensure your donations are used efficiently and effectively.

Financially, the Foundation's capital base has grown to nearly \$15 million, and this growth has been achieved through many bequests received and investment of capital gains realized over the past several decades.

We were very pleased that many District charity projects were registered with the Foundation and received, or will receive, a financial bonus from the Foundation upon presentation of the proceeds of their work to their supported charities. District charity projects are important in making communities better places, and the Foundation encourages, and is very supportive of, this activity. We thank the District Deputy Grand Masters and their fundraisers for their hard work. The primary objective of these charitable activities is to meet and work together in the peace, harmony, and fraternal affection which characterize our great fraternity.

### **Appreciation**

The Foundation is grateful for the tremendous support of The Grand Master, the Deputy Grand Master, and indeed, all Grand Lodge officers.

On Tuesday, Vice-President Brian Koivu completed his six-year term as a Director and retired from the Board, however he agreed to stay on as Treasurer, replacing Ed Standish who is stepping down. We thank them for many years of faithful service.

The Foundation could not function without the support of our dedicated staff. We are fortunate to have Mel Duke, Secretary, and Marlene Victor, administrative assistant. Their loyalty and devotion is very much appreciated, and the Directors salute them for their hard work.

### **Looking Ahead**

On a personal note, a year ago I advised the Board that this would be my last year as a Director and President. I have been blessed with the support and confidence of the Board of Directors and am thankful for their devotion to the Foundation. My thirteen years with the Foundation, the last five of which were as President, have been most rewarding. We have accomplished much, but there is much more to do.

Yesterday the Board welcomed three new Directors, James Anderson, Darren Byrne, and Thomas Siemiernik, and elected Allan C. Dvorak as President of the Foundation. I have the utmost confidence that Al and his team will lead the Foundation to greater things in the future and will maintain the Foundation as the **charity of choice of the Masons of Ontario...for the cause of good.**

All of which is respectfully submitted on behalf of the Board of Directors, Officers, and Committee Chairmen of The Masonic Foundation of Ontario.

A. DOUGLAS NICHOLS, *President*

### **REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS**

*On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. A. J. Petrisor, seconded by M.W. Bro. G. L. Atkinson, and adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

It is my privilege this year, on behalf of the committee composed of the Past Grand Masters, to present the report on the Grand Master's address.

Our Grand Master opens his address by extending a welcome to our members and to our invited guests from other jurisdictions as well as the family of Freemasonry. We, too, appreciate your presence and hope you will enjoy your time with us.

Of the many brethren who pass to the Grand Lodge above each year our Grand Master

has taken the time to publicly recognize a few masons who have been a prominent part of his life and in many cases ours as well. We join with him in sharing his sense of loss.

We agree with his awarding of Past Rank to two Masons unable to complete their year as Worshipful Master and to his conferring the rank of R.W. Past Grand Senior Warden on two deserving brothers. We congratulate our Grand Master on being made an Honorary Past First Principal of the Royal Arch Masons and being coroneted an Honorary Inspector General 33° of the Supreme Council of Scottish Rite of Freemasonry.

For those brethren who act selflessly in their lodges but do not wish to become the Worshipful Master, the highest honour given is the William Mercer Wilson Medal, named after our First Grand Master. We congratulate those five who have received this prestigious award during the past year and are sorry to hear that one has passed to the Grand Lodge above.

The Grand Master's Meritorious Service Award is given in recognition of exceptional service and we are in complete agreement with our Grand Master's selections of R.W. Bro.s George Burt, Robert Johnston and David Martin.

Several Lodges have attained or are about to attain 100 years of existence at which time our Grand Master has granted them permission to wear gold trimmed regalia in recognition thereof and we also congratulate those Lodges on reaching this milestone.

Many other Lodges have celebrated varying anniversaries from 50 to 200 years with representation by our Grand Master and other Grand Lodge Officers. As these are important times in the life of a Lodge we wholly support their attendance.

Our Grand Lodge continues the tradition of having Grand Representatives to and from different Grand Lodges around the world and the Grand Master, accordingly, has recommended representatives on both sides. We support this action.

Our Grand Master reports that he attended a public unveiling of an important Provincial memorial plaque recognizing M.W. Bro. William Mercer Wilson, our first Grand Master, without whose vision our Grand Lodge would not have come into existence. It is located on Highway 24 at St John's Anglican Church, Woodhouse, where his remains are interred near Simcoe, Ontario. We are pleased our Grand Master was able to participate and we also extend our thanks to Worshipful Bro. Rob Foote, to Heritage Research Lodge No. 730, The Ontario Heritage Trust and our Grand Lodge.

It is always a delight to dedicate a new Lodge Premise and we note that our Grand Master attended three such dedications. In addition our Grand Master attended one amalgamation and received back one Charter from a Lodge that couldn't carry on. We do agree with our Grand Master that it is best to retain our membership rather than worry about the number of Lodges we have.

With this in mind, our Grand Master has redistributed some Lodges into different districts in the northern part of our province and in so doing has created Nipissing Muskoka District reducing the number of Districts to 43. We do agree with this move.

Our Grand Master had one meeting with our Family of Freemasonry Leaders and has represented us well at many Masonic Family events throughout our Jurisdiction. This initiative is important in relationship building and in keeping a common perspective across jurisdictional lines.

He has also continued a Hands across the Border relationship with the Grand Lodge of Quebec started many years ago by two prominent Past Grand Masters. We laud his efforts.

He has attended the usual annual conferences involving our Masonic Leaders and we especially were delighted to have him attend the World Conference of Regular Masonic Lodges in Romania this year at which a paper by our own M.W. Bro. Raymond S. J. Daniels was printed in the World Conference Magazine.

He mentions that our Grand Secretary has been elected to the new board of the World Conference and also has been elected chairman of the All Canada Conference. We share in his congratulations to our Grand Secretary.

We are pleased that our Grand Master had the opportunity to present a paper at the All Canada Conference entitled "Masonic Conduct" and that he was elected as Vice Chair of the North American Conference of Grand Masters to be held in Vancouver in 2015.

As we have in the past, we are pleased to have our Grand Master attend Communications of our sister Grand Lodges. We feel it vitally important to maintain these fraternal relationships.

One of the highlights of our Grand Lodge is the Grand Master's banquet. We are delighted in the selection of M.W. Bro. Robert Conley, PGM and Grand Secretary of the GL of Michigan, as guest speaker. He has a long background in Masonic Publications and has conducted numerous Masonic workshops. We eagerly anticipate hearing his speech.

Offsetting a large number of initiations are deaths, demits and suspensions. We share our Grand Master's concern in what seems to be a narrow state of decline. We along with him urge all members to find out more about our applicants and why they wish to join and then once accepted make them feel welcome in a friendly atmosphere.

Our Past Masters are encouraged to take the correspondence course offered by the College of Freemasonry entitled the "Past Master's Course" with its several modules. The Grand Master, we feel, is on the right track in sending letters to all Immediate Past Masters to let them know this is available and to remind them that as IPMs they should continue working in a leadership role in their Lodge.

Out of concern for the condition of our Lodge buildings, our Grand Master has placed a tremendous effort on raising the suitability of our meeting premises to meet certain provincial codes and to improve financial, safety and liability issues. This has been an ongoing problem and we applaud his efforts in this regard.

We are happy to hear that there were no serious discipline issues this year that required reviewing committees or trials, although, one long time, lingering, festering problem with brethren of one Lodge caused our Grand Master to bodily remove the Charter or Warrant of Constitution. We agree that anytime a dispute such as this tarnishes the reputation of the Lodge within the community and of Freemasonry in general it needs to be dealt with and we are behind our Grand Master in his decision to do so.

We appreciate the Grand Master's generous remarks to the Past Grand Masters and on behalf of the PGMs we thank him and will continue to offer our assistance, advice and guidance whenever called upon.

He expresses his thanks and congratulations to the Custodian of the Work, M. W. Bro. D. Garry Dowling, for taking on this important role in our Grand Lodge. We do agree that a Mason should strive for improvement in all aspects of one's life including the mechanics of the work and the ritual.

Our Grand Master also gives recognition to our Deputy Grand Master (President of the Board) and the Members of the Board of General Purposes who so ably lead in the well-being of our Grand Lodge. He also thanks our 44 District Deputy Grand Masters who take the message to the ranks and who send reports back on the condition of masonry in the Lodges in their districts. We also give our good wishes and grateful thanks to those retiring from the Board this year.

Our Grand Master notes that the other Elected and Appointed Grand Lodge officers play a role by being visible in our many Lodges and, by their actions, mentor and teach our brethren who watch them. He speaks highly of our Grand Chaplain who has delivered his duties with energy and enthusiasm throughout the year and has presided over four 'masonic' marriages over that time.

The Grand Master acknowledges the Grand Director of Ceremonies and the Assistant Grand Dir. Of Ceremonies for their tremendous assistance in helping our Grand Master in his many travels about the province.

The Grand Master, in tribute to our Grand Secretary, recognizes his difficult task in dealing with the sheer bulk of mail, inquiries, requests and various other duties of his Office. In addition he is thankful for his wise counsel and knowledgeable advice and also for allowing his daughter Kim to help with events that needed a ladies touch.

Our Grand Master's poignant concluding remarks make us think about our responsibilities as a Mason to our Family, our Work, our Community, and to ourselves.

We endorse the Grand Master's decisions, actions and philosophy and wish him well as he begins his second term of office.

Respectfully submitted on behalf of the Grand Master's address review committee.

Respectfully and fraternally submitted on behalf of the Committee.

ALLAN J. PETRISOR, Chairman

**REPORT OF THE LIBRARY, MUSEUM  
AND ARCHIVES COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the committee, it is my pleasure to report on the activities of the Library Museum and Archives Committee for the past Masonic year.

**LIBRARY**

This year your Committee consisted of R.W. Bro. Lanny Salmon (Team Leader), James Ford (Grand Librarian), Ron Bivens, V.W. Bros. Tom Peddle, Don Falconer and W. Bros. Alliston Gowling and Louis Jansurik. They were supported by the following volunteers, V.W. Bro. Rick Rutherford, Chas. Willmore and W. Bro. Robert Todd.

We renewed our yearly membership in the MLMA Association of North America. We restored twenty more books this past year, in our third year of our Restoration Book Programme for the 'Reference Library.

We continue to catalogue and scan all donated and new material into our on-line software programme for the Lending and Reference Libraries. During the past year the Library was open for the months of September - October and November 2013 and February, March, April and May 2014. The hours of operation are Monday to Thursday from 10 a.m. to 2:00 p.m. Arrangements were made for volunteers to be on duty at the Library during the stated days and times. We also had a special arrangement for those Brethren who could not take advantage of the above dates and times. For a special visit to the Library they could call 1-905-541-9912 and ask for Lanny Salmon. Also, during the past year we purchased a number of new Masonic Books. Library World has improved and up-dated their online service programme which will now allow us to become more user friendly. Based on this improvement we signed a lease for another year with them.

The redesigning and developing of the new Library website is progressing satisfactorily.

We hope to launch the new website on July 2014 at the Grand Lodge Communication.

### **MUSEUM AND ARCHIVES**

This year the Committee comprised of V.W. Bro. Daniel Glenney (Team Leader, Grand Archivist), Michael Jenkins (Grand Historian).

The Committee has the following major ongoing projects - the official Designation by an appropriate Heraldic Body of our Grand Lodge Coat of Arms, the display of a suitable Masonic Apron of Brother, Sir John A. McDonald at Bellevue House and in association with V.W. Bro. Michael Jenkins Freemasonry's role in the War of 1812 to help commemorate the Bicentennial of that event and also researching the Centennial of the first World War and Freemasonry's contribution.

Research continues on Masonic Lodge treasures, such as the preservation of Museum artifacts and Lodge historical records.

Complete documentation and photographing of the Final Resting place of Grand Masters continues.

Research continues for public cornerstone laying of notable buildings by the Masonic Fraternity.

The Masonic War Dead" caption is being discontinued and will be replaced by "Military Masons". The Committee feels this change will give a wider scope to the project. Research continues.

The Museum and Archives will be part of the new Library, Museum and Archives website and will be included in the launch in July 2014 at the Grand Lodge Communication.

Respectfully submitted on behalf of the committee.

CHARLES H. REID, Chairman

### **REPORT OF THE COMMITTEE ON SEMINARS AND WORKSHOPS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the members of the Seminars and Workshops Committee, I am pleased to submit our report for the period July 2013 to July 2014.

#### **MANDATE:**

"Providing informative, instructional and interactive seminars and workshops on timely topics of importance to the Masons of Ontario".

#### **2013 REVIEW**

The 2013 line-up of Seminars and Workshops marked 2 firsts; we secured, thanks to the efforts of M.W. Bro. Garry Dowling an outside the jurisdiction presenter in the person of W. Bro. Andrew Hammer to give us 2 sessions entitled "What Came Ye Here to Do: and through the efforts of R.W. Bro. Gordon Forbes we were able to procure and present a very inspirational DVD from renowned National Geographic photographer Dewitt Jones, entitled "What's Right with the World".

Attendance at all 2013 workshops was encouraging; a total of 352 brethren took time to fill out the evaluation card. For the most part comments on the workshop content, presenters and format were very positive, a few brethren offered suggestions for improvements and of course we seem to get 2 or 3 every year who seem to be very negative towards the line-up presented. Once again the weather did not do us any favours, again this year being very hot and humid and getting 80 to 100 Brethren in a room, understandably a couple of the sessions were very warm, the FRY Facility staff did their best to help relieve the situation.

In wrapping up 2013, we would like to again thank:

What Came Ye Here to Do - W. Bro. Andrew Hammer

P&E - R. W. Bro. Gordon Crutcher and team

Engaging the New Cohort - W. Bro. Adam Nesrallah and W. Bro. Martin Dörner

The Cold Call - R.W. Bro. John Forster, W. Bro. Angus Gillis and W. Bro. Wlad Kinastowski

Lodge of Inspiration - R.W. Bro. Gordon Forbes

Grand Lodge Website My Grand Lodge - R.W. Bro. Richard Kaufman

### 2013 MEET THE NOMINEES

The Seminars and Workshops committee once again co-ordinated this event in 2013. This session was held to allow the Brethren to meet those who were letting their name stand for the various Grand Lodge Positions. Held once again in Salon A from 7:00 p.m. to 8:30 p.m., with an attendance of 125 based on comment cards being returned; again probably 10% did not take a card. Although we only get a small percentage of those who cast ballots, over 85% of those who filled out evaluations found the session worthwhile. We would again like to thank all the Nominees for coming out to this event.

**2014 LINE-UP** Please see a short synopsis of the 2014 line-up

**P&E** - The Gordie and Georgie Show - R.W. Bro. Gordon Crutcher and R.W. Bro. George McCowan will present their popular P&E Workshop. It will be a great opportunity to learn and to ask questions of these two knowledgeable members of the Grand Lodge of instruction Team and the P&E Committee.

**THE BROCK PARTNERSHIP** - R.W. Bro. Gareth Taylor. This Presentation will cover the genesis of the Brock University Partnership including the Sankey Lecture Series and the future plans for the Partnership.

**LIBRARIES, MUSEUMS AND ARCHIVES** - R.W. Bro. Charles Reid, the committee will introduce the new Libraries, Museums and Archives website.

**BLOOD DONOR** - R.W. Bro. Les Armstrong - An overview of what's happening and a few success stories from the Grand Lodge Blood Donors Committee.

**OFFICER PROGRESSION** - R.W. Bro. Kevin Smith. This Session will focus on developing competencies as you progress towards the East, target audience: Sr. And Jr. Wardens: secondary audience - Worshipful Master and the Deacons this is designed to support the W.M. in becoming a capable, competent and confident leader.

**MENTORS PROGRAM** - R.W. Bro. Leonard Feldt - The Mentoring team will present an overview of the Grand Lodge Program.

**COMMUNICATIONS** - R.W. Bro. Iain Wates: This would provide the committee an opportunity to further reinforce its theme of "Communications is a Partnership" and to also provide a direct link between Communications and Leadership.

**MASONIC DEBATE** - R.W. Bro. John Forster and Adam Nesrallah - Is your Lodge looking for a way to energize a meeting, how about a Masonic Debate. Members of St. Andrews Lodge No. 560 will hold a formal debate on the motion: ***"This House believes that Lodges are emphasizing social intercourse at the expense of moral instruction with the result that true fraternity within lodge has fallen secondary to the social aspect of fraternity without"***. There will be a formal presentation by speakers for and against the motion opportunity for opinions expressed from the floor, wrap up speeches from the speakers and a show of hands vote.

**ENGAGING THE NEW MASON REVISITED** - R.W. Bro. Sam Kalinosky in 2011. Sam brought together David Barnwell, Darren Byrne, Sean Pare and Charles Singh to share their perspective on what engaged them in the craft, now he's bringing his panel back again to see if their perspective has changed now that they have all moved significantly forward in their Masonic endeavors.

**CONCLUSION** - On behalf of the Seminars and Workshops committee we would like to thank all the various Chairmen and team leaders for stepping up to do sessions this year. It is our goal to continue to evolve the Tuesday Afternoon at Grand Lodge to meet the needs of our membership. The committee also embraces the idea of return to the road next Masonic year.

As Chairman, I cannot thank the members of my committee enough for their cooperation and input this year, R.W. Bro. Neil Dolson, Gary MacGregor, Geoffrey Clays, Ivor Bayley, Anthony St. Dennis, Jamie Ireland, John Forster, Paul Shaver and W. Bro. Adam Nesrallah.

Respectfully submitted on the Committee of Seminars and Workshops.

BARRY BURCHILL, Chairman

## **REPORT OF THE BUILDING INFRASTRUCTURE COMMITTEE**

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year's report concentrates on two major projects involving Lodge buildings that were started in 2012 and are continuing throughout this year. One was the inspection process itself and the other was to build and dedicate new facilities where necessary. An AD HOC Committee was struck by M.W. Bro. D. Garry Dowling in 2012 because our culture demanded action in terms of fire and health and safety concerns in our Lodge Buildings to ensure that they do not become liability concerns for Grand Lodge or the individual Lodges themselves. A fire inspection of all Lodge buildings was to be completed and certified by each local fire service throughout the jurisdiction. The process was well laid out in terms of procedures and time lines to follow under the direction of the District Deputy Grand Masters in each of the 44 Districts. In some cases the lodge building was in such a state that the cost of repairs were prohibitive and Lodges sought other means of compliance. The majority of the buildings, however that have been inspected, were quickly brought up to code and given a Letter of Compliance by the local Municipal Fire Service.

In two Districts it is noteworthy to point out the excellent work done by the members from the surrounding Lodges to either build new facilities or renovate their existing facility. One example is a new Masonic Home that was renovated from an existing bingo hall and turned into a magnificent Lodge room and banquet facility in St. Thomas District where four lodges closed their own buildings and came together into one. I personally inspected it and it was dedicated by the Grand Master and Grand Lodge in December of 2013. A second building in Huntsville in Muskoka Parry Sound District housing Unity Lodge No. 376 as a tenant was also extensively renovated, inspected by our Committee and is scheduled to be dedicated in June 2014. A number of other buildings are currently being renovated to meet the Ontario Fire Code requirements.

I would be remiss however if I reported that all the inspections have been completed and all the buildings are in compliance with the Ontario Fire Code. That is just not so. Approximately half of the districts have at least reported that either all Lodge buildings have been inspected and received a Letter of Compliance or at least some have and the others are in some state of completion. What is more important and somewhat disturbing is that the other half have not even reported on the status of the buildings in their District this Masonic year. According to my records an inspection has been requested, but no follow up has been reported. In my opinion, that could leave us in a litigious situation should a fire occur in one of those buildings causing property damage and injury to our members or the general public that night be present at the time of the occurrence.

Respectfully submitted by

PERRY MCCONNELL, Chairman

## **REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

A request for mutual recognition has been received from, The Most Sovereign Prince Hall Grand Lodge F. & A.M. Alaska and its jurisdiction Inc.

As this jurisdiction is recognized by Grand Lodge F. & A.M. State of Alaska effective March 10, 1997. As such, the request forms part of the 'notwithstanding clause' documented in Section 4 (b) Constitution of our Grand Lodge.

*Recognition is recommended by the committee.*

Correspondence received August 29, 2013 from the Grande Oriente do Brasil (recognized by this Grand Lodge) indicates a third Grand Lodge known as The Independent

Grand Orients (COMAB) has been created and is considered irregular. This has been confirmed by the Commission on Information for Recognition in its report of February 2014.

Correspondence received November 4, 2013 from, The Grand Lodge of the State of Israel A.F. & A.M. (Recognized by this Grand Lodge) indicates what they best define as “a pirate Grand Lodge” named, The Grand Lodge of Jerusalem. This Grand Lodge is not recognized as a Masonic body nor does it meet the standards for recognition.

The February 2014 Commission on Information for Recognition update report regarding the Grande Loge Nationale Francais was as follows: “It appears that the administrative problems within the (GLNF) have been resolved. Other constitutional changes will be voted on in April of 2014. In the 2012 report of the Commission it stated that “a reasonable course of action to consider is to suspend fraternal relations with the GLNF.” Based upon the resolution of the administrative problems, member Grand Lodges may desire to reconsider that suspension.”

In April 2014, G.L.N.F. made significant constitutional changes to address their administration issues, which in turn were approved by 99% of its membership. Subsequently, it is recommended; the Grand Lodge of A.F. & A. M. of Canada in the Province of Ontario, re-establish complete and unrestricted Fraternal Relations with the Grande Loge Nationale Francais.

Respectfully and fraternally submitted.

ROBERT MANZ, Chairman

### **REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge  
A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Finance Advisory Committee continues to provide Financial Guidance to the Lodges as stipulated in our mandate. We are also finding increased requests for prudent financial management from many Temple Boards throughout our Grand Jurisdiction as the contents of our various F.A.C. Newsletters are being reviewed, questioned and understood. To our group of professional volunteers, this is our reward for doing our due diligence and continuing to print simple, necessary steps of planning, understanding and questioning what we have written. The major concern is that although advice is being asked for and taken many times, the advice is being sought too late and the Temples and Lodges have sizable professional bills in order to deal successfully with the problem solving.

The Committee has been very active responding to e-mail inquiries from Worshipful Masters, Lodge Secretaries and Treasurers, Building Trustees and concerned District Deputy Grand Masters. To me, receiving the inquiries from the District Deputy Grand Masters have been our most important achievement now and, hopefully, in the future. They are our closest link to the Lodges and Temple Boards. Our Committee has and will continue to work within the Conditions of Masonry, the District Deputy Grand Master to try and provide a simple communication tool to get the necessary information that our Committee can use to be proactive in helping Lodges and Temple Boards with their financial management.

### **NEWSLETTER**

The Committee has published two Newsletters this year, one in November and one in late April – both issues are available on the Grand Lodge Website along with all the former Newsletters. This site is building into a valuable resource centre. At this time, I would personally like to thank V. W. Brother Eric Lakien on behalf of our Committee for his quick and direct action in posting our Newsletters with the District Deputy Grand Masters, the District Secretaries and highlighting the need to pass these Newsletters to the Lodge Secretaries and Treasurers through the various Districts. This strong communication is the reason our Committee has been so busy this year answering e-mails and problem solving. Great job by all involved and the website having the history as a reference guide has been a huge success as far as our Committee is concerned. Great job by all involved and the website having the history as a reference guide has been a huge success as far as our Committee is

concerned.

### **LODGE CORPORATIONS:**

As we stated last year in our review in the 2013 copy of the Proceedings, many Temple Corporations within our jurisdiction have not filed their annual corporate returns. As stated last year this matter is too serious to be overlooked. Failure to file the proper returns on a timely basis can expose the Corporation to costly penalties, interest charges, special accounting fees and even cause the forfeiture of the Corporate Charter to the Crown. We have, in our last newsletter, specifically given the Brethren a simple formula of what they could expect if their desire was to sell the Lodge building and what is entailed. The biggest surprise, we feel, is that if a decision was made very hastily and without proper discussion, the expectation of dollars from the sale of the Lodge building could be lost to capital gain fees and share holds. The resulting residual cash may not adequately satisfy their future plans for a new Masonic home.

Lodge Corporations are finding challenging times as governments continue to allow and support sizeable energy increases, realty tax increases and just trying to meet the necessary municipal building code for the building occupancy and insurance. Brethren, welcome to the 21<sup>st</sup> century. Budgets, planning, communication, business minded volunteers are all important to our continued success. Brethren, as stated many times, our Advisory Committee will continue to repeat our message and work our mandate, but please realize no one truly wants advice until it is too late. Be assured we will continue to strive to find a formula that will work to ensure the messages get to the source long before a problem develops.

Respectfully submitted on behalf of the Finance Advisory Committee; R. W. Bros. Robert Collins, Larry Williams, V. W. Bros. Paul Skazin, Bill Birdsall, Syd Schatzker and Brother Allan Freedman.

WILLIAM DAVID ARMSTRONG, Chairman

### **REPORT OF THE COMMITTEE ON PUBLIC AWARENESS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the following report on behalf of the following dedicated members of your Public Awareness Team: R.W. Bro's Joe Lewis (Vice Chair), Eugene Palacol, Robbie Manz, James Sandy McTavish, Gary Bryan, V.W. Bro Graeme McDonald. W. Bro's Robert Foote, Terry VanHorne.

#### **WILSON MERCER WILSON – ONTARIO HERITAGE PLAQUE.**

Through the outstanding efforts of Rob Foote, and the support of your Grand Lodge and the Heritage Lodge, the Masons of Ontario, in conjunction with the Ontario Heritage Ministry erected a plaque to mark the final resting place of our First Grand Master and to acknowledge his contributions to both Masonry in general and Ontario in particular. Additional thank you goes to R.W. Bro Joe Lewis and his local Lodge members for their assistance in erecting tents and making the day such a success. The plaque was erected in the Churchyard of St John's, Woodhouse near the gravesite of Grand Master Wilson. There was a public ceremony on Sunday August 18<sup>th</sup>, 2013 at 1:00 pm followed by a public reception. Masonic regalia were worn. In attendance was an excellent showing of Masons and the general public.

#### **INTERNATIONAL PLOWING MATCH**

The match was well set-up with our travelling trailer. Many thanks to R.W. Bro Ross Ferguson and the Brethren of South Huron District. The Match was cut short by torrential rains but not before 40 – 50 thousand people came through the gates.

A wonderful attendance was enjoyed at the meet and greet with the Grand Master and many Grand Lodge officers. Roast beef on a bun, salads and desserts were enjoyed by all. The trailer is in my possession and I am in the process of making sure everything is in it that should be and it will be ready to go for the next Committee.

#### **FRIEND TO FRIEND VIDEO**

Members of the team along with some volunteer members from Trillium Lodge #575 are continuing work on a low cost, streamable, updated product. Further information to follow.

## **OPEN HOUSES & INFORMATION EVENTS**

Your committee continues to receive dispensations for various Lodges to hold Open Houses, Friend to Friend nights and to participate in public events. We commend all those Lodges who are taking advantages of these opportunities to showcase Masonry to the public and earnestly recommend that other Lodges give similar consideration to taking every opportunity to showcase Masonry.

## **STRATEGIC DIRECTION – THE PATH FORWARD**

W. Bro. Rob Foote along with R.W. Bro. Iain Wates Internal Communications have worked tirelessly all year to meet the Grand Master's schedules which will be reflected in R.W. Bro. Wates' report.

Recommendation. Your Committee recommends continued support between this Committee and the Communications Committee to achieve our goals as part of the Tactical Plan.

## **CLOSING**

The Committee wishes to commend all those Lodges who are stepping up and showcasing Masonry in such a positive light. It is our collective hope that other Lodges join them in raising public awareness to ensure the timeless vitality of our gentle craft.

Respectively submitted on behalf of the Committee on Public Awareness

ROBERT J. CRESSWELL, Chairman

## **REPORT OF THE COMMITTEE ON MASONIC EDUCATION**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

## **LONDON MASONIC CONFERENCE**

The conference, held on November 9th at the London Masonic Temple, was a great success as reflected by the enthusiasm of the brethren attending, and due to the good efforts of Conference Chairman, W. Bro. Rick Cadotte and his hard-working team: R.W. Bro. Jeff Brown, D.D.G.M., R.W. Bro. Randy Hawken, D.D.G.M., R.W. Bro. Norm Kerr, P.D.D.G.M., R.W. Bro. David Parisian, P.D.D.G.M., V.W. Bro. Michael Greystone, Grand Steward and W. Bro. Russell Bain – all from London East and West Districts. It was a wonderful day with excited participants listening to eight interesting speakers on various topics (unfortunately, R.W. Bro. Dale Graham who was very ill – now recuperating – was unable to give his lecture ("The Ancient Landmarks"). We wish him well!

The highlight of the day was Bro. Second Lieutenant Joseph Curry, Canada Lodge U.D. Kandahar, Afghanistan, and Beaches Lodge No. 473 G.R.C., speaking on the topic "Bullet Proof Masonry". WOW! He graced us with his presence for the rest of the day and his presentation was videotaped by W. Bro. Milan Cobanov of General Mercer Lodge No. 548. He has done many Masonic videos of excellent quality for Scottish Rite, Royal Arch and so on. This video will soon be available on the Grand Lodge website and I urge you to watch it if you were not at the Conference.

There were 82 brethren in attendance, including our Deputy Grand Master, R.W. Bro. John Green. There was a "feast" of philosophical and Masonic delights – pity, there could have been more diners! However, we will build on the success of this Conference to help us prepare for the Fall Conference on Saturday, September 27<sup>th</sup>, 2014, to make it another great Masonic adventure. The profit from the London Conference of \$425.52 has been donated to the Grand Master's charity, Prostate Cancer Research.

## **COLLEGE OF FREEMASONRY**

This year the College has been very busy, on an internal level, to ensure that the students receive what they are expecting; a quality education.

The College is upgrading our answer sheets to give the Mentors more information to aid the student. This is being put together by our Research and Development head, W. Bro. Adam Thompson, FCF. This is a very large project and he is doing a wonderful job in bringing this project to fruition. We hope to have this completed within the next 6 months.

Since the inception of the modular system, those students taking the Past Master's course have had to complete 11 modules in order to earn their PM certificate to comply with the

Book of Constitution section 50(b). The students have voiced their concerns and suggestions and we have listened by streamlining the process; they are now required only to complete 6 modules.

Since May 1, 2013, there have been a total of 155 students that registered for various courses and 68 graduates of those courses offered by the College with the following breakdown:

	<u>New Registrants</u>	<u>New Graduates</u>
Masonic Arts and Sciences Course	72	13
Past Master's Course	62	52
Worshipful Master's Course	21	3
	155	68

This past year has also seen the end of the old D.D.G.M. course and students who were at various stages of their studies were contacted personally by R. W. Bro. Tom Siemiernik and informed that they must complete this course by December 31, 2013, or move to the new system. Of those contacted, 33 brethren answered that call and graduated from the course. This number is included in the statistics above.

Each year, the students who complete the Masonic Arts & Sciences course are granted the use of the "F.C.F." appellation. The following students have completed the said course in the past year:

<u>Name</u>	<u>District</u>	<u>Lodge</u>	<u>No.</u>
Leonard Davis	Ottawa 2	The Builders Lodge	177
Ian Hale	Ontario	David T. Campbell	706
James Lawson	Toronto West	Mississauga	524
Michael Hodgson	Brant	Reba	515
Kelsey Trott	Ottawa 1	Civil Service	148
Steven Badger	Hamilton C	Hugh Murray	602
Philip Hebert	Toronto West	Mississauga	524
Bryce Graham	Toronto West	Unity	710
James Kramer	London East	Moffat	399
Roger Hillier	Victoria	North Entrance	463
Daniel Bergeron	Ontario	David T. Campbell	706
Gregory Durst	Toronto West	West Gate	734
Kevin Furlong	Toronto West	West Gate	734

On behalf of the College of Freemasonry, congratulations to all the graduates of the College!

Last but not least, I wish to thank Bro. Mark Kapitan, Secretary and Mentor Coordinator for the College, for all his time and hard work he has invested in the College. Since taking on this role, he has kept the College running extremely well.

I also wish to personally thank the following Mentors of the College for their dedication and hard work. It is interesting to note that, from April to April, the College has marked 774 Modules at an average turn-around time of 2.45 days from student-to-mentor and back to student.

## **PROPOSAL FOR IMPLEMENTATION OF ONLINE BOOK SALES BY GRAND LODGE WEBSITE**

### **OVERVIEW**

The current arrangement for facilitating the purchase of Masonic-themes and educational books, revolves around inventory controlled and distributed by the Grand Lodge Office in Hamilton. Lodge members are required to interact with District Librarians who must purchase the books from the Grand Lodge office for resale. Alternatively, brethren can go to the Grand Lodge office themselves or lodge secretaries can order books for their lodges.

Grand Lodge acquires its inventory from two sources. These can be categorized as follows:

1. **Category 1:** Books that are published by regular publishing houses and are recommended by the only vendor that specializes in Masonic literature in the province. This vendor provides a list of recommendations once per year and supplies the requested quantities of the books selected from this list for sale by Grand Lodge.

2. **Category 2:** Specifically printed Masonic Books and publications (e.g. Books of the Work, Constitution, books produced by/for Grand Lodge, etc) - these are ordered on an as needed basis by Grand Lodge from the appropriate publishers/printers. The details of these arrangements are unknown at this time.

### **CURRENT BOOK SUPPLY ISSUES**

There are a number of issues that arise as a result of the current arrangement. The most prominent of these are:

1. Regular "out of stock" situations - these arise primarily in connection with Category 2 books, above, and are the result of higher demand for particular publications than was anticipated when the Grand Lodge supply was ordered. These typically occur when a number of District Librarians and/or lodge Secretaries attempt to purchase a number of the same publication. For example this has been known to take place repeatedly with Books of the Work.

2. Recommended books are updated once per year - The vendor provides a list of Masonic-themes publications (Category 1) that are recommended reading once per year. These books are displayed for sale at the Grand Lodge communication in July and any that are unsold are returned to Grand Lodge where they are sold only if District librarians buy them, or brethren buy them directly.

3. Lack of variety - Since District Librarians are required to purchase the books that they intend to re-sell, they tend to limit their focus to publications that have a known demand. As a result, new books that would be either valuable or interesting to brethren, do not get the exposure they deserve. This applies primarily to publications that fall into Category 1, above.

4. Inefficiency and slow turn-around - The process of buying a Book of the Work, for example, is typically as follows.

1. Check if book is available for sale by District Librarian.
2. If not, request book from District Librarian or Lodge Secretary.
3. Librarian/secretary notes the names of persons interested and contacts Grand Lodge.
4. Grand Lodge provides as many of the books as are available then indicates that the book is out of stock and is back-ordered.
5. Librarian/secretary advises potential purchasers of back-order status and suggests that they check back with him periodically.
6. Librarian/secretaries follow-up with Grand Lodge and whenever stock becomes available, complete sales to interested parties.

5. Single source - Publications in Category 2 can only be obtained through Grand Lodge. This means that brethren have no alternative but to wait until back orders are cleared. This situation can be particularly frustrating to students of the College of Freemasonry whose studies require these publications to complete their courses.

6. The details of the arrangements between Grand Lodge and the suppliers/publishers of Category 2 publications (Book of the Work, Constitution, etc) are not currently known, but would need to be examined and/or reevaluated in order to pursue actions to correct the back order problem.

## **PROPOSAL**

To address and resolve the foregoing issues, we propose the immediate implementation of online book sales via the Grand Lodge Web Site.

This proposal is based upon the following rationale.

### **1. INFRASTRUCTURE**

The Grand Lodge website already has the ability to support online financial transactions and there are plans to expand the existing offerings to include several other forms of online commerce. The Web Site currently has the ability to:

1. Route money to any account.
2. Provide standard security for online transactions.
3. Handle markups and other price adjustments that may be necessary.
4. Fund the implementation of on-line book sales since there already is budget to make e-commerce fully functional.

### **2. SUPPLIER**

1. The current supplier of Masonic- themed books (Category 1) is willing to work with Grand Lodge to facilitate online book sales. He is prepared to:
2. Provide and regularly update the list of books for sale.
3. Handle the packing and shipping of purchases.
4. Allow Grand Lodge to apply a mark-up to the price of each book.
5. Receive payment via Grand Lodge's chosen method of reimbursement.

### **3. OTHER**

1. There will be no concerns about dead stock or stagnant inventory.
2. The regularly updated list of recommended publications will increase their visibility and enhance Grand Lodge website traffic.
3. Additional publications such as magazines and periodicals can be individually sold online or subscriptions can be made available.
4. A section of the book sales web page can be allotted to the books required for College of Freemasonry courses in order to facilitate students.
5. Reports on sales activity can be regularly produced and submitted to designated persons to ensure management oversight and transparency.
6. This strategy supports the existing plan to enhance the Grand Lodge web site in order to make it a single source of reference for masons in this province.

## **CONCLUSION**

There are few obstacles to implementing online book sales. The major issue is the Category 2 publications whose sourcing is unknown to us at this time. We are unable to ascertain the nature of existing arrangements and Grand Lodge's ability to modify contracts, for example to include shipping directly to online purchasers. However, although it would be less than optimal, there is nothing to prevent us from proceeding with online sales of Category 1 publications while Grand Lodge determines the details of these arrangements and makes the arrangements necessary to accommodate sales via the web site.

The payment arrangement would be the same as that presently being successfully used by the College, which is PayPal. We just recently received permission from the Management Committee to proceed with online book sales and are hoping to have it up and running by the end of this year.

## **REFLECTIONS NEWSLETTER**

The Reflections Newsletter situation has been quite a challenge since the beginning of this

Masonic year. Unfortunately, subscription and banking records were not kept up to acceptable standards resulting in a great deal of confusion due to discrepancies between the two sets of records.

W. Bro. David Lewis, CME member, spent countless hours and days trying to make sense of it all. It is unfortunate that some Brethren “thought” they had paid their subscriptions forward but perhaps had not done so or did not have the information available to us for cross referencing. R.W. Bro. Lindsay Reiach is now the Subscription Manager and we hope everything is slowly, but surely, getting sorted out.

We hope to go online with The Reflections Newsletter on the GL Website by the end of the year. Online subscriptions will be available for a modest fee and those that have paid forward for hard copy (if discontinued) will be reimbursed and can continue with the online version. There is a possibility that some may wish to have bound copies and this would have to be priced out depending on the numbers.

We ask all Brethren to submit worthy articles that they have written or had presented to them for the shared enjoyment of all of our Brethren in the Jurisdiction.

### **UPCOMING MASONIC EDUCATION CONFERENCE**

We are planning a Masonic Education Conference to take place on Saturday, September 27, 2014, at the Humber College Campus in Etobicoke. We have room for 300 attendees and promise to have an excellent day of stimulating and fraternal camaraderie. Information will follow in the CME Newsletters as speakers and topics are confirmed.

Depending on the interest expressed by the Brethren, we may consider another Masonic Education Conference in early Spring of 2015 at a different location. All Brethren are most welcome to suggest possible speakers and topics of discussion to myself or any of the other member of the Committee at any time.

### **ACKNOWLEDGMENTS**

I wish to thank our Team Leaders, R.W. Bro. Brian Koivu, College of Freemasonry, R.W. Bro. Wes Libbey, Reflections, Bro. Neil Sammy, Book Sales as well as W. Bro. Rick Cadotte, Principal of the College of Freemasonry, Bro. Mark Kapitan, Secretary and Mentor Coordinator for the College, Bro. Andrew Douris, Editor, and R.W. Bro. Lindsay Reiach, Subscription Manager for The Reflections Newsletter, for their dedication and hard work for the Committee on Masonic Education, in particular, and the Craft, in general.

I would like to thank all of the Mentors of the College for their efforts to engage and enlighten the Brethren of our Grand Jurisdiction, and all of the Masonic Education Committee members as well as the organizers for the London Conference for their invaluable work “behind the scenes” for the betterment of our beloved Craft.

A special thank you to M.W. Bro. Raymond S.J. Daniels for his kindness in sharing his wealth of Masonic knowledge and his guidance to the Committee on Masonic Education.

Respectfully submitted on behalf of the Committee on Masonic Education,

CHARLES A. WOODS, Chairman

### **REPORT OF THE BLOOD DONORS’ COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the GrandLodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the Blood Donor’s Committee; R.W. Bro. Harry Danford, R.W. Bro. W. Davis, R.W. Bro. R. Ferguson, R. W. Bro. Sean Fuller, R.W. Bro. Robert Keith, R.W. Bro. Don Rumble, R.W. Bro. William Sylvester, R.W. Bro. Sam Khoury, V.W. Bro. David McCallum, V.W. Bro. Ross Munro, W. Bro. Dan Chamney (Secretary) and W. Bro. Matt Hofland.

Special thanks to our Secretary W. Bro. Dan Chamney for his endless efforts, it is much appreciated. We as a Committee are very thankful for the ongoing support received by the Grand Master, Deputy Grand Master and Grand Secretary.

To all volunteers, District Chairmen and D.D.G.M., this Committee wishes to extend our

heartfelt thanks for all you have done and are still doing. Without your dedication we could not accomplish so much.

We welcome W. Bro. Dan Chamney as our new secretary. We welcome W. Bro. Matt Hofland as our new member to the Blood Donor Committee. He is the regional co-ordinator for the five Toronto Districts. We welcome R.W. Bro. Sean Fuller, as our regional coordinator for the Niagara A & B and the Hamilton A B and C Districts.

Our goal is to encourage donations and heighten the awareness of how important it is to give blood. We are also stressing the need for our younger Brethren to donate as we are slowly becoming an aging donor force. The committee is always committed to showing our appreciation to all our volunteers who work extremely hard helping with our clinics.

#### **PARTNER'S FOR LIFE - PFL**

This program remains to be an extremely important part of the committee's mandate and a very strong relationship exists between your Grand Lodge and Canadian Blood Services. It is very important that all the Brethren in all districts are registered with P.F.L. By registering with P.F.L., you can be assured that all our Blood Donations can be counted. Everyone is reminded that members, family, friends and others who are willing to donate on behalf of the Masonic District can register in this program as well.

Listed below are the numbers recorded from the data collected through the Partners for Life system for each Masonic District. Note, Canadian Blood Services record donations by calendar year (January to December).

We certainly applaud the above donors for their outstanding dedication and time taken to give the Gift of Life. We had a great number of Brethren visit the Blood Donors Booth set up in the Masonic Tent at the International Plowing Match held in Mitchell, Ontario. Plans are underway to propose the same set up at the I.P.M. in 2014. This event has proven to be a great benefit for the Canadian Blood Service. It is one of the many ways that they may reach out to all ages of the public. Personal contact has proven to increase the numbers of those that inquire and act upon giving the Gift of Life for those in need.

**OBSERVATIONS**

Our clinics around the Province are doing well, however we must strive to encourage our Brethren, of younger ages to seriously consider taking the time to donate if they are able. We as a Committee strongly encourage that Masons continue to participate in this very worthwhile program of charity. Province wide blood week went well, however, in communications with the Canadian Blood Service, it was suggested that we might do a month long blood program in the near future. This will be taken under consideration in the future by the appropriate persons

**RECOGNITION**

Plaques of Awards:

1. London West - Most Donations on P.F.L.
2. Waterloo - Greatest Increase in the Blood Donations in P.F.L.
3. South Huron - Most Blood donations during the Provincial Donor Week

**CONCLUSION**

The giving of blood is just one of the many ways we as Masons can practice charity. It only cost time. Time that is well spent when you realize the number of lives it affects. We must applaud our older members for long standing dedication and support at the blood clinics. Every donation can affect 3 lives or more.

Respectively submitted on behalf of the Blood Donor Committee

LES F ARMSTRONG, Chairman

## **REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the report of the Condition of Masonry Team, a committee comprised of twenty five members including the Chairman.

### **TEAM/COMMITTEE STRUCTURE**

- The Committee is divided into three Regions, Western, Eastern and Central. Each Region has a Coordinator responsible for 7 reviewers and each reviewer has 28 Lodges (from 2 or 3 Districts)
- They each review 84 electronic documents from three forms namely the L1 completed by Lodge Master & Secretary, the L2 completed by the District secretary, L3 completed by the District Deputy Grand Master and it usually takes approximately two hours per Lodge. When fully completed these forms contain 73 pieces of data from each Lodge.
- The reviewer records the data along with his assessment of the Lodge on a spreadsheet for each District and then sends the information package back to the Chairman within 14 days and it is recorded on a master spreadsheet.
- The reviewer's report is also reviewed by the Assessment Action Coordinator who if action is required in a reviewed District has two options depending on the severity of the assessment.
  - The Coordinator can make suggestions to the D.D.G.M. on which Grand Lodge committee might be of assistance.
  - If the severity of the concern warrants immediate action then a "Memo of Concern" is sent to the District Deputy Grand Master with copies to the Grand Master via the Grand Secretary and the Deputy Grand Master for further action.

Since 2009 all reports of the District Deputy Grand Master have been done electronically and the information has been made available on a DVD but its distribution has been limited although recently last years DVD 2012-13 has now been shared with Members of the Board of General Purposes.

In five years much data has been collected regarding the Lodges in the several Districts of this Grand Jurisdiction but no comprehensive analyzing of this data has ever been done and little or no decision/directive/suggestion based on this data have been made therefore the Condition of Masonry Committee makes the following recommendation.

### **RECOMMENDATION:**

Additional resources be added to this committee for the purpose of analyzing all data obtained from the yearly reports of the several District Deputy Grand Master and "make recommendations arising for the benefit of the Craft" (Section 136 d).

### **MID-TERM MEETINGS OF THE DISTRICT DEPUTY GRAND MASTERS**

Near the mid-way point of the Masonic year the District Deputy Grand Masters were summoned to a meeting to give an update of their activates along with an overview of any concerns they might have in their District in general or a Lodge in particular.

All the updated reports were compiled by the Deputy Grand Master for review by him and the Grand Master, the Custodian of the Work along with Chairman of the Condition of Masonry.

At the meeting the Deputy highlighted areas of concern, which were common in the reports and offered suggestions, the Grand Secretary, Custodian of the Work, and the Chairman of the Condition of Masonry also made comments .

The highlight of the meeting was the “open forum” moderated by the Grand Master for his several District Deputy Grand Masters on any subject, as usual in this type of format it started slowly but finished with many areas of concern covered with much discussion and information shared between the Grand Master and the District Deputy Grand Masters.

### **DISTRICT DEPUTY GRAND MASTER ORIENTATION COURSE**

The Chairman of the D.D.G.M. Orientation Course under the leadership of R.W. Bro. Tom Siemiernik invited members of the Condition of Masonry Team to participate in their program as it relates to the work and reporting of the forms used by the Condition of Masonry. This initiative is an example of how the committees of Grand Lodge worked together and we thank R.W. Bro. Siemiernik for the invitation to be part of his Team’s presentation.

### **GRAND LODGE SESSION WITH THE DISTRICT DEPUTY GRAND MASTERS**

Each year the District Deputy Grand Masters of the several Districts meet with the Chairman and members of the Condition of Masonry Committee, usually on Monday afternoon in what can be best called an “Exit Session”.

The meeting consists of breakout groups using previously sent subjects, reports from the breakout sessions and a presentation by the Chairman of the Condition of Masonry which is titled “So What Do I Do Now” which presents an overview for the “new” Past District Deputy Grand Master in his Lodge, his District and his Grand Lodge as it relates to what he has seen and learned over the last year.

It also strongly recommends that the outgoing District Deputy Grand Master bring this information to a committee of Grand Lodge by volunteering to serve on a Grand Lodge committee.

### **REVIEW & PREPARATION**

The last report of a District Deputy Grand Master official visit was reviewed in mid June and accordingly this year’s statistical report has been completed and transcribed to DVD’s in time for this years Communication.

At the end of each Masonic year the C.O.M Team members, the District Deputy Grand Masters & District Secretaries of the several Districts are given the opportunity to make suggestions on how the reporting forms and reporting to the C.O.M can be improved and as always these suggestions are taken under advisement and the appropriate changes are made.

### **APPRECIATION:**

Although there is no “I” in Masonry, “I” would like to take a moment to thank the Brethren who recognized the difficulty in the late start of this committee and stepped up to assist me.

I think of R.W. Bro. Robert Kliaman for his help with the forms, R.W. Bro. John Hay “Chairman Emeritus” who answered and continues to answer my C.O.M. questions, the Deputy Grand Master R.W. Bro. John C. Green who was able to encourage several “retiring” committee members to rejoin the committee thereby giving me an experience Team and finally the Grand Master for appointing me Chairman.

I also would like to thank the Team who worked through adversity all year, death of family members, major sickness and a “rookie Chairman”.

R.W. Bro. Jim Sercombe **Western Region Coordinator**

R.W. Bro. David Vojvodin, Randy MacNevin, William Graham, Robert Forbes, Frank Granville, V.W. Bro. Michael Dennis, Bill Denison

R.W. Bro. Brian Manson **Eastern Region Coordinator**

R.W. Bro. Robert Taylor, Keith Buchannan, Cameron Minor, Steve Armstrong

V.W. Bro. Clive Stephenson, William Osborne, Barry Maddock

R.W. Bro. Blain Moffat **Central Region Coordinator**

R.W. Bro. Doug Hammill, Iain Oliver, Robert Ough, Gareth Kellett, Steve McIntyre W. Bro. Bill Hughes

R.W. Bro. Doug Conway **Assessment Action Coordinator**

Respectfully submitted on behalf of the C.O.M. Team

## REPORT OF THE LONG RANGE PLANNING COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The work of the Long Range Planning Committee (LRPC) has been focussed on the Yearly Tactical Plan and Key Performance Indicators.

### MONITORING AND REPORTING ON THE 2013-2014 ANNUAL TACTICAL PLAN

At the Grand Lodge communication in July 2013 a new governance model to be used to monitor the progress of tactical plan projects was approved. Each committee chairman, responsible for a tactical plan project, is to submit a project plan by September 30, status reports on November 30 and January 31, and a close out report by March 31. Throughout the course of the year, reports were received from all committees which were reviewed by the LRPC. We produced a summary document for use by the Deputy Grand Master which included our comments and recommendations with a particular focus on whether or not the work being done by the committee addressed the stated deliverables of the project. Based on the March 31 close out reports, five of the eight projects are complete (2012-01, 2012-10, 2013-02, 2013-03, 2013-04), two are on track to be completed before July (2013-05, 2013-06), and project 2013-01 was cancelled.

### CREATION OF THE 2014-2015 ANNUAL TACTICAL PLAN

As in recent years, input for the next annual tactical plan was solicited from Members of the Board of General Purposes as well as taken from past survey results, Condition of Masonry reports, and Fraternal Correspondence reports. A list of potential new projects has been created and will be evaluated and prioritized resulting in the 2014 - 2015 list of projects.

### KEY PERFORMANCE INDICATORS

Key Performance Indicators were developed in 2012 - 2013 as a result of tactical plan project 2012-14. The measurements are intended to report on the overall health of the Craft in Ontario and focus on membership under two key headings which are within the influence of our members; Total Membership and Candidate Advancement.

The table below shows the last five years of actual membership data plus the most current data for 2012. Data for the years 2013 to 2017 are projections using the 'Growth' function within Microsoft Excel.

YEAR	INITIATED	PASSED	RAISED	JOINED	RESTORED	RESIGNED	DEATHS	SUSPENSIONS	ADJUSTMENTS	MEMBERSHIP @ YEAR END
2007	1273	960	907	503	139	936	1585	709	8	52152
2008	1363	976	855	527	143	959	1568	788	68	50802
2009	1337	981	897	372	157	947	1478	792	62	49389
2010	1579	1127	917	388	125	813	1279	766	291	48332
2011	1446	1003	940	438	142	963	1372	846	140	47037
2012	1366	969	893	407	121	1098	1316	849	116	45552

2013	1451	976	886	381	120	1037	1231	861		44375
2014	1463	981	898	367	115	1068	1180	880		43192
2015	1475	974	900	355	110	1099	1131	899		42003
2016	1488	967	900	342	106	1131	1084	919		40805
2017	1500	960	900	330	101	1164	1039	939		39594

**COMMITTEE NOTES:**

- The jump in initiations in 2010 and 2011 may be as a result of the Dan Brown novel “The Lost Symbol”. These years are included in the growth function which could cause artificially high projections for initiations 2013 through 2017.
- Over the past several decades, the number of member deaths has exceeded initiations. As of 2010 this trend has reversed.
- The number of resignations and suspensions, as a percent of total membership, has been increasing and in 2012 is at 4.27%. With the exceptions of 2001 and 2002 (where resignations were 71% higher than the two years preceding or following) we are at the highest level in our history.

Respectfully and fraternally submitted on behalf of the Committee: R.W. Bros. Wes Libbey, Bill Bowick, Jeff Dickson, Bob Collins, W. Bro. Brent Julian.

Respectfully submitted on behalf of the committee.

STEVEN E. WARREN, Chairman

### REPORT OF THE COMMITTEE ON BENEVOLENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Third fundamental principal of Free and Accepted or Speculative Masonry is Relief, which is the obligation to bestow benevolence on the needy and distressed. Over a century ago, in 1907, this Grand Lodge set up the Semi-Centennial Fund with an initial endowment of \$100,000. The money was raised by the brethren through District Charities and a Grand Lodge Assessment of \$3 to its then, 35,000 members. This was the forerunner to the Memorial Fund, which was set-up in 1927. Inspiringly, by 1930 Grand Lodge had managed to amass \$327,000 for the Fund. When we reflect on the amount raised during that harrowing period of depression, when most fraternal and business organizations were experiencing bankruptcies at an alarming rate, it speaks well for the loyalty of the Craft who had not forgotten the lessons imparted in the north-east angle of lodge.

On behalf of the Grand Lodge Committee on Benevolence, I am pleased to issue the following report on the operations of the Memorial Fund of your Grand Lodge for the year ending April 30, 2014.

**Revenues**

Income from investments	\$77,626
Donations	200
Total revenues	<u>\$77,826</u>

**Expenditures**

Grants from the Memorial Fund	\$49,950
Fund administration	8,000

Mgmt. fees to Scotia Private Client Group	<u>\$6,792</u>
Total expenditures	<u>\$64,742</u>
Surplus of revenues over expenditures	<u>\$13,084</u>

During the course of the year the Committee received 13 inquiries for benevolence, resulting in 10 applications for assistance. All applications were processed and funds disbursed. The committee also received one request from a Lodge requesting information on how to properly initiate and structure a benevolence fund.

Since the last annual Communication of Grand Lodge, the Committee held two meetings, an initial meeting on September 10, 2013 and a subsequent one on April 9, 2014. The remaining communications were completed through email and telephone calls between committee members. All 10 applications for who assistance were from Brethren and widows of deceased Masons who were in dire need and were dealt with professionally and on a case by case basis.

On behalf of the Committee, I wish to express an appreciation to the District and Lodge Chairman of Benevolence for your compassion towards brother Masons and/or their dependents.

Further, I extend a heartfelt thank you to M.W. Bro. Terence Shand, Supervisor of Benevolence and Mrs. Stacey Birks and Mrs. Gail Nickerson from the Grand Lodge Office for their diligence. Their commitment is instrumental in the day-to-day administration of the Memorial Fund.

Respectfully submitted on behalf of the Committee R.W. Bros. Leonard G. Bedford, Robert E. Kerr, Paul Mullen, V.W. Bros. James A. Keith, Joseph D. Whiteley and W. Bro. Edward Patterson.

## REPORT OF THE LODGE RESOURCES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Lodge Resources Committee consists of five (5) sub-committees; namely, Brother to Brother; Friend to Friend; Mentor's; Cornerstone; and Officer Progression. The Committee's mandate is specifically aimed at the grass roots of masonry and encompasses everything from our methods of attracting new members, mentoring our new Masons, preparing officers to become Worshipful Masters, developing ways to revitalize lodges, membership retention strategies and encouraging lodges to become more engaged not only within their districts but also within their communities.

The five sub-committees had carry-over tasks and goals from the previous year. Brother to Brother and Friend to Friend committees each received a Tactical Initiative assignment from the Deputy Grand Master through the Long Range Planning committee.

In general, numerous inquiries came to the Lodge Resources Committee which the Team Leaders were prompt to respond to. The Team Leaders' summaries are as follows:

### BROTHER TO BROTHER

The B2B Committee held two-2- conference calls in December and March with the team to discuss B2B programs delivered during the year. We also discussed progress of Project 2013-02 Understanding Reduced Retention Rate.

B2B presentations were made at four (4) District B2B events and for five (5) lodges. The remaining three (3) lodges in Algoma District will have presentations before the end of the Masonic Year. Algoma will also do a survey among the nine (9) lodges to determine how well the presentations were received and if any changes are to be made.

LEYLAND MUSS, Team Leader

## MENTORS

This year the Mentor's committee took a different approach to the administration of their Programs, Development, and the Distribution of materials.

The Jurisdiction was divided into 4 regions: East, West, North and Central, with a "Regional Representative assigned to each. The "Regional Representative's" role was to distribute and publicize the Program, collect information with respect to the Program, and in general, offer their expertise in administering the Program.

Having local representation enabled committee material to be administered more efficiently and effectively. The response to this initiative has been positive, productive, and is working wonderfully. The contributions of the "Regional Representatives" are greatly appreciated.

The new "Candidates Progress Record" that was recently posted to the Mentor's section on the Grand Lodge website should prove to be a useful tool for the Lodges and their Mentor's Chairmen. Special thanks to the two brethren from St. Lawrence District; W. Bros. David Wilkins and Fraser Duff for sharing this with the committee.

A major focus for the Mentor's committee this year was the development of a series of Mentor's Videos. This project was started last year and the first sets of videos were shot on March 29<sup>th</sup>, 2014. The committee is grateful to W. Bro. Reddy Sampath who owns and operates Camera Works Studios and agreed to shoot and produce the first video series for his costs. The committee hopes to have the first video available for critiquing prior to the Annual Communication.

In summary, the Mentor's Materials and Programs were substantially improved and are being well received across the Jurisdiction. The committee anticipates that interest and enthusiasm will also increase, primarily due to the improved products and services.

LEONARD FELDT, Team Leader

## CORNERSTONE

The year 2013 – 2014 can be deemed a success for Cornerstone on at least two fronts. First off, in addition to the core team of nine members, an additional 32 brethren assisted as either District Chairmen of Cornerstone or "unofficial" team members. The result was that lodges in 35 of the 44 districts had a Cornerstone contact person who resided within their district. The other nine districts were covered off by a member in an adjoining district.

To date, 94 lodges have indicated their intention to meet the requirements for Cornerstone designation by June 2014. An additional 33 lodges have signed up for 2015 while another three are committed to 2016. In total, 130 lodges have submitted letters of intent to participate in Cornerstone.

The 41 Cornerstone team members have been actively promoting Cornerstone throughout their districts. Several presentations on Cornerstone have been given at lodge meetings, workshops and seminars sessions. In March 2014, a video titled: "Introduction to The Cornerstone Project" was added to the Grand Lodge Website.

The committee is grateful for the support it has received from the D.D.G.M.'s that not only promoted Cornerstone within their districts but also for those that appointed District Cornerstone Chairmen.

In addition to their regular efforts, the committee conducted a brief survey of designated Cornerstone lodges to determine if there were any lasting benefits from earning this achievement. To that end, 25 of the 62 lodges that earned the designation in July, 2012 were somewhat randomly selected to be surveyed using the on-line Survey Monkey site. Nineteen of the selected lodges responded to the request, representing a 76% response rate.

Based on the lodges that responded, it appears that Cornerstone is viewed generally in a positive way. Although the sample size was small, the committee is confident that Cornerstone can be considered a useful tool for lodges that want to enhance their Mentor's program, increase their teamwork, encourage members to become more active, improve inter-lodge visitations and overall, identify the strengths of the lodge as well as those areas where more attention or efforts may need to be focused.

The survey also sought input for suggested changes (amendments, additions, deletions) to the Cornerstone standards, particularly as they pertain to the districts in the north. Although 36% of the respondents felt no changes were necessary, other ideas came forward which the committee will study and consider. 95% of the respondents indicated their lodge would continue with Cornerstone and re-apply for the designation.

In the near future, a revised Manual will be completed adding some clarity of language in various areas, including the letter of intent and the application form. Some standards have been amended to reflect the two-year cycle along with two additional standards, one in each of the Major and Basic Standards sections.

RON FINDLATER, Team Leader

### **OFFICER PROGRESSION**

After last June's successful Warden's Retreat held in Woodstock, several feelers went out to identified individuals to seek an interest in hosting a similar event. I am pleased to report that one session is being planned for September 2014 in North Bay. These sessions are designed and planned to meet the needs of the host Lodge, District or Districts with the target audience of these sessions being the Warden's and Deacon's.

The Officer Progression Team will also be holding a workshop during the 2014 Annual Communication.

KEVIN SMITH, Team Leader

### **FRIEND TO FRIEND**

The Tactical Initiative "Project 2013-03" to "Develop a guiding document for use by Sponsors and Committees of Inquiry" was the primary focus of the Friend to Friend committee this year.

### **REPORT OF THE D.D.G.M. ORIENTATION COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am privileged to present this D.D.G.M. Orientation Committee Report.

Our Committee held a total of 8 workshops at Harriston, Oshawa, Paris, Sturgeon Falls, Brockville, Ridgetown, Guelph and Vaughan. As in the past, we have presented to each host Lodge a cheque of \$75.00 to offset their costs as well as a letter expressing our appreciation for the use of their facility. This was well received.

Attendance is historically around 140 aspiring D.D.G.M.s and District Secretaries, however, this year we have exceeded 170. In addition, several current D.D.G.M.s participated adding their personal experiences during their term and offering encouragement to the aspirants. Necessary modifications were made to our presentation to further compliment the Past Masters Correspondence Course. Therefore, additional time was required to fully present this workshop and also to make sure all questions were answered.

We continue to review our material and strive to make necessary adjustments so that our information is as accurate as possible and adheres to the most current Book of the Constitution, Book of the Work and other resource materials that we utilize. There is no question that there is a wealth of valuable information in this course and the Past Masters course. Information changes, important questions asked, and improvements in our delivery evolve so that we may have a better product to present to our aspirants.

Once again our book sales have diminished as many have made prior purchases to complete the correspondence course.

The Chairman of The Condition of Masonry, R.W. Bro Paul Todd has asked that we clarify the use of the CD and how to properly fill out the forms. This was easily implemented into our Power Point presentation. We thank R.W. Bro Todd and his committee for assisting at our seminars.

In my humble opinion, this committee works very efficiently, effectively and respectfully together. We truly enjoy what we are presenting and fully appreciate the importance to the Craft that this workshop presents.

Special thanks to R.W. Bro. Paul Johnson for providing the necessary electronic

equipment and all the written data that we require.

Special thanks to our Grand Master M.W. Bro. Donald A. Campbell, our Deputy Grand Master R.W. Bro. John C. Green and our Grand Lodge office for your encouragement and support.

Respectfully submitted on behalf of the Committee R.W. Bros. Norm Allingham (Co-Chair), Paul Johnson (Secretary), Tom Keith, Ivor Bayley, Jack Nancekivell, V.W. Bros. Bob Ledingham and George Pohle.

THOMAS A. SIEMIERNIK, Chairman

## REPORT OF THE COMMUNICATIONS COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Communications Committee and its Teams are pleased to report on the progress we have made during this Masonic year. Taking our lead from our Grand Master, M.W. Bro. Donald A. Campbell, who has made Communications his No. 1 Priority during his term, the Communications Committee commenced the Masonic year by doing some soul searching and self-assessment. We began by reviewing a number of past Communications Committee year end reports, looking for trends that might appear and taking a critical look at what our membership was saying about communications within our Grand Lodge. This analysis resulted in the following findings:

- As a product of the data gathered from the 2011 Membership Survey and the 2009 & 2013 GAP surveys completed by the Board of General Purposes; it was clear that the membership and the Board (Committee Chairmen) all agreed that the present communications delivery system is not as effective as it needs to be.
- Grand Lodge Committee communications was “ad hoc” at best; silo based and did not fit with our Grand Lodge Branding and Consistent messaging strategy.
- It was also evident, that although some very good work has been accomplished by previous communication committees, much of it did not move forward, successfully, for many reasons.

Having these findings firmly in hand we began to chart a course. It was apparent that future delivery strategies, for the Craft, needed to revolve around the theme of “**Communications is a Partnership**”. Partnership is defined as – *An arrangement in which various parties agree to cooperate in advancing their mutual best interests.* By this definition alone, effective communication in our jurisdiction is in the mutual best interests of all Brethren.

### PARTNERSHIPS

Establishing a partnership group was uppermost in our minds; and, to do so, we actively pursued the following objectives:

- Establishing a much greater spirit of cooperation between our Grand Lodge Committees.
- Actively embrace the Grand Lodge Strategic Plan - “Rebuilding the West Gate” as the basis for our work.
- Convey Grand Lodge messages in a professional manner and with a unified voice
- Use all available and approved communications mediums to communicate with the membership.

As with any organization that proposes a significant change in how it conducts its business, most times gains are accomplished by taking small steps. Creating meaningful and sustainable change is not like throwing a light switch. First, it means that we must lead by example; and, to do so successfully, we must change ourselves by stepping outside of our silos and thinking more globally. The Communications Committee has accomplished that objective to a certain degree by forging Committee Partnerships with Masonic Education, College of Freemasonry, Brock University Partnership, Leadership Development and Youth Initiatives. The committee has also cultivated partnerships with the D.D.G.M.s and Editors of District Newsletters. This partnership, at the moment, is focussed on increasing the readership of the Ontario Mason Magazine. To date, partnerships have been forged with; Hamilton District C, Muskoka Parry Sound, Nipissing East, Ottawa District 1 & 2, Peterborough, Sarnia, Toronto East and Victoria.

## **INITIATIVE COMPLETION**

We have been successful in moving a number of initiatives from the drawing board, to implementation and practice. Did everything work as we had hoped, of course not, but we did implement and where necessary we refined the documents as they were put into practice. These included:

### **GRAND LODGE COMMUNICATIONS STRATEGY – POLICY & STANDARDS.**

This document was approved and distributed in December 2013. This document governs;

1. The intended use and display of the name; Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario, its Districts and Lodges, their Officers and members as well as the Square & Compasses within our Grand Jurisdiction.
2. The manner in which our Grand Lodge presents itself in all internal and external communications, in the development and display of all resource materials, manuals, guides, power point presentations and other similar documents.
3. It promotes the accuracy, consistency, clarity and professionalism required for the delivery of communication material pertaining to the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario's vision, capabilities and accomplishments.
4. It guides the internal electronic distribution of policies, memos, updates, etc. originating from Grand Lodge, its Committees and/or District Deputy Grand Masters and District and Lodge Event organizers.
5. And, finally it provides a publishing policy that outlines the level of judgement, care, prudence, determination, and investigation that a Mason would reasonably be expected to use when autoring a Grand Lodge publication."

### **MASONIC WEBSITE POLICY, GUIDELINES, TERM & CONDITIONS.**

This document was approved and distributed in December 2013. It contains;

1. Website Policy Statement.
2. Review and Approval Process for Lodge & District Websites.
3. Set of individual Best Practices for use in Lodge & District Websites.
4. Terms & Conditions for the use of "My Grand Lodge".
5. And, an Appropriate Use Guide and Dispute mechanism.

In addition, the committee and its teams completed three 2013-2014 Tactical Plan Projects. These included the re-introduction of the Ontario Mason Magazine in an on-line format (three issues posted in the first year), implementation of an Event Notification function on the GL website, coupled with user instructions; and, thirdly, a Community Engagement Strategy report that makes a number of recommendations regarding the development of various initiatives that will ensure that the image of Freemasonry, within the community, is accurate, provides value to the community and is in line with our strategic objectives.

We are pleased to provide the following reports from the individual teams within the Communications Committee:

## **WEB TECHNOLOGY TEAM**

The Web Technology Team has been working in conjunction with other Teams and Committees to improve the functionality and increase the use of our Grand Lodge Website. Specifically, features to display the menu items, improve the search functionality and add e-commerce to the website.

The addition of the e-commerce function, beginning with book sales, is a significant step forward and this website infrastructure will support additional e-commerce opportunities in the future. These include the possible sale of such items as; regalia, pins, lodge furniture and other Masonic paraphernalia. The feature would also allow for the purchase of event tickets such as a District Reception or Lodge Anniversary Celebrations, on-line. It may also extend, in the future, to paying our lodge dues on line with the funds being deposited directly into the lodge bank account.

The Grand Lodge website continues to be the authoritative source of Masonic information for our jurisdiction. All of our Committee Newsletters and resources are located and available on the Grand Lodge website. Some members have indicated challenges locating information on the website. To address these concerns, improvements to the search functionality and revealing the menu items were made, at least, in part. To further help our

Brethren understand how Grand Lodge has organized itself, the main menus (top level ribbon) are our Pillars (Operations, Crafts Stewardship, Membership, Communications and Community Outreach). Likewise all GL Committees and Teams have been organized under these same five Pillars. There is also a high level site map at the bottom of each in black to assist in navigation of our site.

The Web Technology Team responds to inquiries from “seekers” contacting us through the website. From July 2013 to April 2014 we received 473 inquiries into membership. Of this number 44% were inquiries forwarded to Lodges and/or Districts for personal follow-up; 39% of the seekers did not respond to the initial reply made by this Team and 18% required no further action. It is anticipated that by July at our Annual Communication, we will have received more than 500 inquiries regarding membership, via our website.

The Team Leader has had opportunity to speak at several events including; the Hamilton Districts Past Masters Association and the London Masonic Education Conference. These opportunities are greatly appreciated and provide an opportunity to outline the vision of our Grand Lodge website to the membership at large.

Moving forward, our focus will be on educating our membership on the use of the various features of the Grand Lodge website including; My Grand Lodge and the opportunities to leverage the e-commerce functions. The Team will also continue to enhance and improve the website based on feedback and suggestions from you, our members.

In closing, I wish to thank all the members of the Web Technology Team for the support and hard work, along with our Committee Chairman, R.W. Bro. Iain D. Wates, for his support and guidance. Lastly, a thank you to all who have provided feedback regarding the website; and, most of all, to those of you who are regular users of it!

Respectfully submitted on behalf of the Team

Richard W. Kaufman, Team Leader

## **INTERNAL COMMUNICATIONS TEAM**

The Internal Communications Team, again this year, promoted best practices for the production of Newsletters and Lodge Summonses. Recently a revised set of “Guidelines for Lodge Summonses & Newsletters” was distributed by our Grand Lodge, with the assistance of the District Deputy Grand Masters. This set of best practices is intended to answer questions about continuity, graphics, photographs and layout that might arise from the Editors of these publications, who quite often are the Lodge Secretaries.

The team wishes to make particular mention of the general high quality of Lodge summonses that are being created. The professionalism and creativity that is being exhibited deserves special mention. Lodge Secretaries are to be commended for the positive image in which they portray their particular Lodge.

This year, the Internal Communications Team adjudicated only Newsletters (both Lodge and District) and District Websites for Recognition Awards. The invitation to submit Newsletters was made in February 2014 via the Grand Lodge website and via the District Deputy Grand Masters. The Committee would encourage more Lodges and Districts to submit their Newsletters next year and, to facilitate that process, consideration is being given to having nominations open all year, until a April deadline.

It is becoming apparent that with the use of desk top publishing, digital photography and increased editorial skills, the quality of Newsletters and Websites have improved greatly over the past few years. It is likewise apparent that newsletter editors and webmasters are taking their job very seriously and each are created with a passion for quality.

## ONTARIO MASON MAGAZINE TEAM

The jurisdiction Membership Survey indicated a high level of interest in electronic communications from Grand Lodge including news, events, and publications. After an extensive review of other jurisdictions and in consultation with the Grand Master and past members of the OMM hardcopy teams, the idea of bringing back the Ontario Mason Magazine was renewed, but with a goal of doing so in a digital format viewable by all members on-line or download to their computer.

The goal was to deliver an electronic version of the Ontario Mason Magazine, available to all Masons and the public via the Grand Lodge website; promoting Masonry in Ontario to Masons and Non-Masons alike and educating and inspiring Brethren to learn more about and contribute to the advancement of Freemasonry in Ontario.

In November 2013 the first issue of the digital version of the Ontario Mason Magazine numbered as “Fall 2013” was published on the Grand Lodge website as well as being sent to the D.D.G.M.s across the Province. The first issue was rather lengthy and received mixed reviews.

With the second issue of the magazine, we learned from our mistakes, listened to the reader’s feedback; and, in February 2014, the “Winter 2014” issue was released. We are also pleased to report that, in early June, the “Spring 2014” issue was released.

The OMM Team is committed to a philosophy of continuous improvement, to ensuring the magazine reflects the activities of the Masons in the jurisdiction and highlights the communities in which our members live. In order to sustain this goal, the team requires your individual assistance in making certain that we have content that reflects the broader community of Freemasonry in Ontario.

And finally, in an effort to provide all Masons in Ontario with a viewing format that they are comfortable with, the team is dedicated to releasing the magazine, in upcoming issues, in “printer friendly” and “ePub” versions.

Please remember, if an event, celebration or activity *is important to you; it is important to us.*

Respectfully submitted on behalf of the Team.

DAN DIGNARD, Team Leader

## PUBLISHING REVIEW TEAM

The purpose of the team is to review publications before they are distributed. The focus of reviews relate to grammar, content, visual appeal and with the implementation of the Grand Lodge Communications Strategy – Policy & Standards the team was tasked with an added dimension, that of compliance with the strategy, policy and standards. Approximately fifteen items were reviewed.

In most cases, items were directed to our attention. However team members quite often found some publications and websites that required corrective counseling.

Team members have expressed a concern that, all too often, Ritual continues to be published in Lodge/District Newsletters. The membership is reminded that a Publishing Policy is available, within the Communications Standards document on the website; and that it is the duty of Authors, Editors, Webmasters and D.D.G.M.s to make themselves familiar with it so that this type of situation does not continue.

Following each review, in almost every instance, the composition of subsequent publications, etc. do meet the requested publication standards and expectation of excellence.

Respectfully submitted on behalf of the Team

D. LEE SUTHERLAND, Team Leader

In closing, the Communications Committee and its Teams wish to express their appreciation to M.W. Bro. Donald A. Campbell - Grand Master, R.W. Bro. John C. Green - Deputy Grand Master and R.W. Bro. John L. Hay - Management Liaison, for their unwavering support and assistance this year.

I personally wish to express my sincere gratitude to all Team Leaders and Members of the committee for the time and effort they have committed to the vision of enhancing communications within our jurisdiction through the concept of *Communications is a Partnership*. Without their great personal desire to serve the Members of this jurisdiction, the progress that has been achieved this year would not have been possible.

All of which is respectfully submitted on behalf of the Committee.

IAIN D. WATES, Chairman

## **GRAND LODGE OFFICE TECHNOLOGY REPORT**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

### **Computer Resources Disks Produced and Distributed**

Over 300 CDs and DVDs were produced and distributed throughout the jurisdiction to the brethren via the seminars and to the District Deputy Grand Masters. ### **Grand Lodge Forms**

Several Grand Lodge forms, including the Semi-Annual Return, DDGM Forms, Return of Officers, degree and installation set-up forms were update and posted to the Grand Lodge Forms site. These forms have been added to the Computer Resources Distribution CD and postings are made to the Forms Site as updates are applied so that these are available in a timely manner.

Most of the forms and the Semi-Annual Return may be completed on a computer using Adobe Acrobat Reader, available as a free download from [www.adobe.com](http://www.adobe.com) or from your Computer Resources Representative. Approximately 10% of the Lodge Secretaries requested and used an electronic copy of the Semi-Annual Return.

I would especially like to thank M.W. Bro. Terence Shand, Grand Secretary for his navigation and management skills provided to the committee.

## REPORT OF THE YOUTH INITIATIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The youth initiatives committee attended the International Order of the Rainbow for Girls Fort Assembly #26 Installation, at the Windsor Masonic Temple, on Friday June 21, 2013. Brienne John was installed as Worthy Advisor by the For Assembly sponsors; the Fort Malden Chapter #268 of the Order of the Eastern Star.

This year we had a tie for the Youth of the Year Award Recipient and the committee decided to share the award with both winners. Both names were added to the plaque and the two winners shared equally the \$500.00 monetary award and their youth groups shared the \$300.00 monetary award.

On August 8-10, 2013 we attended the International Order of the Rainbow for Girls Fifty-Eighth Grand Assembly of Canada "Dedicated to Dreams" Session held at the Holiday Inn Hotel and Conference Centre in Burlington. Melissa Mastroianni was installed as the Grand Worthy Advisor. The Deputy Grand Master, R.W. Bro. John C. Green attended the Banquet and the evening ceremonies of Installation of the Grand Officers and assisted the Youth Initiatives Committee Chairman in presenting the Youth of the Year Award to Kaitlyn Davies from Toronto Assembly #2.

On September 21, 2013 the youth initiatives committee attended the official installation of the new Windsor Essex DeMolay Chapter at the Windsor Masonic Temple. More than 60 people were in attendance to witness the installation of Michael Bleynaal as the Master Councillor and his officers. A great presentation by the Provincial DeMolay from across Ontario, did a wonderful job of initiating the new members, putting on the DeMolay degree and installing the new Chapter Officers. The Scottish Rite Valley of Windsor is sponsoring this new Windsor Essex Chapter. 30 masons from the area were present at the ceremony. This speaks well for the success of this Chapter in Windsor.

On behalf of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario, the youth initiatives committee thanks the Windsor Masonic Temple for their support of the new Fort Assembly of the International Order of the Rainbow for Girls and the Windsor Chapter of DeMolay by providing free rent for these youth groups to meet. This is a great example of our continued support of our Masonic Youth Groups.

On November 7-9, 2013, we attended the Ontario Provincial Conference of DeMolay, held at the Holiday Inn Hotel and Conference Centre in Burlington.

R.W. Bro. Jeffrey Baker, D.D.G.M. Hamilton "A" District, assisted me in presenting the Youth of the Year Award to Jad Lief of the Ottawa DeMolay Chapter. Hugh Kiddell was installed as the Provincial Master Councillor and Kathryn Horne was elected and installed as the Provincial Sweetheart. The DeMolay charity for the year is the **Shriners Hospital for Children**. Congratulations to Kathryn and the Jobs Daughters and all who got this charity off to a great start with \$820.00 raised so far. The Grand Director of Ceremonies, R.W. Bro. Howard Adams was introduced at the evening's banquet and installation. During the afternoon the Youth Initiatives Committee held their annual meeting at the conference centre and selected next year's topic for the Youth of the Year Award Essay. "A lot has been said about the benefits that can be gained from belonging to a Youth Organization. What are the benefits that the Youth Organization can gain by having you as a member?"

On January 11, 2014 the Youth Initiatives Committee attended the installation of Master Councilor, Seth Villavecer and the Officers of the G. Fred Kingsmill Chapter of DeMolay at the London Masonic Temple. After the Installation, the Degree of Chevalier which is the highest honour that can be bestowed on an Active DeMolay was bestowed upon Hugh Kiddell and Andrew Trembley. This citation is for outstanding continued service to DeMolay. Immediately after the Chevalier Degree, David Ticknor was invested with the Representative DeMolay Award. The Representative DeMolay Award is the highest self-achievement award Active and Senior DeMolay can earn. It's a self-assessment program where you progress toward goals you set for yourself. You complete a detailed survey of your interests, achievements, general knowledge and habits. "Dad" Land said it was his dream that every DeMolay should be a Representative DeMolay. Congratulations to all who were installed and who received the well-earned honours.

Witnessing the evening events where R.W. Bro. W. Jeffrey Brown D.D.G.M. London East, R.W. Bro. R. Randall Hawken D.D.G.M. London West, V.W. Bro. Michael Graystone

G.S., and W. Bro. Rick Wurm Master of Tecumseh Lodge No. 144, Stratford; we thank them for their support of the Masonic Youth. There were 60+ present for the evening, with 25 Masons in attendance. All those in attendance witnessed a well presented Installation, Chevalier Degree, and Award Ceremony. After the meeting the Provincial Sweetheart, Kathryn Horne raffled off a basket of goodies and raised \$114.00 to go towards her Charity, Shriners Hospital for Children.

On March 8, 2014 the Youth Initiatives Committee attended the DeMolay Sweetheart's Ball held at the Hamilton Consistory. Our Grand Master M.W. Bro. Donald A. Campbell was in attendance to witness the DeMolay degree during the afternoon and the banquet that evening. The DeMolay were honoured to have with them Bob Laing, International Master Councillor from Ohio and Chris Labaw, International Congress Secretary from Jersey. The Rainbow for Girls and the Jobs Daughters decorated the banquet hall during the afternoon sessions of the DeMolay degree. All present had a great meal and dancing till midnight.

Franklin Delano Roosevelt stated "We may not be able to prepare the future for our children, but we can at least prepare our children for the future".

The Executive Officer of the DeMolay Atlantic Provinces commented:

"For three years in a row we have been in the top 15 in the world, a statistical increase in membership of over 14%. It is a young man's fraternal organization recognized, staffed and supported by the Masonic Fraternity, and teaches the seven cardinal virtues consistent with Masonic enlightenment. Formed after World War 1 as a Masonic response to the number of young men deprived of a father and a father's influence, Masons fulfilled the male role model and played an important part in forming the character of tens of thousands, now millions, of young men. Is there still a need for DeMolay? Look around. The importance of a Masonic presence in the development of a nation's youth may be more important than it was 100 years ago. DeMolay will never by itself solve the Masonic membership problem, but it might solve the Masonic leadership problem. The Grand Lodge of Connecticut proudly boasts that 12 of their last 48 Grand Masters were Senior DeMolay.

Exposing young men to the good works of Freemasonry and teaching them by example the tenets of our Order will benefit them, our Fraternity and our country. Masonry has a tremendous amount to gain from youth and how much it has to give. They epitomize the high hopes of Masonry in a world in which those ideas will be needed with increasing urgency. The character instilled in these young men, the sum total of the moral virtues we teach, is important armour this or any other nation can have. When we lose that in our young people, we are doomed to destruction"

Our committee would like to express their appreciation for the assistance and advice from our Grand Master, Deputy Grand Master and Grand Secretary.

I extend my sincere appreciation to the committee members for their devotion to the support of the youth of this province. R.W. Bro. Allin Brown, R.W. Bro. Jim Williamson, V.W. Bro. John Black, V.W. Bro. Gerry Ouellette, W. Bro. Richard Looms, W. Bro. Blake Kennedy, Bro. Derek Friesen, Bro. Andrew McDonald, and Bro. Sheldon Kofsky (secretary).

Respectfully submitted on behalf of the Youth Initiatives Committee.

### **REPORT OF THE LEADERSHIP TRAINING DEVELOPMENT COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Deliverables from Tactical Plan Project 2012-01 were:

1. Develop a set of Key Competencies necessary for strong leadership within the Craft.
2. Develop a program to address and train members in those key areas.
3. Identify requirements (if any) for Members of the Board to complete this training. It may be different for Elected, Honourary, and Appointed members.

The Leadership Development Committee has gone through months of discussion regarding the nature of leadership and its role in an organization's health. It is not a trivial

subject and , because of that, our views have evolved over time. We have however, continually agreed that leadership, much like Freemasonry, cannot be taught, but, it can be caught (learned).

It is with this understanding that the document “Tactical Plan Project 2012-01”, subtitled “Submission to the Management Committee” and its three (3) deliverables was developed with the following recommendations and submitted to the Management Committee in December 2013.

### **TACTICAL PLAN PROJECT**

#### **Recommendations - Deliverable #1**

That the “Core Values and Key Competencies for Potential Masonic Leaders”, which outlines values and competencies, be submitted to Management, and once approved, be forwarded to the Grand Master and Deputy Grand Master for leadership purposes.

Where there is a specific element e.g. budget and finance, that “that area be referred to a more appropriate committee” as this is a management skill.

That the College of Freemasonry integrate a module based on the Competency descriptors in (the document) Core Values and Key Competencies for Potential Leaders (Appendix 1)

#### **Recommendations - Deliverable #2**

That a leadership Planning Workshop involve the Members of the Board, and in particular Elected and Appointed members, be convened in the spring of 2014.

That the College of Freemasonry integrate a module based on the descriptors in Appendices 1 and 2, supplemented by the material gleaned from the Leadership Planning Workshop scheduled for the Spring of 2014.

#### **Recommendations - Deliverable #3**

Effective 2018, Appointed and Elected Members of the Board successfully complete the Past Master’s Course (D.D.G.M. Course).

That the leadership Key Competencies be approved, and once approved, that these competencies be directed to the College of Freemasonry for integration into the Past Master’s Course.

Effective 2018, that an Honourary Member to the Board be exempt of the requirement to complete the Past Master’s Course, but as a Mason, be strongly encouraged to participate in the course as an example of leadership to his fellow brethren.

Effective 2018, an Appointed Member who was eligible for his initial appointment only be eligible for a subsequent reappointment if the Past Master’s Course has been successfully completed.

Effective 2018, an Elected Member would have successfully completed the Past Master’s course prior to the submission of his nomination papers for election to the Board.

The L.D.C. are pleased to note that the Management Committee supported the document “Tactical Plan Project 2012-01” subtitled “Submission to the Management Committee: dated December 2013.

### **REFERENCE GUIDE**

During the 2013-2014 Masonic year, the Leadership Development Committee continued their work, commenced in 2012, in the development and refinement of a usable Reference Guide for the newly Elected, Appointed, and Honourary Members of the Board of General Purposes of Grand Lodge.

The Reference Guide having been produced by the L.D.C., received the Management Committee support upon its presentation, on February 12, 2014. This material will prove invaluable to the new member(s) ensuring they become engaged, confident ambassadors of Freemasonry. The L.D.C. highly recommends that the “Reference Guide 2014, 02, 12” remain in a ‘hard copy’ form for in-service during the orientation program and be presented to the new members.

### **LEADERSHIP PLANNING WORKSHOP - CAMBRIDGE**

In October 2013, the Leadership Development Committee took further actions to thoroughly address the focus “develop and implement training for Members of the Board of General Purposes”. The Chairman, Vice Chairman, and Secretary of the L.D.C. met with the Deputy Grand Master and the L.D.C. pillar representative, at which time, the Chairman

outlined a plan for a Leadership Planning Workshop for the Members of the Board of General Purposes.

On March 8, 2014, at 8:30 a.m. there was an eighty percent plus (80%+) turn out of Board Members at Mystic Tie Lodge in Cambridge to participate in the workshop and offer their views on leadership. Keynote Speaker, Dr. David Naylor, 15<sup>th</sup> president of the University of Toronto provided extensive information regarding leadership and what it is to be an effective leader. He outlined how inspiration and effective leadership could make a huge difference in a system that context matters, and the challenge to men in leadership roles today is adapting to changing times. Teamwork and collaboration are now the hallmarks of leadership design, as leadership is both constraining and liberating, with firm foundations and clear values being so important. He asked, "Who are the next 47,000 Masons in Ontario and how do you know you have really made good men better?" The Chairman of the Communications Committee shared the link that communication can enable leaders in the craft. He identified existing gaps and drew on "My Grand Lodge" as a game changer in our website.

A committee member then shared the Key Competencies that had been identified by the L.D.C. as critical to those in, and those seeking leadership positions. These competencies can assist the keen observer in identifying high potential candidates for leadership positions within the Craft. Three groups were then formed to brainstorm answers to questions relating to the Key Competencies in four strategic areas: Strengths, Weaknesses, Opportunities and Threats (SWOT).

Following a period of discussion, the brethren shared their responses in a plenary session. These responses were then sent back to the breakout participants to produce recommendations for follow-up by the Leadership Development Committee. The last plenary session of the afternoon saw thirty-four (34) recommendations. The assigned task for the L.D.C. was to collate those recommendations into categories, develop a generalized recommendation for each category and suggest a committee to act on that specific recommendation.

The recommendations were:

1. Improve the usability (Serviceability) of the Grand Lodge web site - Communications
2. Develop a new process for the appointment and staffing of Grand Lodge committees. - Leadership Development.
3. Train lodge members (especially secretaries) in electronic communication - College of Freemasonry.
4. Document the process for administration of Grand Lodge projects - Long Range Planning
5. Publicize the Strategic Plan - Long Range Planning
6. Deployment of Leadership Workshops - Leadership Development
7. Develop Masonic Culture through the College of Freemasonry. - College of Freemasonry.

### **BIOGRAPHICAL PROFILES**

As commenced in 2013, Biographical Profiles will continue for those pursuing Elected positions. It is our hope that each profile will outline the candidate's Masonic experience, and elicit his skills, abilities, and merits as relevant to the Grand Lodge Mission Statement, and as further outlined in the Strategic Goals and Yearly Tactical Plan. Such a profile will assist voting Masons to be fully aware of the Brother's qualifications.

Grand Master, Deputy Grand Master, I thank you for the honour of serving on the Grand Lodge Board of General Purposes and the Chairmanship of this Leadership Development Committee team of Freemasons. These brethren have endeavoured to create a vision in an organization for the competencies and qualities which form a leader. They have done beyond being volunteers, they have become friends, working as a team. I extend my sincere appreciation to the committee members for their dedication in the development of leadership within Freemasonry. I am humbled. It is my privilege to introduce V.W. Bro. Craig Alderson (secretary), W. Bro. John Bezant, R.W. Bro. William Bowick, R.W. Bro. David Cameron (Chairman, Membership Pillar), R.W. Bro. Cliff Farber, W. Bro. Dan Hutt, R.W. Bro. Leyland Muss (Vice-Chairman), and R.W. Bro. Elliot Zovighian.

Respectfully submitted on behalf of the Leadership Development Committee.

ROLAND A. MORROW, Chairman

## REPORT OF THE PROTOCOL AND ETIQUETTE COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Ritual is the foundation and framework of our Order. As directed by Section 7 of our

Constitution, no individual Mason can change it, (with the exception of the Ritual Committee). It is sacrosanct, unerring and inviolable.

In contrast, Protocol and Etiquette is nothing more than a set of guidelines – but they are not ordinary guidelines. As described in *The Masonic Manual*, most are necessary. Certain traditions, landmarks, customs, usages, laws, edicts and regulations have evolved through the ages to form these guidelines. They are meant to govern our behaviour in Lodge and even in life. They should generally be viewed by everyone as desirable objectives.

No one can dispute that some P&E guidelines carry more weight than others. Some guidelines fall into the realm of mere common courtesy. Others are simply rules based upon a long and successful usage. Where no such rules have been formulated at all, whether in writing or by tradition, the good taste and sensitive feelings of the individual Brother remain as our only guidance.

P&E, therefore, has no distinct and unvarying boundaries. You may think of P&E as a concept, an agreed set of standards so everyone does the same thing, a set of rules to govern our behaviour in most situations, to bring about uniformity throughout our Grand Jurisdiction.

As succinctly expressed by R. W. Bro. M. Mickey Ander of the Grand Lodge of Virginia, who was such an inspiration to a countless number of Masons:

*“Masonic etiquette, protocol and decorum, by definition, is not something left to an individual to decide or to carry out according to his own taste. He conforms to it because it was formally adopted as a conventional requirement for acceptable behavior, whether he sees a good reason for doing so or not.*

*“An act of Masonic etiquette is some movement, action, courteous gesture or speech performed at a given time and place, in a certain manner, and according to rules, fixed and imposed by the Fraternity itself. Since the rules are for the good of the Craft as a whole, it affects each member.*

*“An organization such as ours adopts these rules to better enable it to carry out its good work in an atmosphere of harmony. They are not empty and meaningless, nor are they arbitrarily enacted. The rules have been tested, and they work!”*

The mandate of the P&E Committee is to communicate those standards of Protocol and Etiquette which are applicable in our Grand Jurisdiction, thereby creating a heightened awareness of them and to assist the brethren in becoming competent in them.

We endeavour to carry out our mandate by making presentations throughout the Province, by distributing educational material, and by responding to a multitude of questions from the brethren.

Our most successful initiative to date has been the electronic distribution of a monthly educational bulletin called ***P&E Essentials***. It is estimated that over 10,000 brethren read each Issue, including Masons in Newfoundland, Nova Scotia, Quebec, Saskatchewan, Alberta, British Columbia, the United States, Europe, and even in Asia. The key to its success has been its easy-to-read, easy-to-download, and easy-to-distribute, two page format. We are most grateful for the assistance of our District Deputy Grand Masters and so many of our Lodge Secretaries in the distribution effort.

Now that the committee’s seventh year of activity is coming to a close, it is a pleasure to report that there is a very strong awareness of the importance of Protocol and Etiquette in each of our 44 Districts. Our standards have definitely been improving.

The questions asked by brethren – at our presentations, by telephone and by e-mail – about all aspects of P&E, reflect their genuine desire to learn our standards and to practice them correctly. This year we also witnessed a commendable depth and complexity to the questions that were raised.

Formal requests for the Committee to conduct a P&E presentation again remained high this year. Twenty-four separate P&E presentations were given by Committee members over

the past twelve months, throughout the Province. Both the interest levels and the attendance at these workshops and seminars were admirable.

The Committee continues to address the importance of specific aspects of Protocol and Etiquette in our presentations, namely:

- The Masonic Memorial Services;
- The Reception of Grand Lodge Officers;
- Banquet Hall Protocol;
- The Ceremony of Installation and Investiture;
- The Committee of Inquiry; and
- How to Conduct the Ballot.

Comprehensive educational guidelines have been developed by the Committee for all of these topics. These guidelines are designed to compliment and expand upon those contained within *Meeting The Challenge* and *The Masonic Manual*.

Hard copies of these documents are made available to brethren who attend our presentations. They can also be found on the Grand Lodge web site and on several District sites. Many copies have been distributed electronically.

The task facing the Committee is an immense one. It will likely never be complete. However, our approach of using the electronic medium of web sites and e-mail messaging, together with the more personal “hands-on” venue of District workshops, appears to be fairly effective.

The pleasure of addressing this formidable task was considerably enhanced by the opportunity of working with a dedicated and accomplished Committee. The following brethren have deservedly earned my deep appreciation – and hopefully yours as well – for all their efforts and contributions: **R.W. Bros.** David Purvis (*Secretary*), Steven Armstrong, Art DiCecco, Dennis Hawman, Saliem Khoury, Michael Litvak, George McCowan, James Pearson, David Stevens, together with **V. W. Bros.** David Fernandes, Bryan Middleton, George Pohle, and Refik Yoney.

The P&E Committee reports directly to the Custodian of the Work. All of our material is reviewed by him before it is disseminated. A significant number of the questions we receive from the brethren are referred to him. We also endeavour to keep him fully-informed about all our activities.

On behalf of the Committee, I would like to express our appreciation to M. W. Bro. D. Garry Dowling, Past Grand Master and Custodian of the Work, for all the assistance he has provided to us during this Masonic year.

Respectfully submitted on behalf of the committee.

GORDON CRUTCHER, Chairman

## REPORT OF THE BROCK UNIVERSITY PARTNERSHIP COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year the Committee focused on the following parts of its mandate:

- In partnership with Brock University, encourage research into the significant impact fraternalism in general and Freemasonry in particular have made on society here in Canada and throughout the world;
- To assist Brock University with the series of annual lectures by world renowned and local Masonic scholars, with options for periodic multi-day conferences;
- To promote the project to the brethren and encourage donations to Project 2937 of the Masonic Foundation of Ontario.

The fifth lecture in the Charles A. Sankey Lecture Series took place on Sunday, March 30, 2014. Dr. Renée Lafferty, an Associate Professor, in the Department of History, at Brock University, was the keynote speaker. Dr. Lafferty's talk was entitled *Brothers in Arms: Freemasonry and the War of 1812*. Dr. David Schimmelpenninck Van der Oye, Professor, Department of History, at Brock University was the Master of Ceremonies for the Lecture.

The lecture was well attended with over 300 in attendance, including over 30 students. A short preliminary talk was given by Renée Girard, a Masters student enrolled in the Department of History at Brock. Ms. Girard spoke on some of the research that she has been doing on French Masonic books in the James A. Gibson Special Archives at Brock. These books date from the time of the French Revolution. The Committee is indebted to Dr. Michael Driedger, Associate Professor, Dr. David Schimmelpenninck Van der Oye, Professor, and Dr. Mark Spenser, Chair, all from the Department of History, and Jana Boniferro, Development and Communications Officer, in the Faculty of Humanities, Brock University for their time and effort in making the 2014 lecture such a success. To help promote the event, an invitation was extended through the Grand Secretary to the Grand Lodge of New York.

**SANKEY LECTURE WEBSITE** ([www.sankeylectures.ca](http://www.sankeylectures.ca)): There is a twofold purpose to the site: to provide information about current lectures, as well as an archive of previous lectures. During the year we updated and revised certain elements of the website. The video of the fifth lecture given by Dr. Renée Lafferty was made available on the website in May 2015. A short video of the presentation made by Ms. Renée Girard was also posted on the website. The video was accompanied by a number of photos taken at the event.

Future Sankey Lectures: As this year's lecture marked the end of the 5 year contract with Brock University for the lecture series, we are currently working on the renewal of the contract. At the same time, we are starting to plan for the 2015 Lecture.

As we have now completed the fifth lecture in the series, this allows us to review the timing, promotion and other aspects of the lecture series to improve future lectures. From the discussions with the Department of History, it is felt that the March time frame is most advantageous to attract students and faculty as part of the outreach of this program.

International Conference on the History of Freemasonry (ICHF) 2015: The organizers of the ICHF announced at the ICHF meeting held in Alexandria Virginia in May, 2011 that the 2015 conference would be at Brock University. Gareth Taylor represented our Grand Lodge at the 2013 Conference in Edinburgh and had an opportunity to meet with Bros. Ewan Rutherford and Andrew Mushet from SuperSonic Events (organizers of the ICHF) to discuss the 2015 Conference. In August of 2013, Dale Graham and Gareth Taylor met with Andrew Mushet and representatives of Brock University to review the venue and continue the planning process. Unfortunately, in January, 2014, Andrew Mushet indicated that Supersonic Events were not prepared to move forward with the Conference at Brock University in 2015.

During Committee meetings, the longer term goals of the partnership with Brock were discussed as well as possible mechanisms for funding of the initiative at Brock. As part of the Grand Lodge Tactical Plan, Project 2013 – 05 was assigned to the Committee. The assigned project was to “Examine options and provide recommendations for the necessary fundraising for the Brock University partnership”. Three activities were identified to support this initiative:

- Develop with Brock University a number of different Partnership scenarios for funding by Grand Lodge;
- Explore options for the establishment of an endowment fund at Brock University and;
- Explore options for fundraising for the partnership.

The Committee reviewed these three activities over the course of the year and presented the Deputy Grand Master with recommendations for each item.

Respectfully and fraternally submitted on behalf of the Committee, R.W. Bros. Art Di Cecco, Dale A. Graham, Patrick McGrenere and Charles Reid and Bro. Dan Graham.

GARETH R. TAYLOR, Chairman

A large number of submissions - All of which were well documented and worthy of much deliberation, as to their relative merits.

New applicants as well as updated repeat petitions delineated their generous contributions to our society.

Distinctive family and vocational histories along with service to their communities and our country, as well as to all facets of Freemasonry, these were cause for much anxiety by each committee member to attempt to prioritize and delineate the worthiness and relative status of each submission.

Your committee feels that the distinctive initiatives provided by the following Master Masons, reflect the highest standard of commitment to the ideals of Masonic Behavior and Stewardship.

In alphabetical order, we submit the following Brethren as the Epitome, for receipt of the William Mercer Wilson medal:

### **REPORT OF THE GRAND HISTORIAN**

*This Report was presented by V.W. Bro. S. Michael Jenkyns, Grand Historian, and on motion of the Deputy Grand Master, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to thank you, Most Worshipful Brother Campbell, for honoring me with the office and title of Grand Historian.

This report is submitted in accordance with the book of Constitution which requires the Grand Historian "to record matters that are connected with the history of Freemasonry in Ontario." Given the challenge posed by the subject a more comprehensive research paper was written and copies given to a number of research organizations across Canada including The Heritage Lodge.

One hundred years ago, on August 4, 1914, Great Britain declared war on Germany in what became known as the Great War. It would continue for almost 5 years. The Armistice of November 11, 1918, which we observe every year to remind us of all those who have served our Country and the many who gave their lives that our way of life could continue, was not the end. For the Great War, this would not occur until late 1919 when the last Canadian troops returned from the war in Russia. Wars have continued since then. The 1939-45 war saw "the Great War" becoming known as "the First World War" and the latter the "Second World War." And wars have continued and still exist to haunt our lives.

In 1914, all parts of the British Empire, whether Dominions or colonies, were, in almost every way, involved in support of Great Britain. So it was for Canada. From a broad perspective this period did much to put Canada on the world stage in its own right. Canadian forces were raised for the Canadian Expeditionary Force (CEF) rather than the “old way” which often saw Canadian troops fed piecemeal into various British units. Within a short time in France the CEF, through force of character and circumstances, became a Canadian Corps of four Canadian Divisions, led and commanded by Canadians. The attack and capture of Vimy Ridge on April 9, 1917 by Canadians showed that our forces had become the equal of all. And in 1919 Canada would attend the Peace Conference and sign the Treaty of Versailles in our own right.

And throughout this effort at home and abroad all elements of Canada’s society were touched and a great many were actively involved. *All aspects of society* — and our Masonic brethren were there in full measure.

Canada’s population (including Newfoundland) had reached 7.9 million on July 1, 1914. By the end of 1919, about 118,300 freemasons belonged to lodges spread across this area. During this period about 12,300 of those brethren enlisted and an estimated 1,000 died serving the colours. Canadian soldier masons occupied all ranks in the services from the most senior to the most junior. Sir Sam Hughes, Canada’s Minister of Militia and responsible for the good and bad of Canada’s mobilization, equipping and training, was a member of St. Andrew’s 16 in Toronto, Lieutenant-General Sir Arthur Currie, commander of the Canadian Corps (and prior to that the first commander of the 1st Canadian Division), was a member of Vancouver and Quadra 2, of Victoria and a Past D.D.G.M. The first Major-Generals of the other three Canadian Divisions were also (by happenstance and not design) members of the Craft: Richard Turner, VC, of the 2nd (whose VC dated from the South African War, was a member of St. Andrew’s 6 of Quebec City), Malcolm Smith Mercer of the 3rd (a member of River Park 356 and Victoria 474 in Toronto, and also, regrettably, the highest ranking Canadian killed in the war) and David Watson of the 4th (a member of St. Andrew’s 6 of Quebec City). Private Thomas Ricketts of the Royal Newfoundland Regiment was the youngest. He had enlisted at the age of 15½ and received the VC for his actions at Ledeghem, Belgium in October 1918 (when he was 17 years old), joining freemasonry in 1930 (when he was of age!).

The 1919 Annual Proceedings of our Grand Lodge report 457 registered Lodges in Ontario with a total membership of 72,029 members on December 31, 1918. It contains the reports of 438 Lodges indicating that 7,360 of our brethren had served in uniform and gives the names of 556 who died on the fields of battle and in training. Statistics for the other provinces indicate the following numbers by the end of the war:

- British Columbia and Yukon - 91 Lodges; 9,344 members; 1,464 enlisted; 73 died in service.
- Alberta - 119 Lodges; 10,485 members; total membership enlistments unknown, 77 died in service.
- Saskatchewan - 138 Lodges; 8,286 members; between 545 and 1,000 had enlisted; 119 died in service.
- Manitoba - 79 Lodges; 7,881 members; 1,106 enlisted; 107 died in service.
- Quebec - 66 Lodges; 9,244 members. A Memorial Tablet, unveiled in 1923, referred to 600 brethren who served the colours and Grand Lodge records list 60 brethren who died in service. To this number should be added 77 enlisted brethren of the two English Constitution Lodges in the Province, 9 of whom gave their lives.
- New Brunswick - 39 Lodges; 3,983 members; estimated 100 brethren enlisted; 11 died in service.
- Prince Edward Island - 15 Lodges; 930 members; 99 enlisted; 8 died in service.
- Nova Scotia - 77 Lodges; 8,133 members; 522 brethren enlisted; 51 died in service. To these numbers should be added 14 enlisted brethren of the English Constitution Lodge, of which 2 were killed in service.
- Newfoundland - using local historical sources it would appear that members of the 10 Lodges of the English District Grand Lodge and the 5 Lodges of the Scottish District Grand Lodge also did their duty. Data indicates that a total of 60 brethren had enlisted and were ready to embark onboard S. S. *Florizel* on October 4, 1914 with the departure

of the first contingent of the Newfoundland Regiment (later the Royal Newfoundland Regiment). Of this number, 3 (all members of English Lodges) were killed in service. How did we as Mason's act during the war?

We were good citizens first and foremost even though this created a challenge vis-a-vis neighbours in our cities, towns and villages. In some jurisdictions masons who had been born in countries that now constituted "the enemy" were excluded from lodge activities. In Canada, where we had immigrants from countries with which we were now at war, it was generally left to the decision of the lodge and the ballot as to whether an applicant was accepted.

Charity assumed a greater importance than heretofore. With the outbreak of war and the unprovoked German invasion of Belgium, Canadian Grand Lodges established funds for the relief of distressed Belgians and continued this throughout the war years. Reports in our Annual Proceedings regularly show the amount of funds transferred to King Leopold for local use. Grand Lodges found themselves financing other more specific projects such as the building and equipping of hospitals in Great Britain which were treating the wounded. And our Grand Lodges responded quickly to the need for support following domestic disasters such as the Hillcrest Mining Disaster (in Alberta) and the Halifax explosion.

Grand Lodges provided assistance, when requested, to dependents of our own serving brethren. Most of these dependents were living in Canada. Funds continued to be used in the postwar period when it became obvious that Canada would, for years to come, be concerned with the welfare of the widows and children of dead soldiers as well as those under long-term hospital care. By 1925 it was estimated that there were 20,115 widows, children and destitute parents of soldiers who were receiving pensions and this number included many dependents of our soldier masons.

Our Lodges provided support for their members in uniform. Lodge histories frequently refer to the remission of dues of serving brethren, the provision of "care packages" and support for dependents in times of need.

At this time in masonic development we did not use dues cards as do today. Our Grand Lodge and the others across Canada authorized Lodge secretaries to issue a paper certificate or card attesting to the member's good standing in his Lodge. This became an occasional problem in some locations: the Grand Lodge of England had constitutional conditions which precluded accepting such informal statements. A suitable resolution was obviously achieved with the large number of Canadian soldier-masons who visited Canada Lodge 3527 ER in London, in particular. On more than one occasion Canada Lodge members had to find suitable blue paper to be used for temporary aprons.

In France our soldier-masons assisted in the formation of new Lodges near the front lines. Through a fortuitous set of circumstances the furnishings of one wartime Lodge formed in Havre, France by British and Commonwealth soldier-masons has survived and now rests in Carleton 465 at Carp. This was *Loge Le Havre de Grâce*, No. 4 GLNIR, whose 71 founder members from around the world included 15 Canadians: 6 from Ontario, 4 from Manitoba, 1 each from BC, Alberta, Saskatchewan, New Brunswick and Nova Scotia. The six Ontario founders were: Captains W.R. Green (a member of Doric 58, Ottawa), E. Kelly (Dufferin 291, West Flamboro) and W.C. Stuart (Belleville 123, Belleville), all of whom served in the Dental Corps; Reverend C.R. Spencer (Chaplain Forces), of J.B. Hall 145, Millbrook; and Privates W. Ross (14th Battalion) of King Solomon's 43, Woodstock and A. Wallace (1st Bn. Canadian Field Artillery) who was also a member of Belleville 123, Belleville.

And soldier-masons (such as Private R.J. Meekren of Golden Rule 5 of Stanstead, Quebec) who was taken at Ypres in 1916) were sometimes able to develop contact with other captives and conduct informal lodge meetings. In other cases some of our brethren were treated well by the enemy. Major W.H.V. Hooper (a member of St. John's 63 at Carleton Place and later mayor of the town) was one such who had been wounded, captured and given preferential treatment that probably saved his life because, in his opinion, "he was known to be a mason."

Our Annual Proceedings show that requests for dispensation to initiate candidates on the night their petition was balloted or to accelerate the time between degrees, was resisted. In the debate on quality or quantity, the former was preferred. On the other hand, annual D.D.G.M. reports refer to issuing dispensations to permit a goodly number of soldier-masons

to receive their FC and MM degrees in other Lodges, often enroute to embarkation points. From a review of lodge membership data in our Annual Proceedings, it appears that larger city Lodges suffered less from the departure of enlisted members but many small, rural, lodges often lost key young members and Lodge activities were severely challenged.

It has long been remarked in lodge and district histories and in social reviews of the time that many returning soldiers sought a solace with others who had encountered the same horrific wartime situations. They were also seeking an anchor in life. This is partly reflected by the immediate postwar period of growth in our Ontario membership: from 1919 to 1920 we grew by 14 Lodges and 8,891 members; from 1920 to 21 by 15 lodges and 3,365 members; from 1921 to 22 by 26 lodges and 7,594 members; climbing steadily through the onset of economic challenges to 1929 when we record a total of 564 lodges and 114,237 members. With this growth our remembrance of the war years is reflected in some names of new lodges: Earl Kitchener 538 at Port McNichol (now at Midland) formed 1917 and The General Mercer 548 of Toronto, formed in 1919 were named in memory of senior allied officers who gave their lives. Victory 547 of Toronto (now at Markham) formed 1919 and Victory 563 at Chatham, formed 1920, War Veteran's 586 at Toronto, formed 1921, and later renamed Remembrance and removed to Markham, and Defenders 590 of Ottawa, formed 1921 remind us of five years of war and a victory. They remind us that we should never forget our soldier-masons.

In the Great War, as in other war and non-war situations — men . . . Canadians and others — acted as situations demanded. Masons and non-Masons behaved as they were expected so to do. We cannot imagine what conditions they faced — in the Somme battles and at Passchendaele, or to hold the line at Ypres while poison gas shells exploded nearby. A few were recognized for exceptional service. Of 73 Canadian recipients of the Victoria Cross during World War I, 13 were Freemasons.

What was the cost to Canada of The Great War? Our total contribution is estimated at 650,000 men and women out of our total population at the time. Of these 66,000 gave their lives. We can never forget them and we must be forever grateful to the many, today, who continue to defend our way of life.

I have been blessed with the help and assistance of a number of Masonic colleagues across the breadth of this country. To them I express my deep felt appreciation.

So mote it be!

Respectfully and fraternally submitted.

MICHAEL JENKYNs, Grand Historian

## **REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the Report on behalf of the Committee. There were 15 reviews of Proceedings this year, and while all acknowledge the issues and challenges facing Freemasonry, they all reflect a spirit of optimism. There is a willingness to change and adapt to new social conditions without having to compromise principles.

Declining membership, at 3% or more across the board, still remains the common concern. All agree that it is impractical to expect a return to the high membership numbers of the past. However, all the reviews contain comprehensive details of programs designed to counteract this trend, slow down the rate of loss, and in a few cases, predict an increase in the not too distant future.

Most Jurisdictions describe the influx of new, younger members, through the Internet or by traditional recommendation, and the care and attention that they must have in order to retain them, as the last opportunity to reduce the rate of decline of membership in Freemasonry. Some still strongly express the opinion that obsession with numbers may, in the long run, adversely affect the Craft and emphasize that quality must remain preferable to quantity.

The United Grand Lodge of England points out in its Quarterly Communication, that there is always a list of Lodges to be erased when numbers have fallen, the redressing of which remains a top priority. Conversely, there are always new Lodges being consecrated, which may seem something of a paradox.

The members of the new Lodges have considered its sustain ability carefully, and if it only survives for say 50 years, many people will have been introduced to the institution of Freemasonry who otherwise might have missed out, which is still a cause for celebration.

The major focus of all Jurisdictions is placed on the following programs:-

**MASONIC EDUCATION** as an essential part of every lodge meeting.

**LEADERSHIP DEVELOPMENT** to improve the proficiency of all line officers.

**MENTORING OF NEW CANDIDATES** through all three degrees and beyond in the interest of membership involvement and retention.

**FINANCIAL STABILITY.**

**PUBLIC RELATIONS PROGRAMS** designed to improve the perception of freemasonry within the community.

**COMMUNITY INVOLVEMENT.**

**THE DEVELOPMENT OF NEW INFORMATION TECHNOLOGY;** the use of TWITTER, FACEBOOK and other new methods of communication to attract the interest and attention of new younger members.

**RESEARCH BY THE GRAND LODGE OF OHIO REVEALED** that the average age of people accessing their web sites with regards to freemasonry is 27 to 54, well below their average age of 65. Professional management of the web sites may then ensure that the sites are constantly improved and upgraded to become a valuable tool in efforts to increase membership.

All Jurisdictions are taking a long-term view. Most have minimum 5 Year Plans, reviewed and adjusted on an annual basis. The Grand Lodge of Prince Edward Island for

example, has involved all of its 15 Lodges in a discussion seeking recommendations and possible solutions to the fact that, if the current membership situation continues as at present, it will suffer a further decline of 30% by 2025. Positive input from all Lodges has resulted in a constructive, multiple-point plan to address all these problems, and secure the future of Freemasonry on the Island.

I am grateful to Committee members R.W. Bro. Kim McGeagh and W. Bro. Harry Bishop for their efforts and contributions in accessing and preparing Reports on Best-Practices, taken from international web sites, and to R.W. Bro. Iain Wates for his assistance in distributing the Reviews.

My sincere appreciation is expressed to the Grand Secretary and his staff for their assistance in securing the Proceedings from Grand Lodges.

Respectfully submitted on behalf of the committee.

COLIN C. HEAP, Chairman

## **GRAND LODGE of IRELAND**

### **Annual Report, Freemason's Hall, Dublin, December 2012**

It is said that the Sun never sets on Irish Freemasonry. It is the second oldest Grand Lodge in the world, dating from 1725, and its influence extends far beyond its own borders into Africa, Asia, New Zealand and the Caribbean. The Annual Report illustrates the common bond uniting all these Jurisdictions; a sense of history; quality of membership; the pursuit of excellence in the practice of Ritual; adapting to a changing world without sacrificing Masonic principles; a strong emphasis on the social element of the Craft and universally, a commitment to charitable ventures encompassing Masonic Boys and Girls Educational Benefit Funds; Assistance for Widows and Distressed Brethren; Masonic Havens providing medical facilities for the elderly; substantial support for the Arts.

On the Home Front, the Provincial Grand Masters report that membership remains stable, from static, to a slight decrease or slight increase. Great significance is placed on the work of the Grand Lodge of Instruction. The Board considers it essential that all Lodges encourage their incoming Officers, particularly those taking a position for the first time, to attend Ritual classes to give them the confidence to carry out their duties effectively and continue the long tradition of quality Ritual within the Lodges. An upward trend in attendance at these events is the measure of their success.

All of the efforts and initiatives mentioned in the Provincial Reports may be summarized by that of the Metropolitan Area, which has many achievements to celebrate since its inception during the 1990s. The Metropolitan Board and all the Lodges within their area are focusing their energies and resources into a "VISION FOR THE FUTURE." The drive is towards improving the quality of governance within the Metropolitan Area - the programs, their efficiency, the communications, and most importantly, the quality of experience of the Brethren who actively participate in Freemasonry.

The aims of “VISION FOR THE FUTURE” are many and varied but may be accommodated under five headings:

1. COMMUNICATIONS AND PUBLIC RELATIONS
2. GOVERNANCE
3. MEMBERSHIP
4. RITUAL
5. SOCIAL.

“We live in a changing world, and not always for the better.” the Report states. “However, in 2013 our aspirations will be different from bygone years. We have many younger men joining Freemasonry and we must provide an interesting program for them, never losing sight of our Masonic principles and ensuring that our Order thrives well into the future. Our Plan will assist with implementing and managing change effectively. We cannot achieve all that we want today, but with the support of the Board, Grand Lodge and the Brethren over the lifetime of the Plan, we can prioritize and focus on the future to achieve our objective. An effective plan must involve all stakeholders. However, we must never lose sight of the fact that we are a volunteer-led organization with many people giving of their valuable time and talents for the benefit of the Order. We must all find a balance as we engage with all stakeholders throughout the lifetime of the Plan to provide a sustainable organization for the future.” M.W. Grand Master George Dunlop, on the subject of the positive public perception of the Craft, discussed the third “Irish Freemason's Young Musician of the Year Competition of 2012” held at Freemason's Hall. Fourteen semi-finalists are taking part. A very prestigious Jury has been appointed from Ireland, Scotland, England, Austria and France.

“This has become an important, prestigious and well-respected Music Competition, growing in status each year and we have every reason to be proud of initiating it. I am pleased that as well as myself, the Deputy and Assistant Grand Master, the Final will be attended by the Deputy Lord Mayor of Dublin, the Minister for Arts, the Pro Chancellor of Trinity College, various Ambassadors and other distinguished guests. Our aim is to raise our social standing and level of respect in the community. I am pleased to see it is being achieved.”

The public perception of Freemasonry in Ireland has always occupied a place of great importance to Grand Lodge in its attempts to reassure the public of the true nature of Freemasonry - that by its actions in the community and the principles it espouses, Freemasonry is a force for good. Over the course of decades it has made great strides in overcoming the hostility of the Media and leaders of the mainstream Churches, from the Papal condemnation “Quo Graviora” in 1826, giving Brethren the choice of membership or excommunication, and the brief proscription by the Government in 1825 on the grounds of Masonic Lodges being centres of political unrest. For much of the past one hundred years, these fears and constraints inhibited progress. As a result, Freemasonry went “underground” plagued by a negative image and poor publicity. Through television, print media and meetings with Church and community organizations, this situation has improved dramatically. On this subject, the M.W. Grand Master commented:

“Freemasonry is not “apart” from society, but “a part of society”. Membership in our Order is open to all men of integrity and goodwill, regardless of colour or creed, acting in harmony. Harmony, my brothers, is a only a simple word of seven letters, but it implies so much, for if we do not have this noble quality, or try our utmost to practice it, dissension, discord and turmoil invades our homes, our institutions, our governments and the nations of

the world. Let us uphold and fight for these democratic principles and doctrines and spread Harmony, not only to the Brethren in our institution, but also to the rest of the world. Certainly, we can accomplish those common objectives through the practice of Harmony.”

## **GRAND LODGE of PENNSYLVANIA**

### **Quarterly Communication, Lancaster, Pennsylvania, December, 2012.**

**428 Lodges**

**108,758 Members**  
(Loss 2,903)

“What can I do as your Grand Master to make this Fraternity flourish for future generations?” asked R.W. Grand Master Jay W. Smith, in his opening Address.

“Prior leaders have established foundations and made available many tools for our benefit and we must accept the responsibility to build on them. Therefore, my theme for the next two years will be:

**“FREEMASONRY - MASTER BUILDERS-BUILDING FOR OUR FUTURE”**

Many Past Grand Masters have worked hard to advance and grow Freemasonry, with their own ideas for promoting the good of the Fraternity, but before they could be implemented, they fell by the wayside as each new Grand Master initiated his own programs. I intend to continue and expand on those proven successful programs as well as introduce my own. As we move forward, each one of us must get away from thinking “But we have always done it that way.” Some in the Fraternity feel that change is too fast or too slow, while some do not want any change at all. It is not acceptable to watch the Fraternity dwindle to nothing while standing silent. We have been given the tools to increase our membership, but many times I have heard that we are a group of ill-informed and uneducated Brothers when it comes to Freemasonry. We need to better prepare ourselves to communicate effectively to our brothers and non-Masons alike. In the next two years, we are going to introduce new programs as well as enhancing existing ones to educate and maintain our membership.

I am establishing a MASONIC INTERNET EDUCATIONAL PROGRAM for new Master Masons and existing members. The first online educational lessons will be on: THE HISTORY OF FREEMASONRY, HOW FREEMASONRY AND APPENDANT BODIES WERE ESTABLISHED IN PENNSYLVANIA and MASONIC LAW. Additional lessons will follow over the next two years.

I am proposing that the Grand Lodge fee of \$100 and Grand Lodge Dues be excused for all full-time students, ages 18-23 years, attending either a two-year or four-year institution, who join the Craft. I also encourage Lodges to reduce the Initiation Fee or Lodge Dues to attract younger men who attend these institutions.

I am establishing a MASTER BUILDER'S AWARD for new candidates who complete a specified set of requirements.

I will continue the GRAND MASTER'S AWARD PROGRAM established by Grand Master Sturgeon for Lodges that complete a specified set of requirements.

I am proposing the ELIMINATION OF LIFE AND HONORARY MEMBERSHIPS. In today's economic climate the income from the principal does not cover the member's Lodge Dues for the year. The Lodges should not be burdened with subsidizing these Dues.

I am asking every Lodge to establish the GRAND LODGE MENTORING PROGRAM for all new candidates. I am asking that a brother be assigned as a Mentor for one year. This will help our new Brothers to become more involved in the working of the Lodge and its activities.

The new Ritual Manual is now two years old. It is now time to expand it by adding the rest of our ritualistic work to make it complete. We will add the following: BUSINESS OF THE LODGE, EXAMINATION OF A VISITOR, THE TABLE LODGE and THE PROCEEDURES FOR THE ELECTION AND INSTALLATION OF OFFICERS. There will be no further questions in regard to our ritualistic work.

I would like to see more DAY-TIME LODGES formed for our senior members and for those who night shift and cannot attend Lodge meetings in the evening. This could be accomplished by taking a Lodge that is struggling and making it into a day-time Lodge by forming a new Lodge entirely.

I am asking that each Lodge have one OPEN HOUSE a year and I suggest that it be done as a District-wide initiative.

Each Lodge will be required to have a ONE-DAY CLASS each year to welcome new candidates in an expedited fashion. By accommodating their busy lifestyles, we hope to attract good quality men to our ranks.

The RANDOM ACTS OF KINDNESS AND COMMUNITY INVOLVEMENT PROGRAMS are working and will continue.

We are conducting an AMNESTY (DUES FORGIVENESS) PROGRAM for the current year for those Brethren suspended for non-payment of Dues. The process is as follows:

The suspended Member, having paid his current year's Dues to the Secretary, will have his name included in the next Lodge Notice. Re-affiliation will be announced at the Stated Meeting. If there are no objections prior to or at the Stated Meeting, the suspended Member is automatically a Member of the Lodge. There is no need to conduct a vote unless an objection exists. If there is a valid objection, then the objection will stand.

Additionally, ten RITUAL SCHOOLS OF INSTRUCTION and seven WARDENS TRAINING PROGRAMS are scheduled throughout the Jurisdiction this year.

As you can see, we have some work ahead of us. There are many in society who would like to see Freemasonry disappear or become ineffective. We cannot allow this to happen! We must begin today to build for the future. Freemasonry should not be practised in the dark or hidden under a bushel basket. It should be practised in the brilliant sunshine for all to see. Throughout our history we have been challenged time and time again. When we respond to these challenges successfully, we will flourish. If we fail to respond in a positive way, we will go backwards. Through the guidance of the men who have preceded us, we will become well and truly prepared for the task which lies ahead. The future belongs to those who can meet and work through the challenges to come."

**GRAND LODGE of PRINCE EDWARD ISLAND**

31<sup>st</sup> Annual Conference of Grand and District Grand Lodges A.F. & A.M. of Canada  
Winnipeg, Manitoba, March, 2012

**15 Lodges****738 Members**  
(Loss of 26)**JURISDICTIONAL REPORT**

M.W. BRO. LARRY B. ETHERINGTON, GRAND MASTER.

“Being Canada's smallest Province has allowed me the opportunity to visit each of our 15 Lodges, which has about 738 Brethren. This has allowed me to meet each and every Lodge Master and the majority of the Masons on our island in Lodge or at their places of residence.

My theme for the year was MASONIC EDUCATION and PROTOCOL, two subjects I feel very strongly about. On numerous visits over the last couple of years I have noticed that a few of the Lodges' Ritual work and Protocol was being neglected, with Ritual books being out in open Lodge, Brethren standing and talking without being recognized by the W.M. and even walking about the Lodge. While this applies to only a minority, I feel that Lodge discipline should improve, and what better way than with MASONIC EDUCATION?

Having a Grand Lecturer and not using him is a complete waste of time, so I detailed him to give a paper on Masonic Education and Protocol at each of my Grand Lodge Visitations. As well, we revisited all 15 Lodges and delivered a similar program for their regular meetings. From the response from the Brethren, these lectures have gone over quite well.

I have attended quite a few EA, FC and MM Degrees, and have had the privilege of giving the Charge in each. At each visitation I informed the W.M. that if he needed me to do any Ritual work and I was not busy, I would attend his Lodge and give it. Unlike some of Lodges in other Jurisdictions, where I have noticed that the Masters seem very nervous when the Grand Master shows up, I have put myself out there and allowed the Masters to contact the Grand Secretary or even myself if they want Ritual work done. I am very eager to do it for them.

Initiating, Passing and Raising a Brother is just the start of their Masonic life. Keeping them interested and retaining them is another thing altogether. Remember, we want quality, not just quantity. We must keep our new Brethren interested and involved in what is happening in the Lodge, and this does not necessarily mean putting them in a chair they are not ready for. As we all know, when we were first made a Mason it was all just a blur. We must explain what has just happened to them and there is no better way than the MASONIC MENTOR PROGRAM. Not all Lodges on the island are using it but I have encouraged them to do so. I wish that when I became a Mason there had been such a program as it would have put a lot of things into perspective that I did not understand and felt embarrassed to ask about.

In keeping with our tenets of Brotherly Love and Relief, there are a number of Lodges in P.E.I. who drive cancer patients for their treatments in Summerside and Charlottetown. This done at no cost to the patient; but I know the Mason who drives them gets no small satisfaction just by being able to help in a small way. Their efforts have been recognized by patients who have sent thank you cards in appreciation, and even by the Canadian Cancer Society.

The Grand Lodge of P.E.I has generally steered clear of organizing, aiding and abetting general financial charity work directed to charity outside the Fraternity. We do have a trust fund set up to provide bursaries to relatives of Master Masons. This is not a huge amount of money, as it comes from interest earned on the investments. We do have a Benevolent Fund to assist distressed worthy Master Masons, their Widows and Orphans, and will match individual Craft Lodge contributions in such cases. My charity this year is Camp Triumph, a place where children and siblings of those who have grave illnesses can come to and unwind. There are lots of places for those who are sick to go, but what about the ones who face death or sickness of their parents or siblings on a daily basis? These people also need a place to go to try and forget about all the problems they have been facing at home. I have discussed this Camp at each of my Visitations and the Brethren have been very supportive and generous with their voluntary donations.

I have held two Education sessions this year; the first was on how to retain and get more men to join our wonderful Fraternity. The other was to allow Brethren an opportunity to give a five minute paper on a Masonic subject of their choice. The latter is designed to get the Brethren involved in reading and researching Masonic information.

We must meet the expectations of our new Masons, many of whom know as much or more about Masonry as we do. We must give them good quality Degree Work and interesting meetings and appropriate challenges to their intellect to maintain their initial enthusiasm. The more effort and care we put into our Degrees and Lodge work, the more our new Brother will appreciate what he has experienced and will give it back to us commensurately.

In closing, I would like to say the Grand Lodge and all its Lodges in P.E.I. are striving to give effective Leadership, so we can better each and every Mason that joins our ranks, and give them the best Masonic experience we can to make them good and productive men.”

### **Grand Lodge of Saskatchewan 106<sup>th</sup> Annual Communication, Saskatoon, Saskatchewan, June 2012**

**59 Lodges**

**2,892 Members**  
(Loss of 153)

The Report on the Condition Masonry included a comprehensive section submitted by all DDGMs that evaluated the condition of every Lodge in their respective Districts. A scale of rating points is applied to the overall condition of each Lodge, encompassing everything from:- Performance and Quality of Officers; Ritual; Officer Training; Masonic Education; New Member and Candidate Training Program; Lodge Notices; Condition of Regalia; Buildings; Financial Condition; General Reputation and Acceptance of the Lodge in the Community.

The summary concluded that:

The majority of the Lodges are doing well with respect to Membership and the quality of work.

The Lodges in some of the smaller communities are struggling. Lack of new members is jeopardizing their future existence. Some of them wish to continue but because of this and other factors will be unable to do so.

Other factors relate to the age and worthiness of the Lodge building.

A sobering report detailing the decline of membership in the Craft Lodges in Saskatchewan from 1991 to 2012 provided the information that, during that time the number of Lodges declined from 130, with a total membership of 8,185, compared to the present number. Major factors to consider are that the rural population in that time period decreased from 33% to 20% and that 13% of the male population is over 65 years of age. The decrease of membership in the last year alone caused a loss of \$6,600 in Grand Lodge revenue. However, the present Per-Capita will not increase in 2013. The Board of General Purposes proposed that a task force be established to determine if the District Representatives could provide assistance in revitalizing Lodges in their respective areas. While recognizing these facts, and the continuing decline in membership, the Report concludes that the decline is slowing and that, with a little optimism, they may look forward to an upward path.

The successful Lodges, as observed by MW. Bro. Carl A. Krause, Grand Master, are those that keep their younger Brethren busy with Ritual and committee activities. Some Lodges lack the energy and enthusiasm required to keep the Brethren involved. Sometimes it is just that the Brethren have become apathetic and feel bogged down by the pressure of keeping their Lodge open. They must be helped in order to remain viable; however, they have to want help and be willing to accept it when offered. The Lodge Development and Renewal Program recommended that struggling Lodges hold Information Nights for the general public, as past experience has shown they are successful. The Committee will also match advertizing dollars, up to \$100, for ads in their local newspaper.

He also outlined the initiatives he has set for himself for the forthcoming year. One is to carry on the Business Plan implemented three years ago. While this plan is successful in that a number of its objectives have and are being realized, it is incomplete. To this end it is moving into its fourth year during which time the members of the Business Review Committee will be initiating an examination of the committee structure of Grand Lodge, most notably the work of the Standing Committees that report to the Board of General Purposes. This will be a major undertaking and involves much more than a cursory examination of the roles of the various committees; it will involve examining how our organization functions, be those functions with respect to our work with youth, research and education, communications both within our Fraternity and with the greater community, the condition of individual Lodges, the issue of membership, administration and finance. Our computer equipment is being updated and our web site and newspaper, the Tracing Board, are being improved to increase the sharing and distribution of information. As stated, this will be a major undertaking.

Another initiative is to complete the Grand Lodge Survey, implemented almost a year ago, which has yielded interesting and useful results. They are still being evaluated and will hopefully lead to some ideas on how to improve this very event, our Annual Communication.

The Grand Master also stressed the need to extend our hand to our Concordant Bodies. The stronger they are, the stronger we are. We need their support and they need ours in order to maintain the vitality of our Craft.

Finally, the Grand Master shared his thoughts on his theme for the forthcoming year: "CONSIDER THE BENEFITS"

"Those of us who are Masons have chosen to stay with this Fraternity for a variety of

reasons. For some, the social networking and mutual support they derive from the Fraternity is perhaps almost reason enough to be a member. It provides us with opportunities to give – to provide relief – whether it be through one of the several recognized charities that individual Lodges and Concordant Bodies provide, or through scholarships and assistance to our communities, hospitals and seniors. Again, the benefits seem endless

And then there is the pursuit of truth - to learn about our Fraternity - how it came to be. The curious scholar will learn how Masonry has over the centuries been attacked and ridiculed. but has seemingly always emerged as a wholesome organization that has included among its membership men of great stature and influence, as well as men who in the grand scheme of things, are quite ordinary. Yet all are seen as equal within the Fraternity, that is men whom we can associate with on the level. For me, the pursuit of truth – the study of Freemasonry – is one of the great benefits that one can derive from being a member of the Craft. I trust that I will be able to bring to the position of Grand Master the dignity and honour it deserves and will carry out these responsibilities with gratitude and humility.”

## **GRAND LODGE of LOUISIANA**

**202<sup>nd</sup> Annual Communication, Baton Rouge, Louisiana, February, 2013.**

**250 Lodges**

**20,404 Members**  
(Loss of 750)

THE GOALS AND OBJECTIVES COMMITTEE continued to recommend two very important features of the LONG RANGE PLAN implemented in 2006:

- Improved education of the members concerning Freemasonry.
- Proper management of the finances of this Grand Lodge.

“Education of the Brethren in Lodges must improve and the use of the monthly Masonic Quiz mailed to every Lodge, supplied by the Committee of Masonic Education, is an easy method to help educate members. During the Bicentennial Year of 2012, Masonry in Louisiana was highlighted along with the State of Louisiana's own events. We all need to know more about our heritage and history.

A second educational opportunity exists with the monthly Masonic Service Association Bulletin mailed to all Lodge Officers, which, during a Lodge meeting, can help inform the Brethren on many subjects of Masonic interest.

As the Grand Lodge per-capita gradually increases by \$10 per member until 2018, the finances will improve if, and only if, the membership numbers stabilize. While many think that this Grand Lodge has sufficient funds to maintain long-term operations, each of the funds are invested and dedicated to specific purposes and can only be used in those specified areas. Financial success depends on wise investments and prudent use of revenues, a sound practice which also applies to Constituent Lodges. Remember that change is inevitable. Progress and improvement are optional. We are in the Brotherhood business and having properly educated members and a well-financed operation will help ensure progress and a successful business.”

The **MEMBERSHIP AND DEVELOPMENT COMMITTEE** noted that Lodge membership in Louisiana has declined every year since 1964. Each year they analyze how

the membership is ageing and declining in numbers as a result. However, there is a positive side. This year, the Craft gained over 300 new members with an average age of 30. Younger men are finding out about the Fraternity, and it becomes the duty of all of us to let them know who we are and why we exist. The Committee recommended several new ways to attract new men to a Lodge, noting that ideas are worthless if they are not implemented. The recommendations include:

- Invite community members to your Lodge, especially the skeptics. The Master of one Lodge sent invitations to the Clergy and town leaders. He then gave a presentation on Masonry which generated a wonderful question and answer session. Three applications resulted from that one meeting alone.
- Look at your personal role and responsibility. If there are EAs and FCs out there, it is your duty to contact them. If a member thought enough of a man to sign his petition, he should care enough to contact him and find out why he is not advancing. It could be for personal reasons or that no one is contacting him. We won't save all of them, but don't assume we won't save any.
- Be proud to be a Mason and talk it up. Become active in your communities and be visible. When we have Open Meetings, take a few moments to explain who we are and what we do. Don't just invite non-Masons to our Lodges. Take a minute to invite current inactive members. Sometimes all it takes is a 'phone call to get them back.
- Remember our elderly Brothers and offer them assistance. We must all assist each other in the growing of our Masonic Fraternity, as membership statistics show that gains are constantly off-set by Demits and Suspensions. Remember, we cannot make people attend, but we can make them want to attend.

The **PERMANENT COMMITTEE ON WORK** gave a very positive overview of its activities during the year. The Committee has a great working relationship with the 19 District Grand Lecturers throughout the State, promoting a high standard in the practice of the esoteric work. Certificates recognizing improvement and proficiency are awarded to Masons following examination and must be completed or renewed every two years until 13 examinations have been completed (called Gold Level) after which exams are optional.

Coded teaching aids for Instructors are provided for all three Degrees, containing the catechisms all the candidates are required to commit to memory and recite in Lodge. Teaching aids and Standard Work Books are not permitted to be used in a tyld Lodge of Masons. This program has proven to be invaluable in training the membership to present accurate, quality, esoteric work, including proper Floor Work, throughout the State.

The **INFORMATION TECHNOLOGY COMMITTEE** continues to oversee and evolve the Grand Lodge Website. They have contracted with a professional web developer to perform continuing maintenance and updates. They have installed a system to expand and improve the Lodge Secretaries online reporting functions. A call to Grand Lodge is all that is required to set up a Lodge with a log-in and a password. It is the goal of the Committee to have all the Lodges operational with the Secretary Database as soon as possible. As always, the Committee is looking for additional ways in which the Website and Database can be of assistance to the Constituent Lodges.

Taking all these initiatives into account, Grand Master Elect, M.W. Bro. H. Edward Durham outlined the course he has charted for the future of the Grand Lodge of Louisiana:

“It has been the objective of the Grand Lodge Officers to take a team approach in tending to the business of the Grand Lodge. We will continue with that approach. It is my desire that all Grand Lodge Officers become intimately involved in all our activities. I have asked each of them to choose an area of responsibility and to develop projects in these areas and to implement and supervise them for the benefit of our future Fraternal labours. As Masons, we should be co-operative with our leadership, even when we disagree with them. We must endeavour to be the Brothers we profess to be. If we do not visibly display the qualities that set us apart from the rest of the world, then we are no different from those outside of our Fraternity. Our Fraternity cannot sustain itself if we do not do this. Let us then resolve to offer our very best to each other and the Craft in the days, weeks and months to come.”

### **GRAND LODGE of NEW BRUNSWICK**

146<sup>th</sup> Annual Communication, Saint John, N.B. May, 2013

**41 Lodges**

**3,154 Members**

(Loss of 120)

The 5 year plan of the Grand Lodge of New Brunswick is intended to focus on three major areas:

1. Membership
2. Attendance at Regular Lodge Communications
3. Education

Each Lodge within the Jurisdiction was requested to address the needs of the Lodge through a disciplined planning process, keeping in mind the targets of the Grand Lodge Strategic Plan. A number of Lodges have taken advantage of the initiative to set targets for the year, thus engaging their membership, resulting in better attendance and a more harmonious Lodge. For others, it has meant venturing into new territory. To recognize this, Grand Lodge put into effect a process would allow the individual Lodge to measure its progress and allow the Master to demonstrate that a particular goal in his Lodge's Strategic Plan has been accomplished.

Great efforts were made by a few leaders in the Province to increase the focus on Education Programs and to include the participation of the Brethren of the Lodge. There has been an increased development of more carefully researched, prepared and presented Masonic subjects, leading to the possibility that the way to address all three issues is to concentrate on the third – Education and Learning. Masonic Education in one form or another has been a regular occurrence at nearly every Lodge in the Jurisdiction, and a number of these presentations have begun to involve the younger members of the Craft, going so far as to open the floor for discussion and participation. The topics have included ideas and opinions on the Ritual, the Obligations, the Lectures from the different Degrees and the true meaning of the Work. The Training and Education Committee noted that the theme of the annual Conference of Grand and District Grand Lodges A.F. And A.M. of Canada this year is to focus and place great emphasis on Masonic Education. Any attempt to improve the quality and content of a meeting is a step in the right direction.

The Grand Lodge Membership Committee noted that in two short years a total of 279 Brethren left the Fraternity, and in most cases the Lodges had no clear idea why. The Committee posed the question –

“Are we as Freemasons responsible for the decline in membership? With the ageing of our Brethren, the decline we are experiencing will continue and even grow over the years to come.

We must as Masons take a serious look at and work on things we can control, such as Demits and Suspensions, and see what can be done to reduce and possibly eliminate these losses. We believe some of the keys to success are enlightenment and education about our Fraternity.

However, we must embrace our Constitution and regulations and remember that when interviewing potential candidate we sometimes may be influenced by being overly concerned about numbers and that is an act of desperation and should not be a consideration. The quality of a man is what will build a strong and lasting membership. We often focus on the negative when discussing membership. Although we must analyze the numbers in order to look for solutions, we must remember that negativity is very destructive and contagious. Do not let it destroy our Fraternity from within. Let us work on our shortcomings and our problems and do it with a new attitude and a positive approach.”

“We may not be able to prepare the future for our children, but we can at least prepare our children for the future.” This quotation by Franklin Delano Roosevelt summed up the guiding principle of the Youth Committee and the Order of DeMolay and its importance to the future of the Craft. New Brunswick and the other Atlantic Provinces were in first place for net growth of the DeMolay organization in Canada.

The Executive Officer of the DeMolay Atlantic Provinces commented:

“For three years in a row we have been in the top 15 in the world, a statistical increase in membership of over 14%. It is a young man's fraternal organization recognized, staffed and supported by the Masonic Fraternity, and teaches the seven cardinal virtues consistent with Masonic enlightenment. Formed after World 1 as a Masonic response to the numbers of young men deprived of a father and a father's influence, Masons fulfilled the male role model and played an important part in forming the character of tens of thousands, now millions, of young man. Is there still a need for DeMolay? Look around. The importance of a Masonic presence in the development of a nation's youth may be more important than it was 100 years ago. DeMolay will never by itself solve the Masonic membership problem, but it might solve the Masonic leadership problem. The Grand Lodge of Connecticut proudly boasts that 12 of their last 48 Grand Masters were Senior DeMolay.

Exposing young men to the good works of Freemasonry and teaching them by example the tenets of our Order will benefit them, our Fraternity and our country. Masonry has a tremendous amount to gain from youth and how much it has to give. They epitomize the high hopes of Masonry in a world in which those ideals will be needed with increasing urgency. The character instilled in these young men, the sum total of the moral virtues we teach, is the most important armour this or any other nation can have. When we lose that in our young people, we are doomed to destruction.”

The Report of the Public Relations Committee noted that there are still some within the Fraternity who believe that there is no need for their Committee as part of a Grand Lodge philosophy. Regardless of what is thought by a small number of Brethren, the Report stated in that in today's society the lack of a certain level of communications will leave the organization isolated and subject to unnecessary ridicule without any amount of truth being

presented. Therefore, with the goal of presenting the positive and forthright aspects of the Fraternity, the Committee continued to work without infringing on any of the Fraternity's obligations. Over the past year, while working with the media, it was possible to get many of the basic community activities organized by Lodges throughout the Province positive exposure without appearing political or commercial in any of the news releases. A proposal was presented to Rogers Cable Network by the Public Relations Committee with regard to the upcoming election and appointment of Grand Lodge Officers for 2013-2014 with special emphasis placed on the new Grand Master. The response was favourable, with Rogers expressing an interest in producing a half hour program on Freemasonry in New Brunswick, including filming some of the activities during the weekend of the 2013 Grand Lodge Communication. The cumulative effect of such print and visual publicity will, it is hoped, make individuals take notice of the Fraternity without ever being recruited or approached, having a positive effect on future membership. The Committee summarized their mandate in a quote by John D. Rockefeller; "Next to doing the right thing, the most important thing is to let people KNOW you are doing the right thing."

The Reports of the DDGMs of all seven Districts illustrate varying conditions; a mixture of progress and challenges. Most Lodges are on solid financial ground, are active in their communities in social and charitable events, and assist each other in the performance of the various degrees. Many are working hard to implement the 5 year plan, with resulting success in attendance and membership. Their extra efforts make their meetings more interesting and enjoyable. On the other side, concerns still surface about declining participation and numbers, particularly in the Northern District where the combination of changing demographics and the high average age of the current membership, make it difficult to attract new young members, placing the future of several Lodges in jeopardy.

Commenting on the State of the Craft in New Brunswick, M.W. Bro. Peter M. Whittaker, taking all these conditions into account, said:

"I had hoped that, in my second term, I might see the tide turn and our numbers increase. Alas, such is not the case. I am encouraged, however, by the number of new candidates coming forward; good men of strong character and high morals. We are not looking for men who will become Masons and swiftly drift away into the night. We want dedicated Brothers who will spread the word that Freemasonry is the greatest Fraternal organization in the world, and whose contributions will promote a strong and vibrant Fraternity well into the future."

## **GRAND LODGE of OHIO**

### **224<sup>th</sup> Annual Communication, Akron, Ohio, October, 2013**

**498 Lodges**

**94,878 Members**

THE STATE OF THE CRAFT address by M.W. Grand Master James F. Easterling Jr. pointed out the continuing theme of the Reports of the last several years; Ritual, Leadership and Membership.

"**RITUAL.** Today we have the same centuries old teaching, our Ritual, a system of education that would improve the world around us, which we pass on to those seeking enlightenment. If we abandon this, we are nothing more than a social club. My experience over the last few years has shown me that our younger generation wants more than a social

setting. They want to make a difference. We must rededicate ourselves to carry on the Ritual heritage with which we have been richly blessed.

**LEADERSHIP** is part of our human structure. We are all leaders in what we do, but we need to be sure that we take the opportunity to team together in our Lodges and feed off our strengths and gifts. I have seen fully seasoned veterans and youthful members form that kind of strength that is necessary to carry us forward.

**MEMBERSHIP.** We know that our numbers are not what they were in the past. What is the answer? In the two items detailed above, we have the answer. We lost an entire generation of men because we hid in our Lodges and did not let them know what we have to offer. We need our leaders to look outside the box and be innovative in our communities, churches and workplaces. It is our obligation to ensure that our existing membership is given the highest quality of leadership, so they in turn, will bring family, friends and acquaintances into the Fraternity. The Initiation Rite of our Degrees should give every new member the insight, knowledge and desire to live their lives with a resolve to become a better person and create a better community. This is the experience every Mason has a right to receive.

**THE GRAND MASTER'S ONE DAY CLASS** was held on two occasions this last Spring. Districts across the State came together and conferred the 3 Degrees on over 2000 candidates. In my experience, there is no difference with these men and those who came in 'the long way.' The difference is in the way handle each and every new member. I challenge all Lodges to get their candidates involved in the work of the Lodge, participate in lodge functions and continue to educate him and all your members regularly.

***I am recommending that we improve our performance in the following areas:***

**SOCIAL MEDIA** for the last number of years has become vital in our society at large. This is also true of our Lodges and members. I have been fortunate to be able to express my thoughts through Facebook. I believe we have to monitor ourselves and maintain the high standards of Freemasonry not only in our personal lives, but on social media sites. It is my recommendation that all Lodges continue to implement these programs and that Grand Lodge focuses on developing a social media policy to preserve the integrity of our Fraternity.

We have used our Website to promote the various activities of Grand Lodge over the last year. Facebook can be used as an additional tool to promote grand lodge events and messages, and may be updated with photographs. Research and monitoring of the Facebook page and our Website has revealed interesting facts.

- The overwhelming majority of visits to Facebook are from men from aged 25 to 54.
- 70% of the enquiries made to our Website are from first time visitors.

We must use this information in a manner that will attract new members, stabilize our overall numbers and assist in membership retention. Consider the following:

**THE GRAND SECRETARY'S REPORT** contains the following hard, plain facts. There are:

- 498 Lodges in the Jurisdiction.
- The average age of our members is 65.

- 138 Lodges showed a gain in membership.
- 33 showed no change.
- 327 showed a loss.
- The average loss per Lodge is 5.
- Average Dues per member declined to \$53.76.

So, as I said once before, “What is the answer?”

I propose that the Education and information Committee be divided into 3 new Committees as follows:

1. MEMBERSHIP in the Fraternity has show a decline for 50 plus years. Our ageing Brotherhood and the public perception, for whatever reason, has made it difficult for some Lodges to survive. Now that the Masonic Lodges in our State have become tax-exempt, the exemption will not be worth the paper it is written on if there is not a Lodge to take advantage of it. Lodge finances are crucial. Loss of members equals loss of income to both the Lodge and Grand Lodge. The biggest culprit, in all Jurisdictions, is Suspension for Non-Payment of Dues. This is one we really have to work on. Increased membership will take care of that. We shall communicate throughout Ohio the critically of Freemasonry; the fact that the future of the Lodge is dependent of attracting and retaining new members in order to keep the Lodge growing and developing. We shall propose, develop and implement a plan and process to achieve this goal. We shall put the same effort into plans to reduce Suspensions, and do likewise for those who have been Suspended to consider re-affiliation.
2. LEADERSHIP. We will propose and implement similar programs to assist in the development of effective Lodge Officers who are highly motivated and committed. Topics shall include Planning, Organizing, Delegating and Communication. We shall conduct seminars, conferences and forums focused on leadership skills and techniques, to provide all Officers with the appropriate tools and materials.
3. MASONIC EDUCATION. We shall set as a goal, the improvement of Masonic Education among the membership, concentrating on Masonic History, Philosophy and Symbolism, so all members will gain in knowledge of the Craft. We shall prepare, create and distribute educational programs, content, materials and publications, providing instruction for the Lodges, and will encourage them to utilize all such programs to their maximum advantage. Seminars on Masonic Education will be conducted as appropriate. A total of 56 District Education Officers will be appointed to assist with this reworked program.

Progress on all initiatives will be measured against established goals and will be reported along relevant recommendations.

Let us make Masonry something we are all proud of and that others will WANT to join. Make a commitment to membership retention and development.

My theme for this year is, “TOGETHER....WE CAN.”

Through innovative fellowship and Masonic Education we can enhance the Masonic experience for not only new candidates, but for all members.

My Brothers, this is the answer. Together...we can.”

## **GRAND LODGE of SCOTLAND**

### **Year Book Annual Report, Freemason's Hall, Edinburgh, 2013**

The Annual Report gave an overview of the activities of the Grand Lodge of Scotland and the 26 Districts worldwide that look to it as their governing body, charged with communicating the Aims and Relationships of the Craft to the Daughter Lodges abroad and how these basic tenets should be practised and realized.

In broad strokes the Report addressed public image, membership retention, generational differences and their effect on membership, education and leadership and harmony between Jurisdictions in conflict. The substitute Grand Master, Brother Alexander Galbraith, presented a summary of the present Condition of the Craft in Scotland, from both the perspective of the Provincial Lodges and from that of the general public. He stated:

“Freemason's Lodges have been an integral part of community life in Scotland for over 400 years, and it is probably true to say, that until about 100 years ago a large part of every community was synonymous with membership of the Lodge. Nowadays, it is unfortunately a fact that the importance of the Lodge within its own community has somewhat diminished. However, Freemasonry, like other movements, has had its downturns, but has always risen to the challenge.

Last year Brethren, you may remember that I said that Freemasonry must adapt or we will cease to exist and I also encouraged the Lodges to embrace our younger members and allow them to practice their talents. I reiterate those comments this evening, Brethren. Indeed, I was most heartened and overwhelmed by the positive response from Brethren who spoke and wrote to me when I addressed the same topic last year.

It is a sad fact of life that the general public in Scotland are not always aware of the financial and other social assistance given by Lodges to worthy causes outside the Craft, so we must educate them and let them see that Freemasonry is for good and an antidote for the ills of society. Last year, following the riots in England, Prime Minister David Cameron promised to confront “the moral collapse” in British society, and yet we read in the newspapers everyday of the widespread abandonment of moral principles by Politicians, Presidents, Government Ministers and Celebrities. But has it ever struck you Brethren, that this new “Social Morality” that the Government is advocating amounts to no less than a charter for Freemasonry, for the quintessential definition of Freemasonry is “The practice of every moral and social virtue.” No institution can boast a more solid foundation than that on which Freemasonry rests.

Brethren, the influence of declining world standards is now permeating the Craft, only to a limited extent at the present. But such things can be insidious and can multiply only too rapidly. Our public image therefore must not be marred by the conduct of our members, not even one.

Freemasonry, Brethren is in urgent need of an “Atmosphere of Acceptance” with the general public, a totally justifiable image of dedicated, generous and compassionate men with a high regard for family values, their roles in their communities and for the plights of the less fortunate. The high regard of the general public would then provide the incentive for men

to join our ranks and would act as a shield against the reactionary forces which would undermine our society.

Our beloved Craft, like individuals, has both a Reputation, which is what we are thought to be, and a Character, which is what we really are. If your reputation is better than your character you will be found out sooner or later, so we should not spend time and money trying to convince people that we are good men. So Brethren, we have a golden opportunity to enlighten the general public, for we are all aware that our Character is miles better than our Reputation.”

Most Worshipful Brother Willem S. Meijer, Grand Master of the Grand East of the Netherlands, in proposing a toast to the Grand Lodge of Scotland said:

“Historical links between Scotland and Holland have always been strong and contacts frequent. That is not only true for commerce. We both had to compete with that strong competitor south of Hadrian's Wall. We share the ill fame of being a thrifty tribe, inventing copper wire, by two men each holding one side of a coin. In Masonic affairs we share a common heritage too. All Freemasons in the world are aware of the important role played by Scottish Freemasonry. The books of David Stevenson are witness of the “Scottish Century” in Masonic history. The transformation from “Operative Masonry” into “Speculative Freemasonry” may well have taken place on Scottish soil. Freemasons love history, including conflicts from time to time. Our French brethren can testify to that. Masonic ties between Scotland and us survived the Boer Wars. However, let bygones be bygones and common history a source of appreciation. Freemasonry is not about tradition and history alone. Our movement will have a prosperous future if, and only if, our ideas firmly founded in the 18<sup>th</sup> century of Enlightenment and dating back to the days of the Glorious Revolution and even before, continue to motivate the men and women of our time, and the generations who will come after us.”

Brother Charles Iain R. Wolrige Gordon of Esslemont, Grand Master Mason, responded to this toast, saying:

“The Grand Lodge of Holland, one of the oldest Masonic Grand Lodges in the world, has over the last 256 years, enjoyed the patronage of royalty, the political classes, and many distinguished and famous Brethren from the fields of medicine, literature, the law and science. What is sometimes forgotten by Historians is the persecution suffered by Freemasons during the Second World War, and none more so than our Dutch Brethren. It was one of the first organizations to be banned, and their then Grand Master died in a Concentration camp.

The Grand East of the Netherlands and the Grand Lodge of Scotland has very close relations. I was very impressed, on my last visit, by the solemnity and sincerity of the Ceremonies, and, like our Grand Lodge, you place great value on preserving the traditional values and dignity of the Craft.

This year, we hosted a meeting with a number of European Grand Lodges, where the situation in France was discussed. Sadly Brethren, as you are aware, the Grand Lodge of Scotland withdrew recognition of the Grand Loge Nationale Francaise on July 12<sup>th</sup> 2012. We believe that it will be unhelpful for our, or any other Grand Lodge, to be seen in any way to be taking advantage of the situation in France. It is a French problem, and a long term solution will best emerge from the French Brethren themselves. Scotland will always be willing to listen and give advice, if asked. However, I believe it may be a number of years

before we would be in a position to once again recognize a Regular Grand Lodge in France.

Although we in Scotland have been fortunate to avoid the problems faced by our French Brethren, we cannot be too smug or complacent, as there is a clear warning of the consequences if we ever forget or neglect our own teachings, of tolerance to our fellow men and respect for his opinions and beliefs. Discord and disharmony, especially amongst senior Brethren can be a damaging and poisoning cancer that we must be continually be aware of. In my experience the damage is done not to the Brethren who may be in disagreement as they are usually too consumed by their own entrenched positions, as to notice the damage they are doing to the Craft as a whole. We must never forget that whilst men join Freemasonry for different reasons they continue with the Craft because they enjoy it. They do not join to become involved in, or witness, disputatious or argumentative relations, and invariably, if this does occur many ordinary Brethren will simply stop attending.

When we try to analyze or seek answers as to why the retention rate of new members is generally unsatisfactory, perhaps we should take a step backwards and critically ask ourselves the questions:

- Are we, in our Lodges, Provinces, District and Grand Lodge, always acting towards one another in the true spirit of Brotherly Love, Relief and Truth?
- Have our actions always been an example to encourage new Brethren or have they, perhaps inadvertently, discouraged them?

Far too often, Brethren, we hear complaints that we are not proactive enough in seeking a positive PR towards the Craft. I do not accept that our PR is poor, and our Benevolent deeds over the last few years have been recognized by the public at large. Other Grand Lodges spend large amounts of money on PR Consultant fees in an attempt to raise their profile with the public. Such campaigns can be expensive and it is very difficult to judge whether they are successful. I would rather spend our resources maintaining our charitable efforts, and while we should be proud of our efforts we should remember that the motive that should drive our charity is because it is the right thing to do and NOT a publicity seeking exercise.

Brethren, as we enter our 277<sup>th</sup> year, we can be confident that our Craft is as relevant today as when our forefathers first met in Edinburgh to formulate our Grand Lodge. Our strength has always been our ability to develop the character of men to enable them to become useful members of society, and although society is rapidly changing, especially the means of communication, the principles we have relied on have not changed. However, we must embrace these social changes, and I believe we are in a much better position than other Grand Lodges to implement change. Scottish Freemasonry is a much more democratic organization than other Grand Lodges, having more freedom with regard to Rituals, Customs, Regalia etc. We should use that individuality to our advantage. We are becoming more open about our membership and I believe are beginning to shrug off the tendency to assume that the non-Masonic general public are biased against us.

Open Days are generally very successful, but could we not extend this to have public debates or lectures about the Craft? We have nothing to be ashamed about. I wonder if the limiting factor is a lack of confidence felt by members – even senior members- to answer basic questions about the Craft from non-members. We have also all seen a Past Master fob off a question from a junior member with the remark –“ Aye, you'll learn in time, son “ - a sure sign that he has been stumped by the question. Just as it is true in operative Masonry that the experienced Master must pass on his skills to the apprentices, so is it the duty of all Master Masons to ensure the next generation of speculative Masons have the skills they need

to authoritatively defend and promote the Craft. Every Trade or Profession nowadays requires their membership to undergo a programme of Continuing Education. A Freemason's journey should commence with him receiving his diploma as a Master Mason. It should be the start of his journey, not the end. Lodges, Districts and Provinces should perhaps be more proactive in ensuring they are equipped to support the Brethren in this regard.

Brethren, we have a wonderful Institution and we should be positive and optimistic about the way forward”

## **GRAND LODGE of WYOMING**

### **139th Annual Communication, Evanston, Wyoming, August, 2013**

**45 Lodges**

**3,416 Members**

“Men will pursue perfection in everything they do, and along the way, may achieve excellence”.

This quotation by Vince Lombardi underscored the theme of the Grand Orator's Address, the pursuit of excellence in the presentation and communication of Masonic Ritual.

“That is a pretty good motto, because, organizationally, we must make excellence in our Degree presentations a top priority, and one of the focal points of a Lodge's reason to exist. Individually, we must make a renewed commitment to strive for the best presentation of our Degrees and ideals by learning the necessary skills in order to teach and perform them with accuracy and enthusiasm, using those qualities of conviction, compassion and intent.

We have all heard that Masonry is truly a system of morality, veiled in allegory and illustrated by symbols. It seems reasonable to expect that one of the main goals of our Masonic institution would be to present this system of veiled allegorical symbols in a manner that will provoke understanding and inspiration, that will influence our hearts and minds, so that each of us may practice in our daily lives, those same moral principles which are inculcated within Masonry.

Common sense tells us that to go from being good to becoming better requires us to change. This is something which all of us at one point in time seem to resist – getting out of that comfort zone. We learn the process of change through communication, which in this instance means having something in common, an empathy, something to share.

The reasons are clear that change requires sacrifice, discipline and courage. We all know that words are symbols, whether written or spoken. They represent a unique set of specific images. When we communicate we are attempting to imprint our word symbol into the mind of another person, so that they can in turn view it in what some have called “the third eye” of the mind. The key to this process is imagination, the ability to create the desired image in both the sender and receiver. Joseph Conrad once wrote, “Only in men's imagination does every truth find an effective and undeniable existence. Imagination, not invention, is the supreme master of art and life.”

This isn't easy. We also live in a world of ideas and concepts. There is an elusive shadow, a sub-text, the underlying, often unwritten or unspoken meaning of the word symbol. We have all had occasion to “read between the lines,” or note what wasn't said rather than what was.

You may ask, “What does this have to do with me?”

When we use words in everyday natural conversation and dialogue, we are usually talking about something we understand, or know about, or to which we have an emotional attachment. They must not come out sounding artificial or mechanical, devoid of expression, so the question becomes, “How do we apply those qualities of natural expression in the presentation of our Rituals in order to enliven them?”

The goal we are seeking is honesty, sincerity, conviction, the Ritual spoken in a manner that illustrates the truth of the message. This isn't magic. It is a skill, and everyone can learn and accomplish it.

The problem often arises in our Lodges, where we are expected to say these words with the same natural qualities. It doesn't work out that way, as they are written in a manner, flow, organization and style that is quite different. Who wrote them? When were they written? They weren't originated by me. It is not the Reader's Digest.

In our State of Wyoming, we have seven Community Colleges and a main University. Each has a speech, communications, theatre and drama department, with highly educated people. We need to use these resources. You've already paid for them. Organizationally, you could invite from your local College, a speech scholar to help with your Degrees. You do not need to divulge the Work in order to get help with the process of presentation.

Individually, you could enrol in an appropriate class. An honest self-appraisal would suggest the area where you need help; grammar, pronunciation and projection for example. These institutions are very welcoming to adult or non-traditional students. So don't fear that you will be out of place.

We could form a State-wide Degree Presentation Team to work with the District Education Instructors to design – this is the key word for everyone - PARTICIPATORY – educational workshops, where these new-found lessons could be applied. You could certainly form and lead a group in your Lodge to help each of your Brothers to elevate their skills.

We could advocate for practice sessions, during which we could strive for self-improvement by inviting valid criticism. We are all Brothers aren't we? There are a lot of other possible creative solutions. We are only limited by our imaginations, or when we all realize that failure occurs only when we stop trying.

My Brothers, in my opinion, Freemasonry will never become extinct or irrelevant. It will endure as long as we are willing to learn, change, adapt, and at the same time maintain high standards and our allegiance to our Ancient Landmarks.

I am suggesting that through our commitment of efforts there is still time to rejuvenate, revitalize, and re-energize the message of Freemasonry for its future sustainability.

This, my Brothers, is our responsibility.”

**GRAND LODGE of OKLAHOMA****March 2014 Edition of “The Oklahoma Mason”**

An overview of the Condition of Masonry in the Grand Lodge of Oklahoma

Address by M.W. Bro. Ronald Jack Chambers, Grand Master.

“The Grand Line is here to assist and will participate in any event at your request provided we are given enough notice. We know it is important to strengthen Oklahoma Freemasonry in every way we can. No one wants to be the last Mason to turn out the lights.

The program for this year is called **“HAND TO BACK.”** It stresses the importance of Fraternalism, of helping each other, of strengthening our Fraternal ties and of guarding the West Gate. In fact, the first element of the program is entitled **“GUARDING THE WEST GATE.”** It means proper investigation of men who petition for the Degrees of Freemasonry. It is what the door of the preparation room is called. There is an increasing concern that we have not guarded the Western Gate very well; that we admitted men who should never have been given a Petition, let alone passed the ballot box.

It just is not true that every man should be a Mason. Freemasonry is not for everyone, especially one who has to be talked into it. The Fraternity is not elitist, but is elite. This pilot project is not a silver bullet, nor a good and sufficient answer. All that it can tell you is if a man has been convicted of a felony.

But we have all known men who have never run afoul of the law – but we would not want them in our homes. And many of us have known men who have made stupid mistakes when they were young, but who learned from the mistakes and turned their lives around, and are good and sincere men who would be a credit to any organization. There is no mechanical solution. The whole process of **“GUARDING THE WEST GATE ”** requires the personal, human touch.

The second element of the program is called **“THE MASONIC TRAIL.”** It focuses on staying in contact with the Candidate from the time of the Entered Apprentice Degree through Master Mason and beyond. It does little good to the man and less good to the Fraternity if we ignore him after the First Degree. We must do everything possible to make him feel welcome and at home. It includes encouraging him to learn the proficiency material, complete his Degrees and become active in the Lodge. We know people drop out in the process. Sometimes it is because they are just not interested in Freemasonry, but more often it is because we throw them away.

It seems to them that they are not important to us, as if we do not care if they progress. There are many of us who would not have completed the Degrees if it had not been for a Masonic friend who guided us along the way, encouraged us and sometimes bullied us along the trail. Most of you know of my Native American Heritage and that the idea of the Elder who guides and teaches the youth in the ways of the Tribe is especially strong in that tradition. **“The MASONIC TRAIL”** is the good we do for others, to enrich the Fraternal experience for all of us, the new Masons and those of us a little longer in the tooth as well.

**MASONIC EDUCATION** is an important element. It is a very old tradition that in matters of all things Masonic, such as symbolism, meanings of Ritual and related topics, that no one speaks or can speak officially for Masonry. Each Mason has the right to find meanings and interpretations for himself. Masonic Education should be considered as representing sincere

thought and speculation, but not as an official interpretation.

No one would boast that a concert they attended was over in half an hour, or that they only spent 10 minutes detailing their car. But you will hear Masons brag that their Lodge opens, takes care of business and closes in less than 30 minutes. It's true that if a meeting is going to be boring, it is better that the torture end quickly. But it is much better to have a good meeting. Lodge meetings should be educational, informative and include a comprehensive study of the Mysteries.

All Lodges will incorporate Masonic Education into their Lodge meetings at every meeting this year. Sources include, BUT ARE NOT LIMITED TO:-

- Masonic speakers.
- Reading aloud Short Talk Bulletins.
- Masonic Education Courses.
- Mackey's Encyclopedia of Freemasonry.
- Video tapes and DVDs.
- Masonic Websites.

**FINANCE** is a vital element. The Grand Secretary has published and distributed an article entitled:

**“YOUR LODGE IS A BUSINESS. DO YOU RUN IT THAT WAY?”**

Quite a few of our Brothers come from the business world, agricultural or commercial. The only organization I can think of that does not operate as a business is OURS. Now that sounds a little strange, but it is gospel truth. Any business that operated the way we run our Lodges would have had their doors locked and their windows boarded up years ago.

How do we get away with it?

Well, we call ourselves a Fraternity – a non profit Fraternity. But we, like every for-profit business, need to make money, to keep the Lodge doors open, the lights, heat, and air-conditioning on, and still have enough left over to fulfil our benevolent goals. You must minimize expenses and maximize revenue. In order to do this, **YOU MUST HAVE A BUDGET.**

This year, over 75% of our Lodges reported that they do not have or prepare a Budget, that they just “wing it.” This is like saying, “I must have money left, there are still checks left in the check book.” Each new Worshipful Master must sit down with his Secretary, Treasurer and Trustee and make a Budget at the beginning of the year. Write down all your expenses. Once you know what you need, project (guess) the revenue required. Subtract the expenses from revenue and hope you come up with a positive number. If you do not, and you cannot set anything aside each year for emergencies (Contingency Fund), then **YOUR DUES ARE TOO LOW.**

The average Dues in Oklahoma are \$42, with the vast majority well below that number. In about 20% of the Lodges, the numbers simply do not add up. You cannot open every meeting with a prayer that the roof won't leak or that someone doesn't steal your air-conditioner. There must be a lot of “pass the hat around” going on.

## YOU GET WHAT YOU PAY FOR.

If you continue to charge the minimum for Dues, you better have a wealthy deceased Brother who left you a huge estate, because it is just a matter of time before your doors close permanently. Brothers, our Fraternity is in crisis. Most of our Lodges have little if any fiscal management in place. They:

- Don't Bond the money-handling Officers.
- Don't require Budgets.
- Don't require 2 signatures on each check.
- Don't pay anything but cursory attention to the end-of-year Audit Report – some waving it under the Master's nose 5 minutes before a Lodge meeting.

The new Secretary/Administration Handbooks have a section on how to prepare a Budget and an Audit. This information is only good if you use it. For the sake of your Lodge, take immediate action to put these procedures in place.

**THE MASONIC CHARITY FOUNDATION OF OKLAHOMA** fulfils its mandate to take care of its Masonic members and their families in need, of course, but the majority of its efforts and funds are directed to persons and organizations with no Masonic connection at all. **PREVENT BLINDNESS OKLAHOMA** is a funded program designed to protect the eyesight of children.

Scholarships are awarded to young men and women to allow them to continue their education. Financial awards are granted to schools and teachers who emphasize achievements in literacy and creative writing programs. We try to assist those in difficulty in our neighbourhoods.

**HELP THE HUNGRY** provides assistance and proper nutrition to those in need. We are justly proud of our concern for, and involvement in, our communities across the State.

I express the hope that everyone in the Jurisdiction will participate in these programs, and especially, that everyone will strive to improve the Fraternal bond within our Lodges and reinforce Freemasonry as the powerful, transforming force for good that it has always been.”

## GRAND LODGE of OREGON

Address by M.W. Bro. David H. Fryday, Grand Master, Grand Lodge of Oregon.

### “WHERE IS OREGON MASONRY AND MASONRY IN GENERAL GOING?”

Condensed from the March 2014 edition of the Oregon Masonic News Magazine

“Have you ever wondered how to resolve a conflict between Brothers in your Lodge? How do you get Brothers you haven't seen for years to attend Lodge?

These and other questions will be addressed at the up-coming 2014 Blue Lodge Training Class, coming to a Lodge near you in 5 locations throughout the State on April 26<sup>th</sup>. As I have spoken about at Official Visits, each one of us needs to improve ourselves in Masonry. This is an opportunity to learn about Freemasonry and enjoy the Masonic experience. There will be new and revised programs for your enjoyment and edification.

The primary sessions will include:

- Lodge Transparency – What should you know about your Lodge operations?
- What can you say to a Non-Mason? – What is permitted and what is taboo?
- Lodge Public Relations – How to become a press correspondent.
- Lodge Membership – Increase membership and retrain the members you have.
- Lodge Setup – How should the Lodge paraphernalia be arranged?
- Floor Work – How should we move about the Lodge
- New Lodge Programs – What activities should the Lodge consider for the future?

Breakout sessions include:-

- Brother to Brother.
- Friend to Friend.
- Masonic Etiquette.
- Best Practices at Funerals.

Other topics include:

- Educational Assistance.
- Masonic Youth Group Scholarships.

The Blue Lodge Training Schedule is jamb-packed with useful information. The Information and Education Committee has dedicated time to its preparation with the specific goals of increasing your knowledge and improving your Lodge.

Over the last 8 months, much has been said about the things we do as Masons and as a Lodge to improve ourselves. There are a plethora of Programs which can be used by Lodges to improve Oregon Youth Education and Literacy, such as:

- Bikes for Books
- Kindles for Books
- Raising a Reader
- The Masonic Angel Fund, whereby Grand Lodge matches funds raised by Lodges in the promotion of any of the above, or other worthwhile community projects.

The new Grand Lodge Programs have been introduced this year to better serve the community. Much has been said about the great philanthropies of the Masonic Family – Shrine Hospital and Diabetes Research for example. We profess to make men better – improving ourselves in Masonry. But what does this really mean? First of all, we are known by the company we keep.

By association with good people, we become better people ourselves. Good begets good. Life is a continual learning experience; we learn from each other through our interactions and Masonic education. Good works are an important demonstration of what is in our hearts. But good works alone are not enough. We must take care of our spiritual houses and ensure they are in order. It is not sufficient to espouse the principles and tenets of Masonry when our day-to-day actions and behaviours do not live up to these standards. I have been asked:

“WHERE IS OREGON MASONRY AND MASONRY IN GENERAL GOING? ”

As an eternal optimist, I am very positive about Masonry. Although the numbers may decline somewhat, the number of new Masons is continuing to grow. Soon, growth will exceed the inevitable losses, and, within a short period of time, we will be experiencing sustained growth. This means that we will all have to work hard during the next decade, coaching and mentoring our new Brothers, and subsequently encouraging them to take positions within the line.

This must be done deliberately because we will be training our replacements. The future of Masonry depends on how well we do our work. This training process requires that we give responsibility to the newer Brothers and let them bring some of their constructive new ideas to the Lodge. Just because something has not been tried before doesn't mean that it will not succeed. Just because change can be uncomfortable doesn't mean that it should be avoided. Reasonable ideas which are carefully orchestrated should be given consideration, and, if approved by the Lodge and consistent with the Code, should be given a shot.

In addition, we have studied what other Jurisdictions are doing to improve the Craft. In our visitations to other Jurisdictions, we have worked hard this year to learn, replicate and implement useful and innovative concepts or subjects. We have made great efforts to change and improve educational opportunities for Oregon Masons.

The Information and Education Committee, which is responsible for Blue Lodge Training, appreciates your feedback regarding their efforts. Please let us know what you have liked, what needs improvement, and what you would like us to try. We can only improve our training if we all contribute to the effort.

Let us continue to BUILD TOGETHER for a better Fraternity.”

**GRAND LODGE of UTAH**

**Address by M.W. Bro. Glen Cook, Grand Master, March, 2014**

It has been nearly a quarter of a century since Freemasonry in Utah rescinded a ban that prohibited Latter-Day Saints from joining the Fraternity. And while many remember the religious division that characterized Freemasonry in Utah, M.W. Bro. Glen Cook, the current and 137<sup>th</sup> Grand Master of Freemasonry in Utah, and the first Mormon to hold that position in more than a century, believes that things are changing for the better.

“I look forward to making the group more open to public understanding. There are definite misconceptions about Freemasonry in Utah, particularly among Latter-Day Saints, but there is some reality as well, as illustrated by the fact that the Church founder, Joseph Smith, and his successor, Brigham Young, were both Masons.

Freemasonry is not a religious practice, but confusion about what it is stems from the fact that the Fraternity is believed by many historians to have originated in the ancient world, because its rituals and ceremonies bear similarity to sacred ceremonies that existed among the Egyptians, Coptic Christians and even Catholic and Protestant liturgies, all thought to have some common Biblical source.

There is no question that elements of the Latter-Day Saints and Freemasonry are similar. The question for Latter-Day Saints is:- “ Does that make a difference? ” I tend to be rather a concrete thinker. I think we spend too much time worrying about issues that don't really matter to our salvation. Nothing in Latter-Day Saints faith or practice prevents any of them from becoming Masons. The philosophies of Mormonism and Freemasonry are not fundamentally incompatible. Both emphasize morality, sacrifice, conservation and selflessness, and both condemn selfishness and greed.

Furthermore, the aim of Freemasonry is to instruct – to make the truth available so man can follow it. To enable Lodges to impart this knowledge and instruction, the Grand Lodge of Utah has developed and implemented several programs designed to achieve these goals, including the following:

**THE MASTER BUILDERS AWARD PROGRAM**, the primary purpose of which is to encourage and recognize Lodges in the planning, implementation and management of a well-rounded yearly program promoting Lodge activities, brotherhood, charitable work, and involvement in their community. *Please note; it is this Utah program that acted as the foundation upon which our Grand Lodge created our Lodge recognition program, called the Cornerstone Project.*

Lodges who earn the Master Builder Award will be recognized for their efforts and success during a special presentation at the Annual Communication. Lodges who become Master Builders for the first time will receive a plaque with the Square and Compasses, the Grand Lodge name and the name of their Lodge, designating them as a Master Builder. For each successive year that the Lodge maintains this standard of excellence, they will be presented with an attachment plate to represent all the years of distinction. #### **THE RITUAL PROFICIENCY PROGRAM**

The primary intent of this Program is to create a culture within the Lodge in order that they become proficient in the Utah Standard Code. It will provide the resources to assist the smaller Lodges, instill a desire in new Masons to become proficient, prepare Brethren for Officer positions and help current Officers to become ready to move up the Officer line and fill a need when required. It will provide many benefits throughout the Jurisdiction.

The Masters of the Lodge should promote this program as a means to strengthen their Lodges and give new Masons a sense of purpose and a real feeling that they are needed and appreciated. This can only assist our efforts in membership retention.

As each member improves, points are awarded towards 3 levels of proficiency.

1,600 points qualifies for the first pin	-	THE RITUALIST
3,200 points qualifies for the second	-	SENIOR RITUALIST
4,800 points, the maximum, required for	-	MASTER RITUALIST

These programs are an important part of our commitment to strengthen our Craft.

I see progress and signs within the Utah Fraternity that a new openness is developing towards the community at large and Latter-Day Saints in particular.

As the 137<sup>th</sup> Grand Master I will focus on the Fraternal tenets of Brotherly Love, Relief and Truth. I find Freemasonry to be something at which to marvel. In a world in which men war and shed blood of the innocent based on race, ethnicity and tribe, we have united...without regard to the colour of a man's skin, caring only about the tenor of his heart.”

**INTRODUCTION OF  
M. W. Bro. Robert P. Conley  
Guest Speaker  
at the  
Grand Master's Banquet  
Wednesday, July 16, 2014**

Distinguished Guests, Brethren All:

It gives me a great deal of pleasure to introduce our guest speaker for this evening, W. Bro. Robert P. Conley.

Robert "Bob" Conley is a nationally recognized teacher and trainer in the areas of Leadership Development and Personal Growth Skills.

He has trained diverse groups both nationally and internationally with an emphasis on "servant leadership" and its capacity for personal development far beyond the ability to become a more effective leader. Today he devotes the majority of his time to developing effective leaders through the Masonic Fraternity and other community groups in Michigan.

Brother Conley was elected to the Grand Lodge line in Michigan in 1991 and served as Grand Master in 2000. His proudest contribution to the fraternity in that time was the implementation of the Beacon Project which to date has provided in excess of 300,000 volunteer hours to the schools of Michigan in areas of tutoring and mentoring.

Brother Robert is employed by the Grand Lodge of Free and Accepted Masons of Michigan as its director of Member Services and as Business Director of the Grand Lodge. MW Brother Robert was elected as Grand Secretary of the Grand Lodge of Michigan in 2014 in addition to his other duties with the Grand Lodge.

Prior to his involvement with the Masons of Michigan he was the principle owner of RCE, a consulting firm concentrating in the areas of Strategic Planning, Organizational Development and Personal Skills development in the area of Effective Leadership.

His passion can be summed up in the phrase he most often uses to describe his commitment to others: "the only way we can become all that we are capable of becoming is by assisting and encouraging others to lead extraordinary lives. Do that and your life will become extraordinary as well!"

In April of this year Brother Robert married the love of his life, JoNeil. His wife is a trainer, coach and consultant for The Advisory Board Company, she is a nurse and has her doctorate in Health Care Business Administration.

**Deputy Grand Master's Thanks to M.W. Bro. Robert P. Conley**

Most Worshipful, the Grand Master, Distinguished Head Table Guest, Brethren and friends.

Most Worshipful Brother Robert Conley on behalf of those assembled it is my honour and pleasure to thank you for your thought provoking presentation. During your introduction it was stated that after many years of Masonic activity you recently became the Grand Secretary of the Grand Lodge of Michigan to which I ask are you sane. In spite of the challenges you were confronted with this evening your message was very clear. "I was at the All Canada Conference in Winnipeg earlier this year and I was challenged with Laryngitis and couldn't talk for three days to which the chairman said that big guy from

Ontario is very quiet and Our Grand Secretary replied wait until he returns next year”. Most Worshipful Sir your precise message mixed with some appropriate levity is well received and appreciated by everyone here assembled this evening. We know it was difficult for you, but your professional effort is appreciated and admired. We thank and we wish you well in your future endeavours. You are a great friend to the masons of Ontario.

## SUMMARY REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS 2013 – 2014

### Algoma District – 9 Lodges

**R.W. Bro. Leif R. B. Andersen**

I must state right up front that it has been a privilege and a pleasure to serve Algoma District during this Masonic year. We have a large district, geographically speaking, with travelling times to other lodges, outside of Thunder Bay, ranging from 1 hr 15 min to 5 hrs from my home lodge and community. This distance makes communication our main concern and the Grand Lodge Website along with our District Website, District Newsletter and other initiatives have proven very useful in bolstering communication within the District as well as throughout the province.

Algoma District as a region has seen a severe economic contraction in the past 10 years with the failure of the forest products sector and the closure of many mills and businesses throughout Northwestern Ontario. This has resulted in a demographic shift in population with many of our young men together with their families moving elsewhere in Canada to seek stable employment. Many of our communities are now left without industry and with diminished populations with a high percentage of retired pensioners or those who travel away for weeks a time for work. While there have been signs of improved prospects in mining, particularly with the “Ring of Fire”, it is not anticipated to improve significantly in the next five years. Little wonder that lodges have seen a decline in members and attendance during this same period.

The zeal for Masonry within the district has not diminished however. The brethren are active in lodge and within the community. Grand Lodge initiatives such as the ongoing Tactical and Strategic Plan have been well received and an action plan has been developed to complement it within the district. Programs such as Brother-to-Brother and Friend-to-Friend are being promoted and made use of with good results. Many lodges are consistently receiving applications and conducting degrees. Community initiatives such as the MasoniChIP program are expanding and are raising the awareness of Freemasonry within our communities.

The Grand Lodge requirement for fire safety inspections has focused lodge committees and boards on the ongoing issues of repair and maintenance and has resulted in lodge renovations and renewal beyond the scope of the original requirement. Masonic education is active within the district and is not limited to interpretation of the symbols or ritual but can and does include any legitimate topic of interest for the improvement of a mason’s life, health and enjoyment.

In closing I would state that with masonry, both speculative and operative it is more often about rebuilding and renewing what exists than building new. With this in mind, it is the spirit of perseverance, of continuous improvement and of dedication to the ideals of Freemasonry that will ensure a strong Algoma District going forward into the future.

### Algoma East – 8 Lodges

**R.W. Bro. Brian K. Olson**

I am pleased to report that the condition of Masonry in the Algoma East District is alive and well. Although there has been a slight decrease in membership in some of the lodges, our District Total Membership from one year ago has increased by 1.5%.

On October 3, 2013 Lorne Lodge No. 622 celebrated their meeting marking its 90<sup>th</sup> year, which I was honoured to attend.

Four of eight lodges in the District have almost all Master Masons filling the chairs. The degree work is for the most part well performed with an “Above Average” rating given to all Lodges (Lodge Reporting Form Guide).

All lodges in this district appear to be financially sound. Benevolence requests have been dealt with on a local basis.

Grand Lodge Programs although not always being conducted as prescribed by the manuals per se in all lodges, the work is being done through the efforts of the members of each lodge.

A new District Web Page has been developed and put into use this year. This allows the District's Lodge Secretaries as well as the webmaster to update announcements, events, and postings to the "Calendar of Events" on the site.

Our District Project (Prostate Cancer) was well received with the assigned target of \$8000.00 being exceeded. The proceeds will be presented to the Sault Area Hospital's Urology Department to help fund a new piece of equipment to help combat this disease.

A Lodge of Instruction was held at Elliot Lake Lodge No. 698 on September 28, 2013 which was well attended and included two members from Sudbury - Manitoulin District.

I also had the opportunity to cheer on Bro. Brad Jacob's and his curling team from Sault Ste. Marie. After winning the Gold in the Tim Horton's Brier last year, they continued onto win the Tim Horton's Roar of the Rings Canadian Curling Olympic Trials with a perfect 8-0 record. As the Canadian Olympic Men's Representatives they brought home the Gold from the Sochi 2014 Winter Olympics.

In summary I would like to thank the brethren of all the Lodges for their support. I also wish to thank the District Secretary W. Bro. John Stewart, for his invaluable assistance in making this year a great success.

### **Brant District – 13 Lodges**

**R.W. Bro. Albert Devereux**

I am pleased to report that Brant District is sprouting new growth with the initiations of 24 new members that joined the Craft during this Masonic year. Some of the Lodges that haven't had any new candidates going through are now receiving applications and initiating new members. It is great to see the new found growth of Masonry in the District and would like to see that it continues on, especially since there has been an overall decline in the membership of the Lodges in the District over the past two years.

I have made many Fraternal Visits as well as the Official Visits to all the Lodges in the District as well as many outside of the District and I appreciate all the warm welcomes and great fellowship that I have received during my term. During my visits to the various Lodges in the District I have observed that the ritual work is being done fairly well and it is great to hear that the Lodges are having practices before their Lodge meetings to practice and improve on their work. Many of the Lodges are now hosting many social events not only just for Masons but also involving their wives, family members, friends and even the widows of deceased members. Special thanks for all the invitations to these events and it was a great pleasure to attend and be a part of many of them. I have also had the great honour of attending and participating in many 25, 50, 60, 70 & 75 year pin presentations and my thanks go out to them for their special anniversaries and their long service to Masonry.

I would very much like to see the Lodges in the District making more use of the various Grand Lodge programs that are available to them and this year I have found that the Lodges could make more use of them to improve their vitality. In the past few years there hasn't been that many of the District Lodges enrolling and participating in the Cornerstone Project and I would like to see many more of the Lodges getting involved. Thanks to those that are already making use of the various programs and utilizing them in their Lodges.

New and old acquaintance's were made this year and I have enjoyed the journey. Thanks to our Grand Master, M.W. Bro. Donald A. Campbell, for the great honour of allowing me to serve as your representative for Brant District. Also, many thanks to those at the Grand Lodge Office and the many Grand Lodge Officers for all your assistance and companionship during my term. Finally, I would like to take this opportunity to give my sincere thanks and gratitude to the brethren of Brant District for electing me and allowing me to serve as their District Deputy Grand Master for 2013/14 and in making this year the biggest highlight of my Masonic career.

**Bruce District – 12 Lodges****R.W. Bro. Terry P. Heise**

It is my privilege to comment on the Bruce, with its twelve lodges spread throughout the district. Over the past year, three of our lodges have experience increased membership, while the other nine lodges remained consistent in their membership. In the lodges where membership has been increasing, this has been attributed to increased employment opportunities in these areas. The members in our district continue to offer their support by visiting other lodges and by participating in the various district initiatives.

Over the past year, I have looked at the theme of “Making a Difference” in our world, and the positive changes that people can make if they work together. This year, we had nine new initiations into our membership. Various pin presentations were also made this year, including: several twenty-five and fifty year pins, and even two sixty-year pins. In 2013, 138 blood donations were calculated on behalf of the district. The MasoniChIP program saw three lodges processing over 300 children this year. I had the pleasure of making official visits this year, incorporating my theme as part of the speeches that I made. On average, approximately 65 people attended each of these visits. This goes to illustrate the point that fellowship continues to be an important part of what it means to be a member in this district.

One of the highlights of my year was participating in the Cornerstone Laying at St. Paul’s Anglican Church in Southampton. This is an experience that I have heard discussed, but it is one that I didn’t truly appreciate until I experienced it firsthand. What a great way to commemorate this event and to celebrate not only with this congregation, but with St. Lawrence Lodge No. 131. In May 2014, we had the pleasure of hosing the Grand Master in the Bruce District at the Harriston Arena in Harriston, Ontario. This event was well attended and the organizing committee should be commended for their efforts.

Although our total number of members has decreased slightly overall, masonry continues to thrive in spirit within our District, and I am proud of the accomplishments of our members.

**Chatham District – 11 Lodges****R.W. Bro. Robert W. McNaughton**

The privilege to be the Grand Master's representative and Chatham District's DDGM has been a humbling and rewarding experience. It has been a year of satisfaction and personal self-growth. This is one of the most important things I have done in my life, with lifelong memories.

My visitations to the District Lodges were very fulfilling and the attendance at the Official Visits was inspiring. Masonry is alive in Chatham District.

There have been no closures or amalgamations of Lodges in the District. Most of the Lodges have a long-term viability. There are several smaller Lodges who although currently viable, will require new membership to maintain their viability. Also struggling with declining memberships and / or inactive members, many Lodges are forced to recycle Past Masters and past officers on an ever increasing basis to fill the offices.

All of the reporting that was submitted stated that all the Lodges were in stable financial shape.

All the Ritual Work witnessed was delivered as intended throughout the District. Lodges who did not have a candidate are assisting other Lodges with their degree work.

Recognizing members' support and dedication to Freemasonry is a special occasion. During this Masonic year I have had the privilege to assist in the presentation of Long Service pins for many 25 and 50 years' service, several 60 year pins and one 70 year pin that marked a wonderful Masonic journey milestone.

April saw Chatham District hold their first District Ladies Night with good attendance, fabulous entertainment and great food and fellowship.

The District Divine Service was held on a Sunday evening and was very encouraging to see so many out to partake in the service and enjoy the fellowship that followed.

I would like to thank all the Brethren for their continued confidence, encouragement and support.

A special thank you to your District Secretary, W. Bro. Tom McNaughton, for his invaluable assistance and a job well done.

Finally I would like to thank my wife for her support. Without it, I would have never achieved the success in this office.

### **Eastern District – 16 Lodges**

**R.W. Bro. Roger Cook**

NON QUANTUM SED QUALE. This is the state of Masonry in Eastern District. Although our numbers are dropping the quality of our members is high. According to a recent survey, 35% of our members are 70 yrs. or over, so I suspect this trend will continue for a while yet. On the upside, the newer members are very keen and knowledgeable due to the electronic media available, and are well aware of what they are entering into. This bodes well for a good retention rate.

In October 2013 the District Devine Service was held in Vankleek Hill, with the District Masonic Choir in attendance. In November many Lodges attended Remembrance Day Services, and Plantagenet Lodge performed their Empty Chair Ceremony. December saw us in Maxville for Breakfast with Santa, hosted by Glengarry Highland lodge. In January 11 teams participated in the Annual Curling Bonspiel at the Maxville Curling Club. Once again the Hands Across The Border meeting in March in Ingleside was a great success with the Grand Masters of Quebec and Ontario in attendance. Hawkesbury Lodge have done us proud again. May 10<sup>th</sup> was our Annual Ladies Night held at the Metcalfe Centre in Maxville where we dined on Prime Rib and danced to the music of Mike Fahey's band.

The renovations at Ingleside Masonic Centre are now completed. What a beautiful facility! Due to the Grand Lodge Fire Safety program, many lodges have made significant upgrades to their buildings. Because of many "Snow Birds" Alexandria Lodge didn't meet in Jan/Feb. Hawkesbury Lodge have changed their format to a Day Light Lodge to accommodate Brethren who can't negotiate stairs or who don't drive at night. They now meet in Maxville at Glengarry Highland Lodge's facility. Chesterville Lodge has entered into negotiations to amalgamate with Henderson Lodge who are changing their meeting night as is Martintown Lodge to get away from Lodges meeting on the same night.

Serving Eastern District as the Grand Master's representative has been a wonderful, fulfilling experience.

### **Erie District – 8 Lodges**

**R.W. Bro. Grant G. Hughson**

It has been an honour and a privilege to be the DDGM for Canada's most southern district. We had the honour to present Bro. Gary Adams with the William Mercer Wilson Jewel in Leamington Lodge No. 290. The District also honoured masons across the District with 25, 50, 60 and 75 years a mason pins.

The lodges continue to bring in new members and affiliates. The work in each lodge is good to excellent and protocol and etiquette continue to improve. The Mentors Program and District Lodges of Instruction in Chatham and Windsor have proven worthwhile. The District Chairmen did an excellent job and were essential in the running of the District. Some of the programs were not as active as we had hoped and the District will continue to increase the use of all Grand Lodge Programs. The Cornerstone Program is being used by a few of the lodges in the District with Thistle Lodge No. 34 already attaining that status.

The lodges continue to work on their building to maintain, improve and increase the safe environment for each member or visitor. The members of the Erie District take great pride in their buildings and lodge rooms. Their hard work over the past few years has added a great deal to the overall impression of Masonry in the Erie District.

The District has an excellent newsletter that is put out on a weekly basis. All Grand Lodge information is also sent out as soon as it is received. The website is up to date and an excellent source of information. Please take a minute to check out this fantastic website.

My recommendation to the District is to continue to stay involved with the Grand Lodge Programs.

**Frontenac District – 16 Lodges****R.W. Bro. Timothy Barber**

Although the number of Lodges has reduced in number by two, I am pleased to report that Masonry in Frontenac District remains very strong. This year we saw Limestone Daylight Lodge go into darkness, as well as the amalgamation of Minden and Rideau Lodges, but this has only served to bring the remaining 14 Lodges of the District closer together.

The brethren of Frontenac District have responded very positively to the messages I presented at each of my Official Visits this year. I spent a great deal of time was spent focusing on the Masonic Association of Frontenac District's recently approved long-range plan, which encourages Lodges to build on three main recommendations which are designed to ensure the long term health of Masonry in this area, namely 1. Create a culture of mentoring, 2. Make visiting a way of life, and 3. Enhance communications between Lodges and their members.

We lost a number of brethren to the Grand Lodge Above over the past twelve months, but I am pleased that over the course of my term of DDGM, I was asked to present many more long service pins to our members than attended memorial services.

We were pleased to receive the Grand Master into the District three times over the course of the past year. He attended the Ceremony of Installation and Investiture at Templum Fidelis Lodge No. 746 in January, the aforementioned amalgamation ceremony of Minden Lodge No. 253 and Rideau Lodge No. 460 in March, and a very successful banquet in his honour in June.

Over the past year, the Brethren of Frontenac District have taken up the challenge of giving more of themselves rather than their pocketbooks for our District Project. Our goal was promote the act of both giving blood, and increasing registrations for Canadian Blood Services' "One Match" program, and our campaign has been a resounding success. Thank you to everyone in Frontenac District who helped make this a success.

In conclusion, it has been my absolute honour and privilege to represent the Grand Master in Frontenac District over the past 12 months, and I thank each and every member of Frontenac District for their support and encouragement over this time.

**Georgian North District – 10 Lodges****R.W. Bro. John F. Thompson**

The approximately 1,000 Brethren of the Ten (10) Masonic Lodges that constitute Georgian North District are lovers of the Craft and demonstrate their devotion to Free Masonry in their numerous annual activities, not least of which is their dedicated efforts to view and perform the ritual with the reverence it deserves and their commitment to proper protocol. The district's social make-up of rural and semi-urban inhabitants seem to lead to an interest in the Craft insofar as there are less time competitive activity opportunities than in some large urban areas plus the local ancestry of Masonic Brethren tend to attract prodigy that have stayed locally or returned to their roots.

Georgian North is fortunate to report both Lodge and District harmony and a goodly number of vibrant youthful initiates along with active participation of many past Masters and Past Grand Lodge Officers. We enjoy being a desired location for the relocation of retirees, many of which affiliate with our local Lodges (although several are "snowbird's" missing the blustery mid-winter meetings - and in response two of our Lodges meet through the summer, taking a winter hiatus).

The 2014 District Benevolence Project is to raise funds in support of the Barrie Valley of the Scottish Rite's School for Dyslexic Children - a donation of some \$6,500 is our goal for this Masonic Foundation of Ontario Project #2524.

Our District hosted the Grand Lodge of Instruction Team (13-09-26) under the direction of M.W. Bro. D. Garry Dowling and also a Protocol & Etiquette Workshop (13-10-17) delivered by R.W. Bro. Gordon Crutcher - both of which were well attended and well received by both District and visiting Brethren.

Grand Lodge has made it known that Granite Lodge No. 352, Parry Sound, will be rolled into Georgian North District as of the Annual Communication of July, 2014. Some 30 +

Georgian North Brethren attended Granite Lodge's Official Visit in Parry Sound on April 16<sup>th</sup>, 2014 with intentions for a similar contingent at their Installation June 18<sup>th</sup>, 2014. Our hope is the Brethren of Granite Lodge No. 352 receive an advance feeling of warm fraternal affection prior to their pending official connection with Georgian North District.

### **Georgian South District – 10 Lodges**

**R.W. Bro. Michael J. Long**

Being elected DDGM of Georgian South District has been one of the greatest things I have had the pleasure of doing. I would recommend any Brother to strive for the position of a DDGM. I would like to thank our Past Grand Lodge Officers for paving the way so our District can flourish and be a strong District.

All Lodges within the District are seeing new candidates; I have seen an increase in the number of Masons progressing through the chairs. It is great to see our Past Masters helping our newer Masons progress through the Lodges. I would like to congratulate all Lodges who are enrolled in Grand Lodge programs, especially the Cornerstone Project. Some Lodges have completed the program, and others are working hard to become a Cornerstone Lodge.

Georgian South District is very active within the community. We have several different fundraisers, we are also involved with the MasoniChIP programs, adopt a highway, blood donor, Santa Clause Parade, and support our widows in the district, all of which families, friends and neighbours are invited - which I believe is helping in our increase in membership. The community is seeing what we do and how we support our community. It is great to have our ladies involved, which helps to create harmony in the District.

This year I presented several long service pins, as well as 25 year Past Master pins, which is great to see. We had one presentation which stood out, and that was the Haza family where there were three generations of Masons, two of which are Past Grand Lodge Officers, and I'm sure the youngest will follow suit.

This year our District project was Hospice Simcoe, I would like to thank all the Brethren for their support.

I would like to thank all the Brethren on our committees, who have helped Georgian South District to thrive, and have made my year that much more rewarding.

In closing, I believe the success in our District is because of the leadership of our Grand Lodge Officers and all of our members working together to make Georgian South a great District. We still have to continue to work on getting more of our members out to Lodge on a regular basis. I would also like to thank W. Bro. Elmer Spring who has been a great help to myself and our District, as our District Secretary Treasurer. He has made this year that much more enjoyable.

### **Grey District – 12 Lodges**

**R.W. Bro. Bradley L. Vail**

Grey district was fortunate to have a group of masons, with great foresight, that wanted to establish Masonry in the district for generations to come. Fifty Two years ago, these brethren implemented a district association called the Past Masters, Masters, and Wardens Association of Grey District. The executives and committee chairs continue to be represented by each of the 12 lodges in Grey District and work diligently to coordinate many activities, The annual Golf Tournament, Curling Bonspiel and Ladies Nights are all well attended by members in and out of the District. The association has also assisted in the coordination and presentation of several MasoniChIP events and blood donor clinics this year.

Grey District is a rural district with lodges in several small communities where the membership is dwindling. The core members of these lodges attend the regular meetings and district activities and visitations, but they are finding it difficult to attract new membership. Several other lodges in the district are attracting new members and are fortunate enough to have no Past Master in the chairs.

Ten of the twelve Lodges in Grey District have their installations in June. My first visit to the lodges in the fall, saw new officers that seemed nervous and somewhat uncomfortable. Subsequent visits saw the officers becoming far more confident in their work which

demonstrated their dedication and desire, to make sure that the standards of work were pushed to very high levels.

District programs like Friend to Friend, Brother to Brother and the Mentor programs are all well established in the district and made use of extensively. There are summer barbeques, local Ladies Nights, Christmas Dinners and Valentine Dinners hosted by the lodges across the district, to encourage the participation of potential candidates and to show their appreciation to their companions. We have one Cornerstone Lodge in the District with others investigating the process to start their journey along that path.

Our focus this year was to Think Outside of the Box, to change your perspective on how you perceive your role as members of the district and of your local lodge and to encourage each member to wear two hats each time they entered a Lodge. Teach something to someone, learn something from someone.

The District Association has assisted in the long range planning for us and we are looking to formalize an infrastructure that will focus on this for us as we go forward into the future.

It has been a privilege and an honour to represent Grey District this year and I am confident that there will be many generations of District Deputies to follow from the greatest District in Ontario.

### **Hamilton District A – 14 Lodges**

**R.W. Bro. Jeffrey Baker**

The District is healthy overall, despite having a slight decrease in membership over the year, to 1205, attributed to numerous reasons.

There have been a number of MasoniChIP clinics held throughout the district, and voluntary donations by each lodge help defray the costs enabling smaller lodges to participate without financial worry. Blood donations have exceeded those of the past two years.

Two Grand Steward Regalia presentations were made during the year, along with many masonic Certificates, and Long Service pins. Three W. Masters had the pleasure of initiating their sons into freemasonry, what a pleasure to behold.

The District has been fortunate to receive our Grand Master at Dedications of Mosaic pavements at St. Clair lodge, Trafalgar lodge, Re-dedication of Burlington Lodge 150<sup>th</sup> Anniversary and Installation at Campbell Lodge.

The three Hamilton Districts, also received our Grand Master at a banquet in his honour, and Past Masters and Craft associations are well supported.

The District web site was re-furbished and now offers lodges the ability to update and input their own information. The traveling gavel has once again been a great motivator for inter-lodge visitation and thoroughly promotes camaraderie.

The quality of work I have seen by new members proving themselves has been excellent, which shows the commitment they have put forward, and the dedication of their mentors. I am hopeful they will continue on their journey and become stalwart Masons. It is surprising to see lodges requiring excellence in their candidates while yet a few Masters are still utilizing open books or crib sheets themselves. The overall quality of ritual in the District is good to excellent and those Masters that strive for excellence usually have vibrant lodges.

Community involvement is good, with Lodges participating in, Remembrance Day services, under privileged children dinners, and many other community events. The District supported charity was the Wounded Warrior project and this was a tremendous successes.

In closing, I would like to thank the brethren of the district, my District Chairmen and especially the District Secretary for all their support and commitment to Masonry. I was truly blessed with their support.

**Hamilton District B – 12 Lodges****R.W. Bro. D. Kenneth Laliberte**

The overall condition of Masonry in Hamilton District “B” is good to very good.

The quality of work, protocol and etiquette within the district has been solid and most importantly the brethren are having fun in their fellowship while doing the work.

There were 39 initiations and 12 affiliations within the district this year and I was given the pleasure of presenting some brethren with their Grand Lodge certificates. I was also given the opportunity to participate in numerous 25, 50 and 60 year pin presentations.

The 11 lodges in the district participate within their communities in various and numerous ways such as Blood Donor programs, food banks, inner city school breakfast programs, meals on wheels, school bursaries, Cancer Society, Medical Missions International, Big Brothers/Sisters, youth sports teams, local hospitals, affordable housing projects, local food banks, Dog Guides Canada and Remembrance Day services. The District also participates in two Divine services each year which supports the Hamilton Masonic Foundation. As a firm believer in supporting our communities that we live in, it makes me proud that the brethren of Hamilton District “B” take the Masonic teaching of charity to heart.

My talks on the theme that Masonry is a TEAM were graciously received by the brethren of the district and I thank them for their support.

I want to express my deepest thanks and appreciation to the Brethren of Hamilton District “B” for allowing me the opportunity to serve them and the support they have given me. I also want to thank all the Chairman of the District Team and a special thanks to the District Secretary, for their hard work and due diligence in supporting me and the district for without them there is no team.

In closing I want to say that masonry is strong and active in Hamilton District B and it was an honour and pleasure to serve.

**Hamilton District C – 14 Lodges****R.W. Bro. Geoffrey S. Allan**

Looking at Hamilton District ‘C’ objectively, I can honestly say the condition of Masonry is strong and the prospects for the future are bright. However, there is always room for improvement. Reaching for excellence and striving for perfection is a continual journey and not an end in itself. Many of the lodges in the district conscientiously implement and abide by many of the programs as set forth by our Grand Lodge. It is interesting to note that of those lodges that do, they seem to have better attendance at their regular meetings and the brethren appear to be more engaged. The quality of the Ritual Work in the district is directly proportionate to the effort exerted by each individual brother, but equally important is the mentoring by senior members and the regularity of practices. For the most part, the Ritual Work is being conducted very well and in the prescribed manner, but there are still, some old habits that die hard. Lodge Officers need only to refer to current versions of Grand Lodge materials and publications to correct any irregularities that might exist.

The brethren that comprise the 13 lodges of District ‘C’ are in my estimation, happy and are great examples of brotherly love. Piques and quarrels within the district were virtually non-existent and this alone contributed greatly to a wonderful Masonic experience for all. The brethren have also shown great support and attendance on the occasions of Official Visits and Installations and this extra effort has bolstered and will hopefully maintain a strong fellowship amongst the brethren.

Support of our district project, the Neighbour to Neighbour was outstanding. The brethren embraced this initiative with passion and unparalleled dedication. The collective effort of all lodges raised more than \$18,000 in financial contributions and the retail equivalent of \$5,000 in food donations.

As we have mourned the passing of several beloved brethren we have also added new members to our ranks. The evolution of our Fraternity continues.

We have accomplished much together and I am so very proud of the brethren of Hamilton Masonic District ‘C’.

**London East District – 14 Lodges****R.W. Bro. W. Jeffery Brown**

Masonry in London East is alive, but not without some problems. Total membership stands at 1405 in the fourteen lodges which is down 126 from 2012/13. Individual lodges now range from a low of 38 to a high of 297 members. In my opinion, there are a few lodges not performing well and are in danger of losing more members over the next few years which could spell their demise. But it is also true that, in addition to the smallest lodges, some of the medium sized lodges are also in trouble with attendance and the quality of their work. In these lodges there seems to be a lack of good officer mentoring to raise their level of competency. The larger lodges, while not without some concerns, are generally much more viable both in their attendance and their competency in the Ritual.

The most disturbing issue however, is the lack of commitment being displayed by many of our number and perhaps more so by the younger generation Masons. I have been surprised to see almost no knowledge of the basic reference books by younger lodge officers.

Their Past Masters have neglected to distribute the “Masonic Manual”, “Meeting the Challenge” or other essential material for young officers. The District should also be prepared to expect a contraction in the number of lodges in the District. I have encouraged several lodges to work openly with their members and have honest dialogues regarding their future path.

London East has five lodge buildings hosting fourteen lodges. Four buildings have met the Building Compliance standards while the one outstanding is only awaiting a final inspection by the Municipal Fire Chief.

Positive notes include six lodges who have started the Cornerstone Project this year and those lodges who are actively engaged in their communities with Open House, MasoniChIP events, Adopt-a-Highway, local Fairs, Food Banks, Blood Donor Clinics, special fund raising events such as Octoberfest celebrations, dances and other events across the District and I salute them for their efforts in keeping Masonry visible in our communities.

**London West District – 12 Lodges****R.W. Bro. R. Randall Hawken**

We completed and reported for all 12 Official Visits plus 2 Visits to Demolay and numerous Fraternal Visits. I also attended all 12 London West District (LWD) Installations and both Demolay Installations (6 month terms).

After convening an additional LWD meeting on November 28<sup>th</sup>, we established an experienced committee for By-Law and Guideline development. Over many meetings, we made our Notice of Motion and circulated particulars 30 days in advance then obtained a successful vote at our May 29<sup>th</sup> LWD meeting this evening. These By-laws, which are built upon another set of recently approved By-laws recommended to us by our Grand Secretary (thank you), will be submitted shortly to Grand Lodge for approval.

Both our Combine (London Districts) Divine Service April 27<sup>th</sup> and our LWD Benevolence Service May 25<sup>th</sup> were quite well attended and represented Masonry well in London.

We have weaker Lodges and stronger Lodges in London West- the Lodges with younger Brethren and new Masons in the Officer's Chairs are stronger and more vibrant when experienced Past Masters work in a supportive manner with them. A number of Lodges are either renewing or preparing to apply for the Cornerstone designation. This is very positive and will encourage new Masons to join those Lodges. There are a number of Lodges rebuilding their Officer Chairs and Memberships, but a few Lodges have mostly Past Masters in the Chairs and either require a substantial Membership increase and/or an Amalgamation.

Unfortunately, I participated in many Masonic Funerals, but I found the experiences very rewarding by supporting the Families and reconnecting with my LWD Brethren as part of the Masonic Teams to perform these important Services!

As always spending time in Lodge with my Brethren and making a positive contribution to my London West District by both myself and our Secretary/Treasurer, W. Bro. Greg McEllister, was most satisfying!

### **Muskoka-P Sound District – 8 Lodges**

**R.W. Bro. Robert Romberg**

The condition of Freemasonry in Muskoka/Parry Sound has seen a significant change from previous years as the Grand Master has requested a redistribution of lodges in two district, namely Nipissing East and Muskoka/Parry Sound. This request came early in 2013 and both of the DDGM's from each district was asked to take on this task and let the brethren of each district know and to receive input from all lodges concerned. In the early stages of this process both DDGM's formed committees of past DDGM's to receive input and provide input as to a new name and how best to set up this new district. The name of the combined district's of Nipissing East and Muskoka/Parry Sound will be Nipissing Muskoka District. this will be announced at the Grand Lodge Communication in July of 2014. The new district will have a total of eleven lodges, four from Nipissing East and seven from Muskoka/Parry Sound, as Granite Lodge in Parry Sound will be moving to the Georgian North District.

This past year the Muskoka/Parry Sound district has seen several initiations and affiliations and brethren have been active in visitations using the Travelling Gavel programme. I have continued with the District Charity collecting food and funds for the local food banks and this has been received very well by all of the district's food banks. Several of the lodges have set up at local grocery stores and have raised several hundred pounds of food and raised several hundred dollars to be used to buy more food.

Many of the programs, such as the website and a few others, have been put on hold until the brethren of the new district meet and discuss what will be positive actions and involve all brethren through the Past Masters, Masters & Wardens Association. There has been an initial meeting and many issues have been discussed and the next meeting in October 2014 will bring together the brethren from the new district and I expect many new initiatives will be discussed.

We have seen the resurrection of the district newsletter, The Round Table, prepared by R.W. Bro. Garnet Schenk, and I must congratulate him on his efforts and insuring all brethren of the district receive a copy as well as brethren outside of the district.

One lodge in the district still has it's building for sale and another has moved to a new location. The dedication ceremony for this lodge will be taking place in June of this year and many of the brethren are looking forward to participating.

Masonry in Muskoka/Parry Sound has not seen a great influx of new brethren into some of our lodges. Several lodges will have Past Masters sitting as principal officers and this has been the case for the last couple of years. I initiated some discussion regarding amalgamation and I am hopeful these discussions will result in positive action taking place.

There is still a difficult situation in one of the lodges which continue to provide a very bad situation and create disharmony among the brethren of that lodge as well as many of the brethren in the district. I am most hopeful this situation will be corrected in the very near future.

I wish to thank all of the brethren who sat on committees for me this past year, to all the officers of all lodges for their very warm reception each time I visited and to all brethren of the district for their great support.

### **Niagara District A – 15 Lodges**

**R.W. Bro. David E. Gillis**

Two hundred and twenty one years after Freemasonry marched into Niagara, the fifteen Lodges of Niagara A District continue to flourish. While the majority of Lodges in our District had a minor drop in memberships, many are experiencing a resurgence of younger members joining the craft making these particular Lodges perhaps a bit smaller but much stronger.

Niagara "A" boasts a great number of young and enthusiastic Masters in 2013/2014 who, with the support of experienced Past Masters, are creating new and exciting ways to

keep both new and seasoned members and their families interested and active in our fraternity.

I cannot thank the 2013/2014 Worshipful Masters, District Secretary and several District team Chairmen enough for the support they have shown by attending all of my Official Visits and Installations. I am very proud of the Niagara “A” District team and Masters and they certainly impressed the Brethren within our district as well as visiting DDGM’s and Brethren from elsewhere.

The DDGM’s charity, Community Care, was supported, not just with funding but with long term, multi year projects or legacy undertakings for individual Lodges such as serving breakfasts to the homeless, providing underprivileged children with winter clothing or operating “Out of the Cold” programs. This shared goal of the DDGM and District Secretary in establishing long term community involvement by the Lodges is one that we are both extremely proud to have supported.

Worshipful Master Mark Anderson McGaw of St. George’s Lodge No. 15 initiated a District hockey team, aptly named the Niagara A North Stars. We lost to our Hamilton District B and C neighbours, however our fraternity as a whole was the winner as the events attracted friends and families to cheer the teams on and brought not only the Brethren of our own District closer together but created a bond with our neighbouring District Brothers as well. Everyone is looking forward to next year’s hockey season.

Niagara “A” District is also home to St. George’s Lodge No. 15 who celebrated their 200<sup>th</sup> Anniversary in May. A re-dedication of collars ceremony officiated by Most Worshipful Brother Donald A. Campbell, Grand Master of the Grand Lodge in the Province of Ontario followed by an unforgettable gala was the highlight of the year in the District.

## **Niagara District B – 11 Lodges**

**R.W. Bro. David T. O’Neill**

It truly has been an honor and a privileged to serve as DDGM in Niagara B. District under the leadership of our Grand Master, M.W. Bro. Donald A. Campbell. The focus of my talks this year have been on Protocol and Etiquette, and perfecting the work in the lodge. There has been great emphasis put on making ritual fun.

Although it does involve commitment, it can be enjoyable, and some of the lodges in the District have proven that it is attainable.

Some of our lodges are growing rapidly and have committed to high quality ritual; whereas at the same time, some are struggling to keep their members and buildings. It appears inevitable that these lodges will have to seriously look at amalgamation or face the possibility of going into darkness.

Today’s generation proves a new challenge of getting new members who are genuinely eager to apply themselves to the work and the ritual required to advance through the chairs in their quest of Master of their lodge, and to be placed in King Solomon’s Chair, and beyond. Being the best you can be is not something that is handed to you. It takes a lot of work, and in the end, can be very gratifying. This is where the Mentors program comes into play. Each one of us had a mentor as we progressed through Masonry, whether it was your sponsor or a Bro. Appointed by the Master of the lodge. In order for Masonry to survive, this tradition must be carried on.

**“NO MAN WAS MEANT TO WALK ALONE”**

While attending several of the Grand Masters Receptions, my wife Susan and I were able to meet brethren and their wives from other districts. Susan was happy to have a one on one chat with our Grand Master. He spoke to her about growing up in Niagara B District and how it had a special spot in his heart.

Masonry in Niagara B District has great potential. There are young men out there wanting to experience what Masonry has to offer. Some of our lodges have put on programs such as the Fort Degree in Fort Erie. One was put on in the fall of 2103, which was strictly limited to Masons, there is another one being put on in June that is partially open to the public, as there will be a re-enactment from Harmonie Lodge No. 699 from Sweet Home N.Y., in period costume. Other such programs include: MasoniChIP, program, Blood Donors, Food Drives, BBQ’s and Golf Tournaments.

The charity I chose for my year is Prostate Cancer Research, (which is also the one chosen by Grand Lodge). With a great deal of help from the District team, we were able to raise \$3,370.00 for this worthy cause. While attending the 200<sup>th</sup> Anniversary Dedication Ceremony at St. Georges Lodge No. 15 in St. Catharines, my District Secretary and I had the honour of presenting the Grand Master with the cheque. The response from all in attendance was overwhelming.

I also had the rare opportunity to present W. Bro. Will Berkholt, the secretary of King Edward VII Lodge No. 471 with his certificate from the College of Freemasonry on his completion of the Masonic Arts and Sciences Course. It truly was a wonderful way to wrap up my year as D.D.G.M. My travels throughout the District with the secretary W. Bro. John Calver has been very fulfilling as well as rewarding. He did an excellent job of keeping me up to date on every detail, as well as where I needed to be. As for my Official team; I couldn't have asked of any better. They all excelled with their programs. Not only did they enjoy traveling throughout the District with me, they presented their talks with so much enthusiasm that we averaged 55 brethren per Official Visit. Coming from a small District, that was very good attendance. Finally to the brethren of Niagara B District, I have truly enjoyed my year as your D.D.G.M. and I hope that in some small way I was able to encourage you to be in pursuit of perfection while having fun to keep Masonry alive for many more years to come.

### **Nipissing East District – 7 Lodges**

**R.W. Bro. Gordon A. McKay**

The current Masonic year has been one of historic and significance change for the Masons of Northeastern Ontario.

Responding to the Grand Master's request to improve Masonry in the "north", DDGM's of the surrounding district were summonsed and recommended reducing the number of districts from three to two. Temiskaming, Silver and Elk Lake lodges will return to an expanded Temiskaming District. Mattawa, Nipissing, North Bay and Sturgeon Falls lodges will create a new Nipissing Muskoka District with the lodges of current Muskoka Parry Sound District (less Granit). The Grand Master accepted the change and will make the official announcement at the Grand Lodge Communications.

Unfortunately, Silver Lodge No. 486 has since elected to return it's charter to Grand Lodge and celebrated an Extinguishing of the Lights" ceremony in June.

In August the Grand Master participated in the impressive 100<sup>th</sup> anniversary ceremony for Elk Lake Lodge No. 507, followed by an excellent banquet.

Under the Building Compliance project, all buildings, except the North Bay Temple, have been brought up to fire code standards. The North Bay building requires significant, expensive and ongoing renovations.

The DDGM visited each lodge in the district several times, including Official Visits, Installations and fraternal visits. The popular annual "Ohio Visit" (William Farr Lodge, Girard, Ohio) was very successful again this year. The DDGM enjoyed many visits to other lodges and Grand Master's Receptions, often travelling with the Grand Registrar. The Travelling Gavel continued with limited success.

The District had a very successful Divine Service at Calvin Presbyterian Church, North Bay, with the greatest number of Masons participating in recent memory. Excellent fellowship with the congregation followed.

The MasoniChIP and Blood Donors projects were very successful.

The health of Masonry in the current district remains stable. There have been a number of initiations and, unfortunately, a number of brethren passed to the Grand Lodge above. The greatest challenge remains the lack of commitment from many of the brethren. The Work, in general, is very well done as senior members continue to be the life-breath of our lodges.

### **North Huron District – 10 Lodges**

**R.W. Bro. Dereck H. Ward**

First I want to express a thank you to the 555 brethren of North Huron for the support. To our District Secretary Don Bateman thank you for your hard work, support and

encouragement. To our M.W. Grand Master and our R.W. Deputy Grand Master thank you for your leadership, encouragement and support it is much appreciated with such guidance we are bound to succeed. To the 61 brethren Lodge No. 225 thank you for all you do. The Wingham Lodge thank you for hosting our district meetings this support is a real asset for us.

Masonry in North Huron is to the most part in good condition. Thank you to the Worshipful Masters for this leadership. North Huron has traditionally been noted for their friendly hospitality for guests, visitors and members and it is a pleasure for this to continue.

The Ritual work is preformed with sincerity but with some variation through out our district. Floor Work, lectures and installations can improve with some practice or rehearsals. The openings and closing are well done which is a testimony to practice.

We have a number of lodges in close proximity and the community mosaic does not encourage a Masonic presence. It would be my hope that some future change could add some inspiration to our dedicated brethren.

For those that follow, to give leadership, lodge finances, buildings and safety will continue to be a concern. With trust, dedication and diligence I am sure North Huron will face and control any challenges.

As my thoughts turn to the completion of my role as D.D.G.M. I search for some fundamental message for all Masons. This could be said in no better manner than in the words of V.W. Bro. Cliff Coultres Secretary of Blyth Lodge. Freemasonry is an organization whose purpose is the service of God and the happiness of mankind. Members join of their own free will, solicitation is forbidden. However only those who are worthy of membership are accepted. A chief requirement is belief in a supreme being. No faith is excluded. Freemasonry is not meant to take the place of a church in anyone's life. Freemasons are expected to be church supporter's. Freemasonry is a philosophy, not a religion. It teaches its members to serve God. To live upright lives, to promote the brotherhood of man and to be happy in communicating happiness to others. The secrets are only to prevent anyone being admitted to a lodge who should not be there. That is any one who has not joined the order. Freemasonry is not a service club, or a charitable organization. It does however support good works, without seeking undue attention. Freemasonry is not a sour and forbidding institution. Its members enjoy fun in their fellowship. It combines strict morality with licensed pleasures. Freemasonry uses common workman's tools to represent the virtues it promotes. Any one can be very proud to belong to the order.

Our ritual admonishes us to observe our time and distribute out it wisely, due planning given to Prayer, labor, refreshment and sleep. We never know ( and it is better we don't ) how much time we have or don't have left. Happy are we who can look back and feel we have spent time with others who have needed and appreciated our attention, and have prepared ourselves for what life requires of us, and enjoyed what it has to offer.

If suddenly we knew today was going to be our last, I am sure we would do a lot of things neglected in the past.

It has been an honour to be the representative or our Grand Master in North Huron. My best wishes to my successor and his team.

## **Ontario District – 15 Lodges**

**R.W. Bro. David A. G. Mills**

Ontario District has 15 Lodges with 1,595 Members, Lodge sizes ranging from 51 to 184 Members. Special Events were well attended and the Lodges generally gave their support.

All Lodges are proud of the Ritual work. Majority of the Lodges have Members seeking to go through the Chairs and take active parts in Degrees. Most Lodges have a flow of new members while others have none. Most Lodges have new Masters. There is an increase in repeat Masters in the Chairs from this year. It is hoped this will change in future with new Members and proper mentoring.

District "Gala" in support of District Project had attendance lower than previous year, caused by apathy of the Lodges and coordination complications created by last minute relocation of venue.

The District Pipers from East/West performed very well at functions throughout the District. On several occasions they were assisted by Members of our Masonic Pipe Band School from Port Hope.

The District Photographer and Lodges took photographs of the events, Installation and O.V. These will be made available to DDGM & Lodges. Unfortunately not until the end of year. Better Communication is needed.

The District Project (Sick Kids Hospital) Research for Juvenile Diabetes. We have a Masonic Carving Raffle, many Lodge Events and personal donations. At present, we have received \$8,500.00 of the \$10,000.00 target for the year.

There were (3) Masonic Education days. September the G.L. of Instruction (Oshawa), Etiquette and Degree Instruction and in November/March - Instruction on Masonic Memorial Services (Oshawa, Cobourg).

- There were (3) Masonic Education days. September the G.L. of Instruction (Oshawa), Etiquette and Degree Instruction on Masonic Memorial Services (Oshawa, Cobourg).
- There were two F2F Events shared with other Lodges.
- The MasoniChIP District Chairman reported that there were 183 children processed with events in Orono, Bowmanville, Colborne and Oshawa. Our Chairman also assisted in giving information that resulted in all the Police Divisions in Toronto agreeing to support the MasoniChIP Program. Congratulations!
- The Youth Chairman has reported that the Ganaraska DeMolany Club are very active and growing.

The District Divine Service held at Christ Memorial Church, Oshawa was well attended. The Lodges are generally safe and well maintained. 14 of 15 have Safety Reports.

Events well attended in the District include Robbie Burns Nights, Hunters Night, District Masters, District Members, J.W., S.W. and Police Degree Nights, Table Lodge, Halloween Parties, Ladies Nights, Golf Tournaments and Curling Bonspiel.

## **Ottawa District 1 – 15 Lodges**

**R.W. Bro. Dario N. Mancuso**

As I conclude my stewardship as District Deputy Grand Master of Ottawa District One, I wish to thank all of you for the support you have given to the officers of our District. I wish to salute your benevolence, assistance, and dedication in reaching out and helping both individuals and Lodges in our District. To those Brothers from both inside and outside our District, I extend my heartfelt gratitude.

We had an extremely busy year with two District Divine Services for the first time in many years to accommodate both Ottawa District One and Ottawa District Two on Nov. 30, 2013 with an attendance over 125 members and again on April 6, 2014 with attendance of about 100.

On the subject of Masonic Education, the Chairmen of both Districts continued on what was started and planned last year - an integrated and co-operative approach to cross-district education. This ranged from presentations on lodges Resources to the emulations illustrating the symbolism of both the 2nd and 3rd degrees which saw the Walkley Road Masonic Centre full to capacity. A joint Lodge of Instruction and the Masonic Challenge quiz (a sort of Masonic trivial pursuit) were also presented.

During this term I have had the honour and pleasure of being part of two major celebrations, accompanied by the Grand Master, M.W. Bro. Donald Campbell, marking the anniversary of Hazeldean Lodge No. 517, Kanata, Ontario, and the 150th anniversary of Goodwood Lodge No. 159, Richmond, Ontario.

I also was honoured to present 25, 50, 60, year pins, as well as College of Freemasonry certificates and numerous lapel pins to new EA's. The DDGM's District Charity was the same for both Ottawa District (s) One and Two this year, being the "Dave Smith Youth Treatment Centre Foundation". Collectively, we will be donating over \$10,000.00 by the end of this year.

Several Lodges have submitted letters of intent to be part of the Cornerstone Project. As for the District website, it was completely revamped, resulting in easier operation, a fresh

and extremely attractive appearance, and a resulting very satisfying experience for those who access it.

The District continues with a Senior Warden' Mentor Program, which was again an excellent forum for the Senior Wardens to prepare their responsibilities in the upcoming year as Worshipful Masters.

The two Ottawa Districts embarked on a joint District Newsletter (The Anteroom), which has been very well received as a source of information that is of interest across both Ottawa districts?

On a less positive note, the health of individual Lodges span the spectrum from excellent to precarious, with several lodges short on both candidates, fresh officers for the chairs and an interesting program. For these, I would encourage them to enrol in the G.L. Program "B2B, F2F" in order to stimulate and inspire their membership. In conclusion, as I pass the cuffs and jewel of my office to my successors, I need to say that this past year has been the pinnacle of my Masonic career and I look forward to serving Freemasonry in different capacities for many years to come.

## **Ottawa District 2 – 14 Lodges**

**R.W. Bro. G. Charles Singh**

The brethren of Ottawa 2 practice the routine labours of our Craft competently. There have been noticeable improvements in programming. Educational elements are planned, ceremonies rehearsed, and a greater effort at having meaningful meetings, are paying dividends for those willing to plan.

The challenges of an aging cohort is still a reality, and the commitment of our senior brethren has proved invaluable as our MMs and officers are being mentored for active duty and increased responsibility.

Ottawa 1 & 2 Districts planned and co-hosted several events: a fall workshop on Officers Progression; the emulation of FC and MM degrees, focusing on the historical, symbolical, and allegorical aspects; and two Divine Services.

Large crowds at the Emulations demonstrated again the appreciation of well crafted educational events; and the Spring Divine Service, dedicated to a brother who lost his home in a devastating fire, personified Brotherly Love at its finest. We introduced a new inter-district Newsletter, replete with photos and hyperlinks to internet references. This initiative is thanks to a fourth generation Mason, a product of UGLE's University scheme; his Grampa Reiach would be proud.

I also introduced the Travelling Trowel at official visits to recognize Lodges with the most visitors. Our community profile was enhanced by a beach clean-up, blood donor clinics, MasoniChIP at the base and schools up the Ottawa Valley, and a historical Display at the Champlain museum was covered by local media.

My daughter, Deanna, helped me to organize a concert for our charity: The Dave Smith Youth Treatment Centre Foundation, which is building a residential treatment centre for young addicts. A full church enjoyed an evening of music while I watched from my hospital bed via "live stream".

As a senior DeMolay, it has always been a habit to include our young people, and I designated one official visit as Youth Night, showcasing the ceremonies of DeMolay boys and Rainbow girls. It was a pleasure and honour to visit with concordant bodies: Order of the Eastern Star, Daughters of the Nile, Tunis Shriners, RAM, Prince Hall Masons and our brethren in la belle province.

I am encouraged by the BBQ's, wing nights, pot luck dinners, brunches, casino nights, even non-masonic guest speakers for that all important blend of social mirth. Good fellowship and camaraderie are pervasive in our lodges, but the scramble to organize degrees, festive boards and events are taking a toll on those committed brethren. Better pre-application information and pre-degree education is encouraged, and extra attention to engage the new cohort must be a priority. We need our PMs more than ever to act as mentors and sponsors.

Finally, I must thank the numerous retinue of mentors and advisors, many of whom I have known since my teen years. It has been a pleasure to serve.

## **Peterborough District – 11 Lodges**

**R.W. Bro. S. Andrew Henderson**

Peterborough District has 11 lodges, some flourishing and some struggling. Most Lodge Masters are attempting to improve the ritual work. Lodges are financially sound for the present, with a couple relying on rental income. Membership has decreased slightly but the rapid decline of past years has slowed. New applicants are being received in most Lodges, but still not enough to make up for the loss of our elder members. Currently there is no amalgamations planned and one Lodge that was on the brink of going dark has made a great recovery.

Successful Lodges are making use of Grand Lodge programmes or have in place events and activities that closely resemble those programmes. Master promote visitation between Lodges and special Lodge events. The PDMA coordinates District events formally with a lot of help received informally from the “Wednesday Morning Coffee Club”. A common concern is the progression of younger brethren through the chairs. Young men with young families are hesitant to make the time commitment.

Most Lodges are active within their communities. Adopt a Highway, MasoniChIP, Remembrance Day Ceremonies, Sweetheart Breakfast for Valentine’s Day, Robbie Burns Nights and various community showcase events are some of the Lodge activities. The District Project “Community Care” will hopefully raise awareness of our Fraternity and the District Divine Service was well attended.

Concern over the long term viability of Lodge Buildings has prompted District Long Range Planning. A general discussion to list common concerns and put forward ideas for possible solutions will be held. Lodge Buildings, finances, membership and Officer Progression are all items of interest. All Lodges were made aware of the requirement for Corporations to file tax returns.

I believe that Freemasonry is strong in Peterborough District. We have a wealth of dedicated and experience brethren and some very capable and enthusiastic younger brethren who bode well for the future. The future has its’ challenges, but I’m confident in the ability of the brethren of Peterborough District to meet them. I have been very well received and the support of the brethren has been both exhilarating and humbling. For that brethren, thank you.

## **Prince Edward District – 13 Lodges**

**R.W. Bro. Eric R. Mueller**

Having the Grand Master present in our District for the following special occasions: -

Sesquicentennial of Star in the East Lodge No. 164.

Dedication of the Mosaic Pavement at Lake Lodge No. 215.

Presentation of a fifty year Past Master pin at Bancroft Lodge No. 482.

Presentation of a trophy to the Lodge whose Worshipful Master attended the most Official Visits, during the Masonic year, was Franck Lodge No. 127. The purpose was to engender visitation among the District Lodges.

Raising funds to provide Bladder Scanners for the Quinte Health Care. Bladder cancer is the third worst for men after prostate and lung cancer.

To each candidate that was initiated this year it was a pleasure to present to them a folder containing the Lord’s Prayer with masonic symbols depicted on it. Also a penny with the square and compasses punch into it, in a holder with their name, lodge name with number and the date of their initiation. This was to remind them of the Charity lecture when they were received poor and penniless into masonry. Each was also presented with a pin which is the one recognized by Grand Lodge with the red maple leaf and the square and compasses in the middle of it. To date twenty one have been initiated.

Providing a forum for our ladies to participate in strengthens our Fraternity and individual Lodges such as Thursday and Friday Coffee Clubs. Our Ladies also have been a great help working together with our brethren at Blood Donor Clinics and at MasoniChIP events. During the past year we have honoured our ladies with Ladies Nights at Lodge and District events.

All lodges within our District were in compliance with Grand Lodges “Building Compliance Policy, Version 1: December 2012, by the end of 2013. The next scheduled (repeat) inspection will take place in 2017.

In going “Back To The Basics”, I feel that Prince Edward is on the right track to face the challenges that will be faced in the future. It has been a pleasure to serve Masonry in general and the District in particular.

### **St. Lawrence District – 17 Lodges**

**R.W. Bro. David L. Rogers**

I would first like to thank the brethren of St. Lawrence District for having elected me as District Deputy Grand Master for 2013-2014. It was an honour and a privilege to serve as their representative of the Grand Master, and it will be a memory that I will cherish forever.

I am pleased to report that, on the whole, Masonry is on the upswing in our District. Although death continues to take its toll on our membership totals, a positive is that, in the twelve months preceding the Officials Visits to our Lodges, there had been a sum total of 29 applications for initiation - indicative of the fact that there is an awareness of the Craft in our area.

Support for Grand Lodge programs, particularly MasoniChIP and Mentors, was clearly evident within the District this year. Additionally, we had the first of our Lodges designated as a “Cornerstone Lodge,” while five others put forth letters of intent.

The generosity of the brethren for our District Charity, being Prostate Cancer Research, was overwhelming - between fundraisers and donations from Lodges, we have managed to raise over \$20, 000 as of this writing.

Like any organization, Masonry in St. Lawrence District is not without its challenges - the financial situation of three of our Lodges could be considered precarious, and close care must be paid to keep these Lodges viable in the short term. However, the positives far outweigh the negatives and I am confident that the zeal for the institution of Freemasonry within this District is more than sufficient to handle challenges as they present themselves - now, and in the future.

I would also like to thank the Committee Chairmen, as well as the executive of the St. Lawrence District Masonic Association, all of whom who served their roles in a most proficient manner this past year, and aided in implementing Grand Lodge programs within our Lodges and keeping the District vibrant.

Finally, many thanks to W. Bro. Jason J. W. Munro who performed the role of District Secretary better than I could have imagined, and whose fellowship and camaraderie will be forever remembered.

### **St. Thomas District – 10 Lodges**

**R.W. Bro. R. Dean Paddon**

As in the past few years, Freemasonry seems to be slowly declining due to the aging factor and the lack of new members to take their place. This past year there were ten Initiations in the St. Thomas District spread over six lodges; four lodges didn’t have any initiations. Three Worshipful Masters repeated. There were 26 deaths plus a few demits and suspensions. Most lodges have some Past Masters throughout their roster.

The general condition of degree work is good, however some lodges borrow members from other lodges to help with the work. I attended surrounding districts this masonic year and was warmly received. Most lodges are in fair to excellent financial condition. The Masonic Foundation is supporting a young boy who is awaiting a heart transplant. In January, a Lodge brother lost everything when his home caught fire. The Benevolent Committee raised money and especially donations of household items to help them relocate. There are two Cornerstone lodges in the District with two more in the process of qualifying. Amalgamation has been rumoured as some lodges are having problems filling offices. We may hear more on this in the near future. I have presented numerous fifty and twenty five year service pins and some certificates during the past year.

There are some bright spots on the horizon. Grand Lodge in the past year has been concentrating on restoring members who have drifted away from Masonry. In July 2013, St.

Marks Lodge No. 94, St. Thomas Lodge No. 44, St. David's Lodge No. 302 and Talbot Lodge No. 546 banded together to purchase a pervious bingo hall.

The hall was completely gutted and renovation work started in July. The lodge room was consecrated by Grand Lodge in December 2013. Renovation is nearly complete and the result is an excellent facility which includes a 450 seat banquet hall, another room which holds 175 and will be used by the lodges as a banquet room. Both rooms will be rented out. Also there is an excellent room and ante room. There is parking for over 400 vehicles. All this on the ground level. Perhaps this facility will help to advance Masonry in the St. Thomas District in the future.

### **Sarnia District – 15 Lodges**

**R.W. Bro. Brian M. Simpson**

What a great year we had in the 15 lodges of Sarnia District. It proved to be a very special start to the year as my first fraternal visit was to my home lodge at Alexandra-Inwood Lodge No. 158 in Oil Springs.

What an honour to have my father, W. Bro. Bert Simpson act as the Director of Ceremonies to escort and introduce me into the Lodge. It was truly a once in a life time experience!

It was a great pleasure to assist in the presentation of the Assistant Grand Chaplain regalia to V.W. Bro. Carl Hall on September 16. We were also honoured in the District on October 15, when the G.M. attended St. Clair Lodge No. 425 to present Bro. James Sullivan as a W.M.W. Award recipient. After a short meeting, the lodge was closed and many of this family, friends and neighbours invited in to witness this.

The Sarnia District G.M. Reception was held in conjunction with the 150<sup>th</sup> Anniversary of Alexandra-Inwood Lodge No. 158 in Oil Springs on November 2. A sold out crowd enjoyed a fantastic meal and program and everyone had a great opportunity to meet the Grand Master.

The MasoniChIP program was rejuvenated again at the annual Brigden Fair on Thanksgiving weekend with 225 children receiving kits. There were other events held throughout the year with varying success but overall, it has been an extremely well received program.

The Cornerstone Project is also doing very well in the District. At this point, 8 lodges have either received their designation or have submitted letters to meet the criteria. This is a very positive step.

We were also witness to what I fee was a first in Masonry at the Installation of officers at St. Clair Lodge No. 425 on January 21. M.W. Bro. Peter J. Dunlop, P.G.M. of Alberta, was being installed as the Master of St. Clair Lodge. The Installing Master of the evening had arranged for 2 Past Grand Masters, M.W. Bro. Allan J. Petrisor and M.W. Bro. Gary L. Atkinson to assist in the program as Jr. Warden and Sr. Warden, respectively. As fate would have it, the elected Wardens of the Lodge were unable to attend that evening. What an honour to see 3 Past Grand Masters close the lodge from the Third degree down. Another once in a lifetime experience I will never forget!

The Annual Sarnia District Ladies Night (a.k.a. Pie Olympics) was another huge success this year. The attendance was down slightly, but the warmth and hospitality of the District was large. The big winner from the evening was the District charity, the St. Joseph Hospice of Sarnia - Lambton who received the proceeds from this event.

It was an honour for Alexandra-Inwood Lodge No. 158 and the District to host Heritage Lodge No. 730 on June 7. We definitely thank them for including us in their very busy schedule this year. Official visits were well attended this year and I was privileged to have several Past and Present Grand Lodge Officers in attendance at most of them. I am happy to report every Lodge had a least one candidate this year and Fraternal Visits were made to each Lodge in the District to see degree work which was mostly done in an exemplary manner. The future of Sarnia District looks bright!

The District Chairman did a fantastic job promoting their respective programs this year. I thank each and every one of them for their dedication to the craft in general and this District in particular.

I also wish to thank and congratulate our District Secretary, W. Bro. Greg Cameron for your support, encouragement and exemplary work this year. I think we made a pretty good team!

In closing, I must thank everyone for having the confidence to elect me as the Grand Masters representative for Sarnia District this year. It has been a very rewarding and memorable year.

### **South Huron District – 10 Lodges**

**R.W. Bro. Jeffrey French**

The ritual in South Huron has remained steady. Some lodges have improved, others have slipped a bit. Travel and visitation during official visits has greatly increased, with Five lodges claiming the Traveling Gavel this past year. We have had the pleasure of welcoming eight new men to Freemasonry. All of the lodges have taken a serious look at their buildings, and have established plans to address what needs to be improved. All of the lodges were very welcoming during visits by the District Secretary and Myself. Many awards for long term service were presented during the year, including a 50 year Past DDGM pin, to R.W. Bro. Hodgins. A highlight was hosting the International Plowing Match in September, which many masons from across the jurisdiction attended. It has been an honour and privilege to have served as the DDGM of South Huron District this past year.

### **Sudbury-Manitoulin District – 9 Lodges**

**R.W. Bro. L. Clair Bracken**

Freemasonry in the Sudbury-Manitoulin District continues to flourish. Ritual has shown a marked improvement in most lodges. There have been 18 initiations, with many advancements this year. Unfortunately, we also lost 20 members to the Grand Lodge Above. All lodges are financially sound. One lodge has Cornerstone recognition, but several are very close or could be with more documentation.

The District Project of the MasoniChIP was supported by all lodges, with several lodges sponsoring clinics, and to date over 1400 children from this area have been processed. As well, donations are approaching \$4000.00.

After considerable effort, all lodges are in compliance with the fire safety requirements.

The Annual District Veterans Appreciation Night is getting bigger and better each year, with significant attendance by non Masons.

All lodges are active in the community, with the MasoniChIP, cakes for our widows at Christmas, Remembrance Day services, family picnics, golf tournaments, and active participation at the Lions Christmas Telethon. Several lodges also give bursaries to students in High School, College and University. The excellent District Newsletter continues to keep the brethren aware of lodge activities with write ups and pictures.

The Java Guild at Belrock remains active, with 60-80 Masons in attendance each Tuesday and different lodges taking turns doing the cooking. A similar venue has started at Doric Lodge with coffee and sweet treats on Thursday mornings.

One lodge, National Lodge No. 588, continues to struggle. Originally situated in Capreol, a small railway town, it became apparent several years ago that they needed to make some changes. They sold their building and relocated to Sudbury, becoming partners in the Belrock Masonic Centre. Attendance continued to drop and they changed their by laws in December of 2013 to become a Daylight Lodge. They called off for the winter and at their first meeting in April they only had six members out. Their May meeting was somewhat better and they elected their officers for the Installation in June. This lodge requires help from the other lodges or it will likely fail.

### **Temiskaming District – 5 Lodges**

**R.W. Bro. Lenard Williams**

Temiskaming District continues to evolve as at present 5 Lodges make up our District. We do happily await the return of two Lodges to our District, being Temiskaming Lodge No. 462 and Elk Lake Lodge No. 507, increasing our total Lodges to 7 at the annual communiqué. This realignment of the District will help to alleviate some of the strain in supporting the DDGM and completing District commitments.

Each of the Lodges in the District have had candidates initiated during this term however it is unfortunate that more Brethren have been called to the Grand Lodge Above than initiated, leaving us with a dwindling total membership.

As expected, the Brethren of this District continue to perform the Ritual with the utmost respect and dignity, employing proper protocol. In promoting harmony within the District, Brethren from multiple Lodges are utilized when degree work or installations are performed, thus promoting visitation and friendship between Brothers of various Lodges.

The theme that was brought to the forefront this year was to make Masonry more visible in the communities where Lodges exist. From this point the plan is to continue to expand our efforts to nearby communities, including the one where our Lodges were located in the past. Lodges in the District have been using various methods to increase the visibility of Masonry in their respective communities. Some examples are breakfasts open to the community, District Service held in outlying communities, information booths at community events as well as garage sales held at the Temple Hall, all of which have brought some queries about the Fraternity.

Grand Lodge was formed and a dedication ceremony was held in Porcupine on October 5<sup>th</sup>, to dedicate a new Lodge room to be used by Porcupine Lodge No. 506. Following the dedication, a well attended banquet was held in the adjoining hall adding to the enjoyment of all.

Efforts to complete the District Website continue and are near completion. It is anticipated that the site will be approved by the start of the new Masonic year.

The MasoniChIP program is an ongoing program with efforts near completion indicating that a session will take place this coming term.

I would like to thank the Brethren of the District for their support and continuing effort to enhance Masonry in Temiskaming.

#### **Toronto Don Valley District – 19 Lodges**

**R.W. Bro. A. Joseph Demello**

“No Brother left behind” was the guiding principle and theme around the District during the past Masonic year.

To a great extent, this motto was reflected upon when planning and executing District events especially Masonic education and B2B. The strategy was to retain active Brethren by ensuring they were receiving the attention and support to keep them wanting to attend lodge and also to perhaps re-attract the Brethren who have drifted away. This initiative was successful at lodges that embraced the concept, and feedback from newer Brethren continues to be especially positive.

Another innovation was to amalgamate the many committees into a more supportive capacity versus an independent one. Consequently Education, Mentorship, Officer Progression, F2F, B2B and Librarian were led by one Chairman and supported by four Co-Chairmen. The result was very well received because it executed a team approach (rather than one person) when visiting a lodge or conducting District educational events as the Co-Chairmen were able to provide dedicated time to the various levels of Brethren, thus “no brother left behind”. Additionally the respective Chairmen for Long Range Planning and Cornerstone conducted their activities in unison thus successfully integrating the operational, financial as well as strategic aspects of lodge management.

As a result, four Cornerstone lodges will maintain their designations and another six lodges are well on their way to accomplishing similar designations.

For the third consecutive year Toronto Don Valley District has hosted a formal black tie Gala at a premier banquet facility and by all accounts the event was a resounding success in support of the Toronto Military Family Resource Centre. With approximately 200 attendees including non-Masonic guests as well as generous corporate sponsorship, this District will likely be the leading contributor to this charity once again. The Team that worked tirelessly to make this Gala so successful and memorable is to be commended.

In summary, some lodges are thriving due to the support and guidance of the Past Masters, regrettably the contrary is also true at other lodges that chose to isolate themselves or operate without sound planning.

### **Toronto East District – 19 Lodges**

**R.W. Bro. David J. Neave**

Masonry in Toronto East District continues to be vibrant and active. We have seen one Lodge rebound from the brink of darkness to initiate four new members this year. A second Lodge saw its members make a firm commitment to revitalizing their Lodge and began a progressive planning process. A third Lodge took the very risky move of moving their meeting location to accommodate the members who lived out of town. Each move has shown early positive encouraging signs.

This year we had 11 new Worshipful Masters take the chair, with a further 3 staying for a second term. Many of the lodges have Master Masons in the chairs, well supported by dedicated Past Masters. The Grand Lodge programs were well received, with several Lodges inviting chairman in for presentations. Our social events were very well attended, continuing with the theme of building brotherly bonds.

Our District Charity project, The Mikey Network, was very well received. Through the generosity of the brethren, we have placed four public access defibrillator's in four of our buildings. They are now safer places for our brethren to meet. The four buildings in our District have either already met the Grand Lodge directive on fire compliance, or are well on their way.

Throughout the year, I have reminded the brethren that at its core, Masonry is a fraternity, a brotherhood. The members of Toronto East District Lodges understand and practice that aspect very well. The bonds that tie the Lodges and members are strong, and for that every member should be very proud.

In conclusion, it has been one of the greatest honours of my life to be The Grand Masters representative in Toronto East District, and I thank each and every member for the confidence they showed in electing me. A final, heartfelt thank you must go out to W. Bro. Malcolm Parish, The District Secretary, without whose support, this year never would have happened. Thank you my friend and brother.

### **Toronto Humber Valley District – 20 Lodges**

**R.W. Bro. Harold Clarke**

I was honoured by the THV Masons to lead them this past year. The many new experiences and friendships developed gave me a new insight into Masonry for which I will ever be grateful. The lodge work varies from excellent to below average. It appears that those lodges who use the grand lodge programs and especially the Cornerstone program are the ones who will continue to operate at the above average level. In addition these below average Lodges should encourage their Brethren to visit more and participate in both District and individual lodge events, thereby giving their Brethren an opportunity to grow in Brotherhood as well as see how other above average lodges perform ritual and floor work. The senior members in all lodges should focus more on leading by example and providing encouragement to the newer members joining the Lodge. Newer Brethren are joining the ranks who are eager to participate and learn, in this area we must be ever mindful to ensure we take advantage of this and give them and lead them towards opportunities which will allow them to achieve what they are seeking. Getting them involved in the Lodge and the District will help ensure they continue to come out and enjoy their journey in Masonry. The senior Brethren and Lodges must be willing to change and look at new ways of doing things especially if what they are now doing is not succeeding. The future is what we will make it, its up to us to recognize our problems and be ready to change and do something about it.

THV like many other Districts has their issues, but most of them are caused by the Brethren forgetting the oaths they promised to uphold. Much focus was put forward in improving communications opportunities for the betterment of the Brethren.

The District was involved and held many events to help promote greater Fraternity and Brotherhood, this last year.

- Community Turkey giveaway, 500 turkeys and potatoes given out to the needy.
- Greater promotion and participation in District Divine Service, which resulted in 3 times the number coming out.
- The unification of the Master/Wardens into one association to encourage greater participation, Fraternity and Brotherhood.

- Encouraging committee Team Leaders to become more proactive and involved.
- Masonic Baseball event to encourage education opportunities and more opportunities for Fraternity and Brotherhood growth.
- Establishment of an Awards program, Mason of the Year, Lodge of The Year, Bursary, and a Travelling Gavel Award to be presented at an awards night.
- Open House, CHIP Program, Yard sale, Pancake Breakfast, and hotdog lunch for free.
- District Golf Tournament - District Gala.

The Brethren and Lodges will continue to thrive and develop further in Masonry by focusing on the tenets and principles that have stood for hundreds of years, and remembering that action, participation and leading by example is what will lead us to a stronger Fraternity, and Brotherhood.

Finally I wish to thank the District Secretary and the committee Team Leaders for all their work and efforts on behalf of THV. It was a great journey, thank you.

### **Toronto West – 23 Lodges**

**R.W. Bro. George M. Warner**

The good news is that Freemasonry remains well and generally healthy in the District. However, there are certain identified areas in which a stronger effort and guidance is required to bring awareness and commitment to our performance in various aspects of Masonry.

It is evident that many Lodges have demonstrated a tremendous effort to excel and conduct ritual work with pride and enthusiasm. Memorization is not a problem as evidenced by the absence of prompting. It is a pleasure to note that the majority of Lodges continue to apply a tremendous effort in pursuing excellence in both of the above areas. To complement the above efforts, monthly meetings of the Wardens' Association are held, which continue to educate the Wardens, Deacons and Stewards on the ritual, protocol and etiquette. What remains to be addressed is the commitment of Officers from the Lodges that are struggling, to work towards eliminating their identified deficiencies.

A number of Lodges are not utilizing Grand Lodge programs for various reasons, which are unclear since those that do, have generated very positive results. It is also noted that membership applications are lower in the Lodges which do not have community programs. Community programs tend to motivate membership and revitalize Lodges, thereby extending our core goals.

It is evident that a small number of Lodges are impacted by global socio-economic changes thereby requiring them to review operating cost and fee structures. An assertive proactive approach by all is required to sustain and maintain vibrant Lodges.

At this time, I wish to express my personal gratitude and appreciation to W. Bro. Donald G. Clarke, District Secretary, for his valuable support and dedication. The same must be stated for my Advisory Board, current Grand Lodge Officers and District Committee chairmen who accompanied me on my official visits. To the Officers and Brethren of the twenty-three Lodges, I thank you for your warm and brotherly welcome afforded us on our official visits. For the record, I further state that I am grateful for the opportunity afforded me to serve and enjoyed every moment of my term representing the Grand Master in the District.

### **Victoria District – 14 Lodges**

**R.W. Bro. John A. Deak**

Victoria District mix of the 14 lodges consist of very small to moderate membership numbers. Those lodges who do not have income generating opportunities are experiencing financial difficulties in meeting every day expenses. Increases in Dues and fundraising functions were necessary to keep these lodges viable.

Protocol & Etiquette at the Banquet room is good to excellent. A P&E Workshop put on by R.W. Bro. Gordon Crutcher was of benefit to those members who participated. I am hoping that the instruction in this session filters out to the lodges by the members who were present.

In the past year our district has seen loss of membership due to deaths, suspensions and demits. Sadly, the number of Initiations and Affiliation have not offset those losses and

Membership numbers are decreasing with the passage of each year. Our District Membership dropped from 896 to 879.

Grand Lodge programs are adopted by some lodges. Some of the lodges use the B2B and Friend to Friend programs usually as part of another lodge function, e.g. yard sales, bbq's and community events. Most lodges use the Grand Lodge Mentors Program. Blood Donors program is running about the same each year. Donors have not changed much in numbers nor names.

Victoria District and a few of the Lodges recognize the Ladies of our members with lodge Ladies Night. All lodges remember their Widows at some point throughout the year. We held a successful Grand Master's Reception and District Ladies Night in April 2014.

A few lodges regularly hold MasoniChIP sessions within their communities. The Cornerstone Program is the fastest growing Grand Lodge program adopted by the lodges because of an aggressive presentation schedule by the District Cornerstone representative, R. W. Bro. John B. Gorriell.

It was my pleasure to present pins for a 60 Year a Mason this year.

The Long Range Planning Committee' is active in our District. A special committee has been formed to prepare for the celebration of our 100th Anniversary as a District in 2016.

I would ask most lodges to maintain their present path of success. Others which are in financial distress should explore all options with an open mind.

### **Waterloo District – 15 Lodges**

**R.W. Bro. Grahame Booker**

I would like to thank Waterloo District for the privilege of serving them during the past year. Looking back, the year got off to a flying start when two days after my election, I attended a triple EA degree at Waterloo Lodge. After a busy fall, where in addition to the usual Official or Fraternal Visits, including private presentations of Long Service awards, as well as Installations, Memorial Services, social and other district events, I visited other districts and kept up my work in the various concordant bodies to which I also belong.

At the end of what was supposedly a brief Christmas visit to family in Barcelona, I found myself requiring emergency stomach surgery, recovery from which delayed my return to Ontario for several weeks. Needless to say the District managed just fine in my absence, and I thank all those, including the Grand Master and Deputy Grand Master, who inquired after my health before and after I returned. Fortunately my recovery did not prevent my attending all Official Visits and nearly all Installations.

The larger district events, such as the Military Table Lodge, Curling Bonspiel, and District Divine Service proved every bit as successful as in the past. This was also the year for our Grand Master's Reception, which was again held at the Concordia Club, and when the Grand Master was presented with a donation to his charity. As it turns out, I had selected the same charity for Waterloo District this year, so we will in due course be making a further contribution to recent research into prostate disorders.

At the beginning of the year I had suggested that we up our game in at least a couple of areas: first, Memorial Services, and second, filing semi-annual returns. I believe I can report increased efficiency in both areas. In general, while memberships are growing in some lodges, they are still declining in others, with the result that our number of lodges may be less than 14 in the years to come. While efficiency may dictate some contraction in our ranks, I saw much evidence in my visits of brethren taking to heart Bro. Kipling's word in his poem L'envoi, where he speaks of working "for the joy of the working", something I know won't change in the foreseeable future.

### **Wellington District – 12 Lodges**

**R.W. Bro. Clark A. Somerville**

The opportunity for me to serve the Brethren of Wellington District as District Deputy Grand Master is the highlight of my masonic journey. It started with being invested alongside our own Right Worshipful Brother John Green who had been elected as Deputy Grand Master. The Brethren of Wellington District look forward to our Deputy Grand Master continuing his path to becoming Grand Master and we will continue to support our worthy Brother and all of Grand Lodge.

I had the opportunity to present 50 and 60 year pins to long time Wellington District members. As well as receive our newest members into our ancient fraternity.

It was a tremendous honour to have both the Grand Master and Deputy Grand Master attend an installation in our district. As well as having 3 Past Grand Masters attend the four district night held at Conestogo Lodge.

I called a meeting of all past DDGM's to discuss that we had no candidates prepared to possibly become DDGM. We worked on this as a District and the result is we now have 5 to 6 brethren who are actively working on completing the Past Masters Course.

Wellington District has long supported our District Bursary named after M.W. Bro. N.R. Richards. Our goal has been to increase the capital fund to \$100,000 by 2016 which will be the 100<sup>th</sup> anniversary of his birth. Through efforts like the wild game night and curling bonspiel we should be successful in our endeavour. So far over 125 school children have received funds from the Bursary over the last 20 years.

Our 12 lodges remain active in our craft, and our communities. We supported the MasoniChIP program and held 3 clinics in the last year with more lined up in the next few months. We have Lodges that provide parking and security at fall fairs, highland games, car shows and other worthy events.

Like all districts we have challenges that we face but I am confident the Brethren of Wellington District will rise to any challenge and work together for solutions.

### **Western District – 10 Lodges**

**R.W. Bro. David S. Coulter**

It has been a privilege to serve as District Deputy Grand Master for Western District. I want to thank those brethren who assisted me, especially W. Bro. Wayne THERRIEN our District Secretary.

The District has experienced a renewed interest in Free Masonry, membership by initiation has increased especially by the six Northern Lodges in the District. This past winter I had to cancel two of my official visits due to severe weather conditions. They were conducted later in the year. On November 23, 2013 I had the honour and privilege to assist our Grand Master Most Wor. Bro. Donald A. CAMPBELL in the presentation of the William Mercer WILSON medal to Bro. Robert GRAY of Keewatin Lodge No. 417. I had the privilege to present a 50 year pin to Wor. Bro. From Golden Star Lodge No. 484.

Western District has a good number of candidates who are becoming Master Masons, we keep losing a number of our older experienced Brethren. I have assisted Golden Star Lodge No. 484 in their efforts to start a research Lodge. I wish to Thank all Brethren for proper protocol and etiquette during all of my Official visits and keeping the meetings interesting.

The Pulp & Paper mill closing in Fort Frances has affected the four Lodges in the Southern part of the District, three of the four Lodges are already having trouble with membership, Granite Lodge No. 446, Ionic Lodge No. 461, and Manitou Lodge No. 631. Regardless of distance, it should be noted that visitations between Lodges still show great support. The ritual work by all Lodges continues to be excellent, along with Masonic Education. Some summonses contain P & E essentials, other Masonic Education. Our District web site is moving along very well.

One of my duties this year was to make sure that new candidates enjoyed their Degree work and not take it so seriously, we all learn by our mistakes.

My Official Visits were very well attended.

### **Wilson North District – 11 Lodges**

**R.W. Bro. Scott J. E. Kubota**

The year as the Grand Masters representative for Wilson North has gone by very quickly. This has proven to be a wonderful year full of growth and challenges.

Membership of the district is down less than 1% Strides come from using the Grand Lodge programs or their own similar programs. Being involved with the community in some way and consistently is key. There is a large population in the 25-50 range. Finding ways to be visible within the community has a huge impact. The impact social media has can spread very quick of the good we do, without us promoting it.

The message from me this year have been focused on who we areas Mason's outside the lodge. The attraction or detraction will be largely due to how we present ourselves when in public. As we say "to be one ask one", it only stands to reason that they will only ask if the like and admire they see. One way or another we are set an example.

This past year has been filled with presentations, 50, 60, and 75 yr pins, a few Funeral services. Degree work has been completed with many newer members performing the core part of the floor work.

Lodges are active with Blood Donors, MasoniChIP and The Masonic Foundation of Ontario. There is regular attendance and participation with Fair Boards, agricultural shows, volunteer firefighters and more. Donations to local charities and special needs groups are plenty and too many to name.

The District project this year was Prostate Cancer Research. The generosity was overwhelming, I learned the true meaning of the power in numbers.

Certainly one highlight of the year was the Grand Masters reception hosted by the Wilson Districts. The event was well attended and an enjoyable evening for all.

To conclude, I am very proud of Wilson North, I am humbled by the experience and have become a better man for having done so.

This has been the highlight of my Masonic career!

### **Wilson South District – 10 Lodges**

**R.W. Bro. Douglas G. Waller**

Membership in the 10 Lodge of Wilson South District varies from 25 members to 140 members. Many of the Lodges hold bi-weekly practices and this dedication to the craft, shows in the competency of their work in the degrees performed in the Lodges. Once admitted, the new members are mentored and progress through the degrees quickly and efficiently. Many learn some of the small charges, showing their eagerness to learn and participate.

The Lodges are community focused and with the movement of becoming more open in the community, they are participating openly in various programs including MasoniChIP, Blood Donor Clinics, Ladies Nights, Robbie Burns Nights, Fish Fries, Stag BBQ's for members and friends, Friend-to-Friend nights, monthly breakfasts, spaghetti suppers and a combined District Divine Service with Wilson North District.

W. Bro. Calvin Reid, of Norfolk Lodge No. 10 spearheads work parties at Camp Trillium where this group of dedicated Masons from Lodges in the District as well as Wilson North and Brant Districts repair roofs, build structures and put in excess of \$30,000.00 worth of free labour every year.

Unfortunately, one of the Lodges was required to vacate and liquidate their building, but was able to relocate to suitable accommodations to another Lodge in the area.

Our District, in conjunction with Norfolk Lodge No. 10 will again the hosting the Brethren of the Province, at the annual Pilgrimage to the Gravesite of our First Grand Master, M.W. Bro. William Mercer Wilson at St. John's Anglican Church, Woodhouse, St. John's Rd. Simcoe. ON. June 22<sup>nd</sup> 2014.

It has been an honour to have been the Grand Master's representative for Wilson South District for two (2) consecutive years, making history in the process. I wish to acknowledge the support of Norfolk Lodge No. 10, for supporting me; the PDDGM's of the district, for their insight and advice throughout the 2 years; the 10 Lodges in the district, for accompanying me on the Official Visits and the all-too-many Masonic Memorial Services for our fallen brethren.

Last, but by no means least, I want to thank W. Bro. J. E. Denis Paquette, who without hesitation said he would be pleased to assist me with his District Secretarial duties for a second term. I am truly thankful for his unerring support and his friendship. I look forward to presenting him with his Grand Lodge Regalia and welcoming him to Grand Lodge.

### **Windsor District – 7 Lodges**

**R.W. Bro. Terence Roberts**

The Windsor district has been one of significant happenings. A lodge reached and celebrated its centennial milestone, 25/60/70 year pins where presented. Official visits and installations

seen as steady increase of attendance, especially with the Masters of the various lodges. There has been an increase in membership through all the lodges. The residual effect has been, more newer and younger members doing the ritual and moving into officer chairs in the various lodges. Senior members of the lodges have been very diligent in mentoring and ensuring the quality and mechanics of the ritual.

Two charities that are of no impact financially to the lodges where taken from seasonal to yearly in addition to the support of the Tim Horton's Camp day. Those two charities are "Warm hands Happy Hearts", which is the collecting and distribution of gloves and hats for all demographics in cold weather times. The other is a "Food Bank" drive to address the unfortunate need of the community. The Blood donor drive was steady in results and the Grand Lodge of instruction had a tremendous impact on the Windsor District as a whole.

Additionally there has been no serious or major event that has been detrimental to the overall well being of the Windsor District.

### **York District – 19 Lodges**

**R.W. Bro. Munder Jubran**

Another great year for York District full of profit and pleasure. The profit in narrowing the gap created by the geographical distance by tightening the relationship among the brethren across the District, and the pleasure in doing it using the social events which I always encouraged and which created a bond of friendship among the brethren.

We had many great events including District picnic, Golf tournament, divine service, Ice fishing, Robbie Burns night which was attended by our Grand Master M.W. Bro. Donald A. Campbell, Ladies Gala and Curling Bonspiel. In addition to the five receptions for Grand lodge stewards, Grand assistant Chaplain and my reception. Presentation of *seven Fifty Years Pins* and two *twenty five years pins* in one ceremony. Attended by our Grand Master, in addition to other individual presentations across the district.

We had the honour and privilege of hosting one of the largest and most unique events for Masonry in Ontario, the reception of M.W. Bro. Ronald E. Groshaw as 30 year Past Grand Master. With the united aid of R.W. Bro. John Trotter, R.W. Bro. William Boyle, V.W. Bro. George Pohle and the assistance of Wellington Lodge, I was able to honour M.W. Bro. Ronald E. Groshaw with an exclusive event that enabled us to show our appreciation for his contribution to Masonry, a memorable event he had justly earned. Hoping to do even better on his 40<sup>th</sup> anniversary.

York District became more active with social events which strengthen bonds among brethren. Some Lodges has euchre night, chili dinner, friend and family dinner and other activities. Wellington Lodge, and in addition to the two receptions for Grand Lodge officers, had picnic, Christmas party, three day ski trip, five day deep sea fishing in Florida, Ladies night, Visit Lodge in Cuba, 4 dinner and movie night, BBQ dinner. Safe to say that York District brethren are getting to know each other very well on personal level.

Education is progressing firmly, we had two successful L.O.I. Some Lodges has their own educational programs. I talked about the importance of education in most my O.Vs in conjunction with carrying the G.M. message of **importance of finances**.

Had lots of fun doing it.
